Handwritten text in Telugu script on a palm leaf manuscript. The text is densely packed across approximately 10 horizontal lines. A circular hole is visible near the center-left of the leaf.

[illegible]

Handwritten text in Telugu script on a palm leaf manuscript.

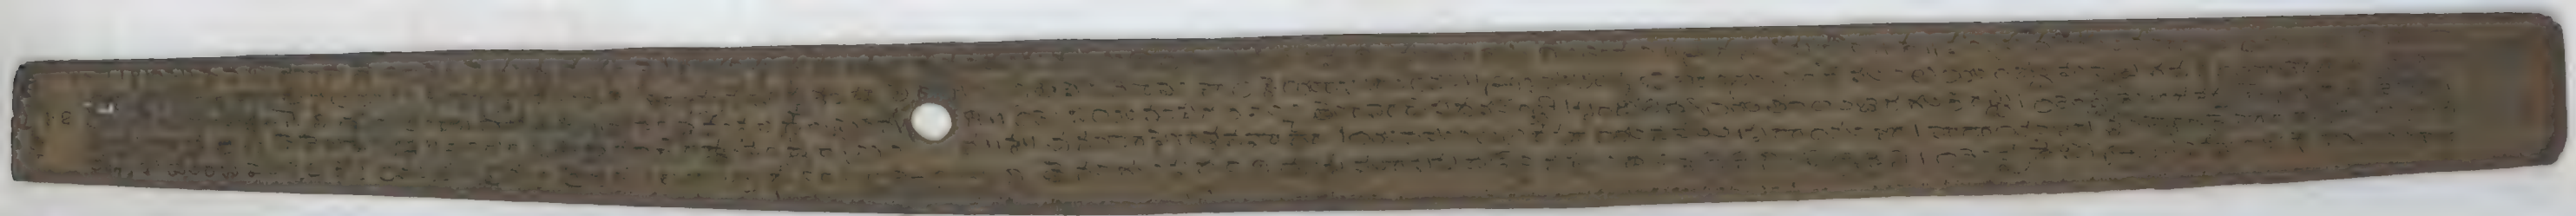

Handwritten text in a script, likely Devanagari, inscribed on a palm leaf. The text is arranged in a single line across the length of the leaf, with a central circular hole for binding. The script is dense and cursive, typical of traditional Indian manuscript writing.

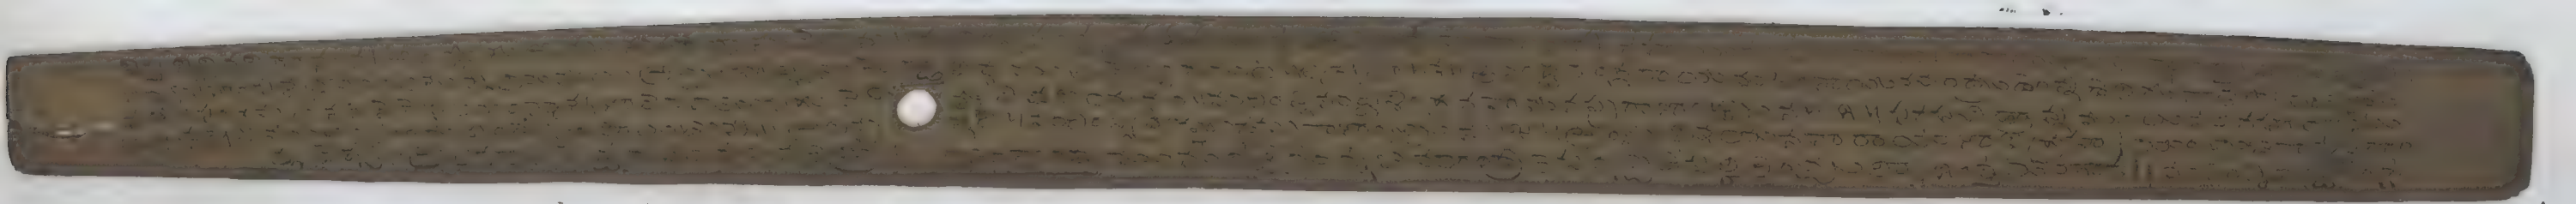

Handwritten Telugu script on a palm leaf manuscript strip.

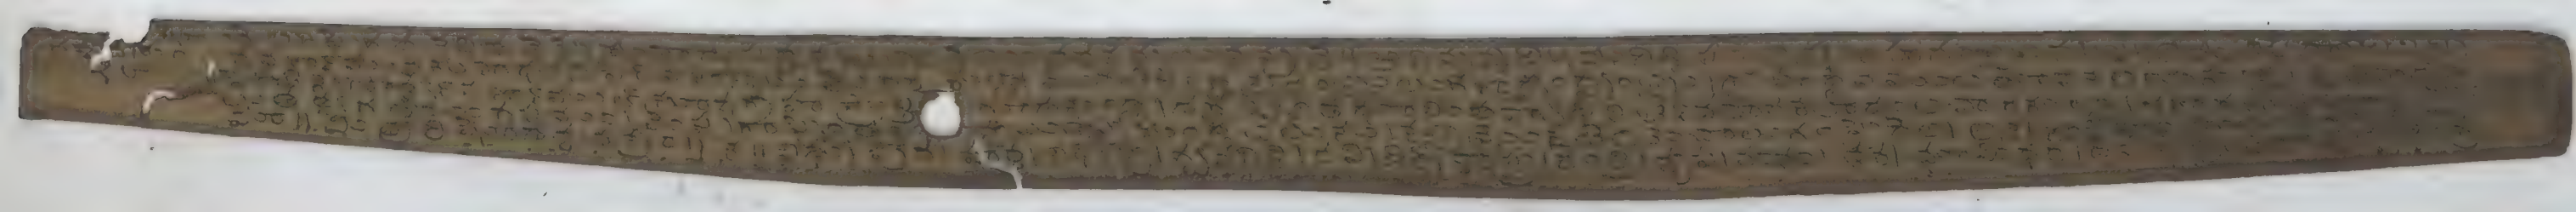

Handwritten text in Telugu script on a palm leaf manuscript. The text is arranged in approximately 12 horizontal lines. A circular hole is visible near the center of the leaf, used for binding multiple leaves together. The script is a traditional form of Telugu, likely from a historical or religious text.

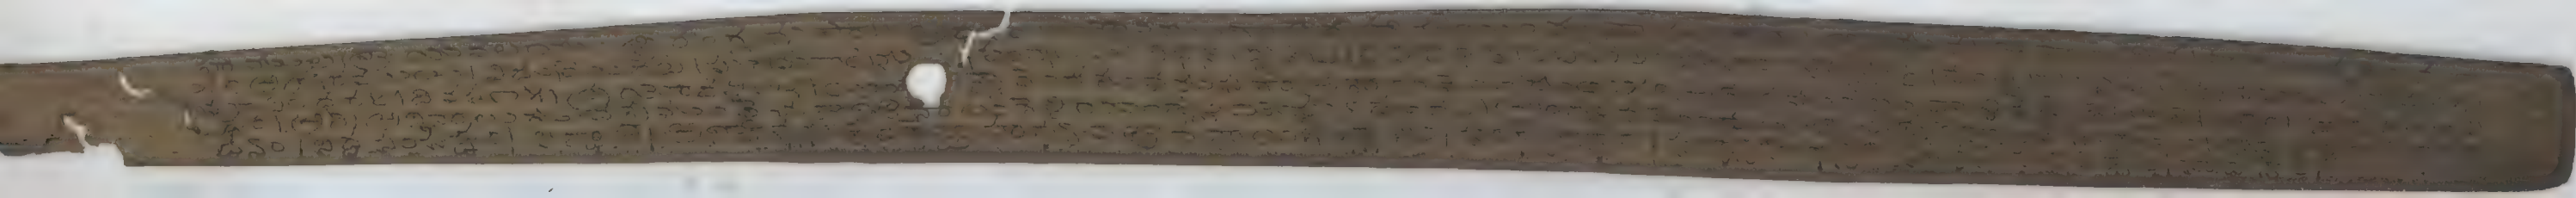

[illegible]

[illegible]

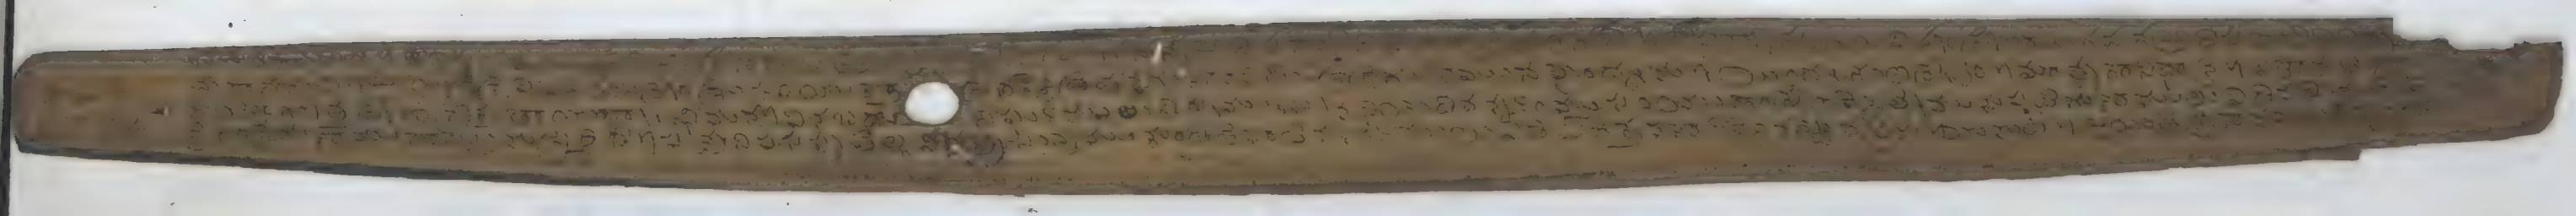

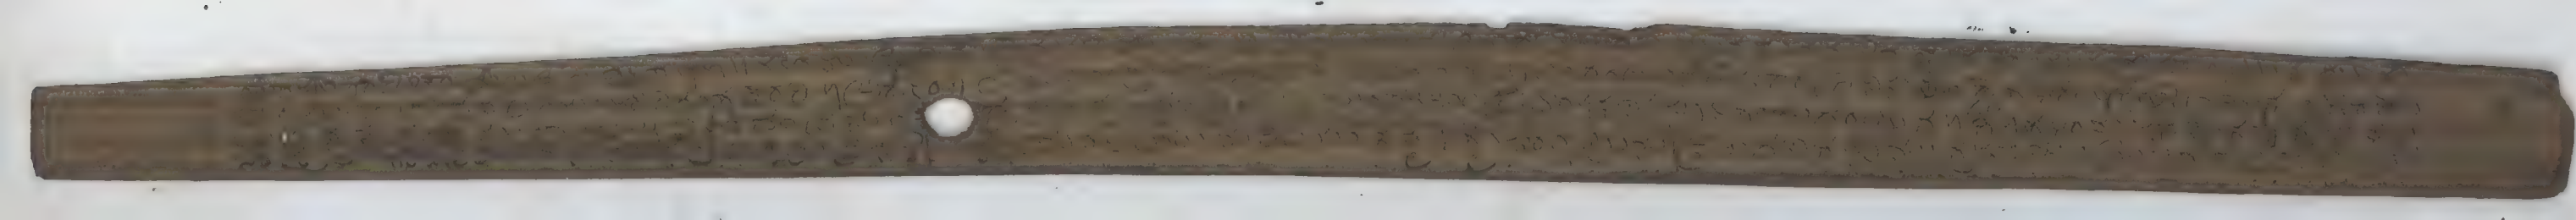

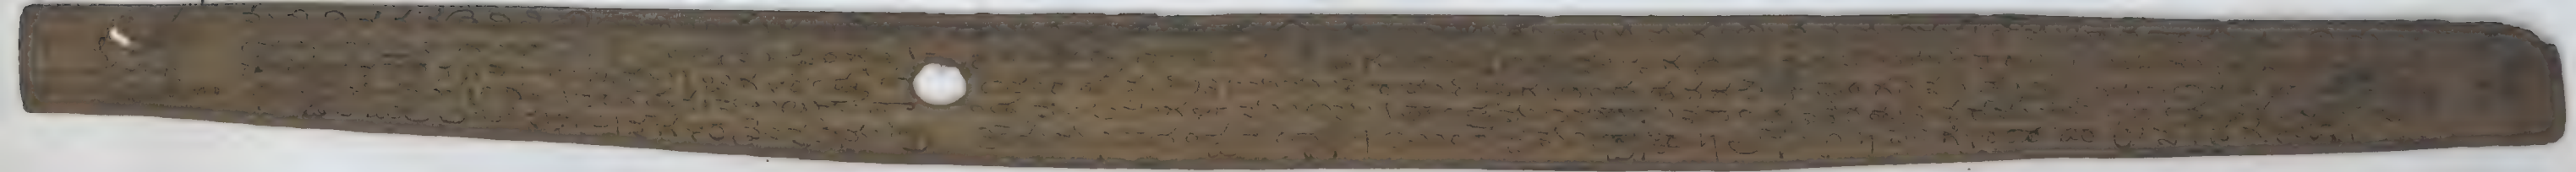

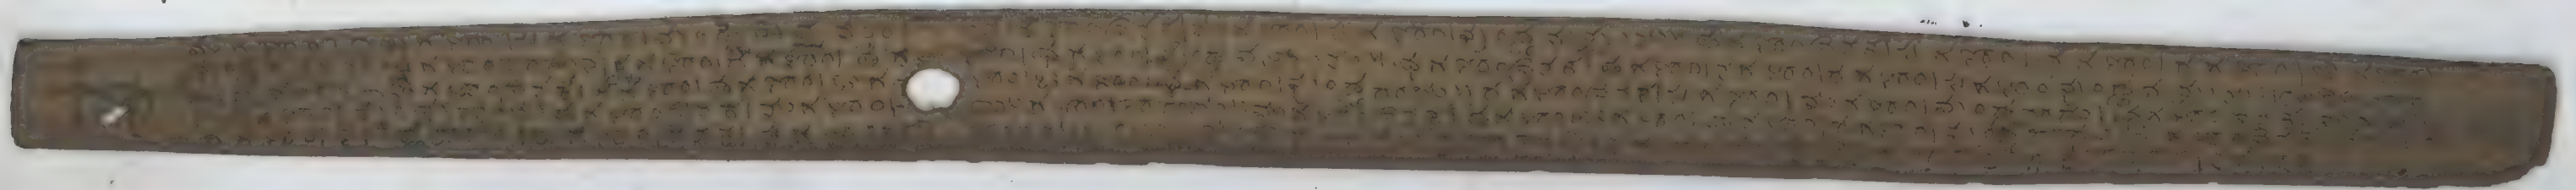

Handwritten text in Devanagari script on a palm leaf manuscript. The text is inscribed in a single line across the length of the leaf. A circular hole is visible near the center, used for binding multiple leaves together. The script is dark and appears to be a historical form of the language.

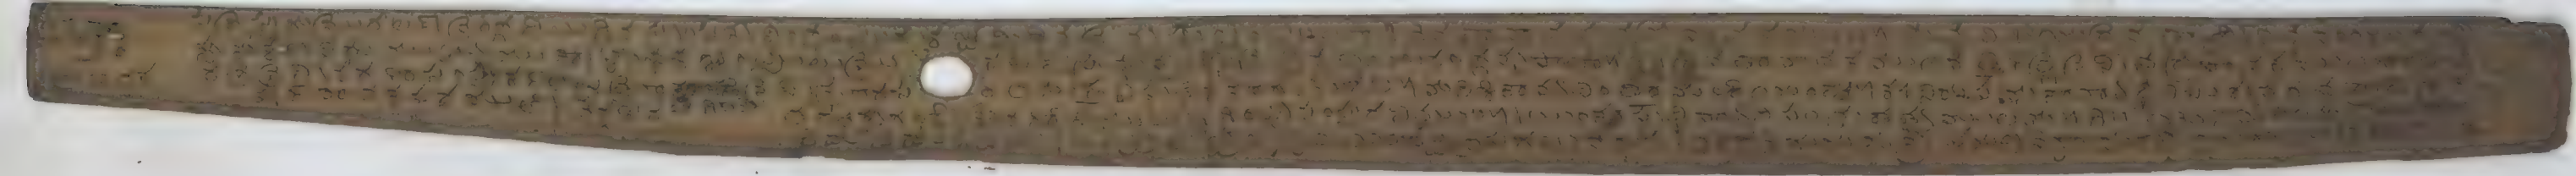

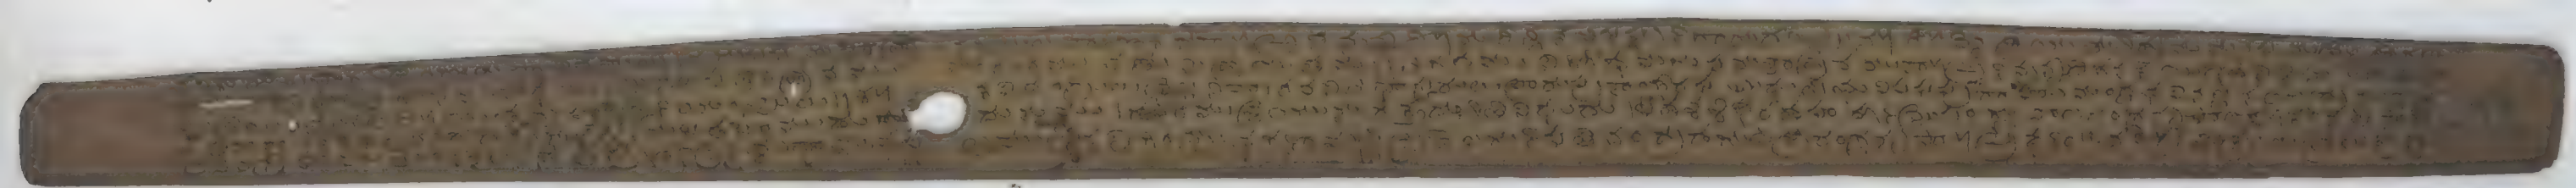

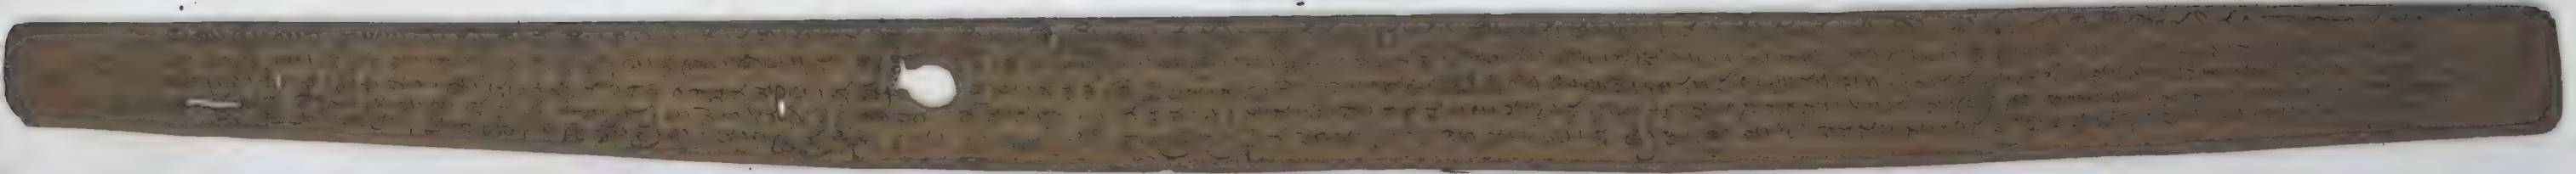

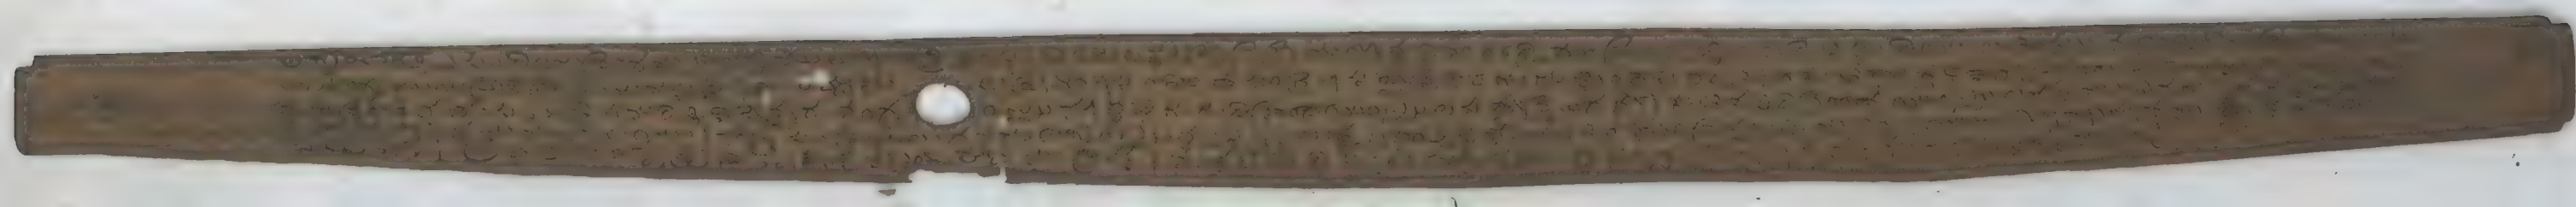

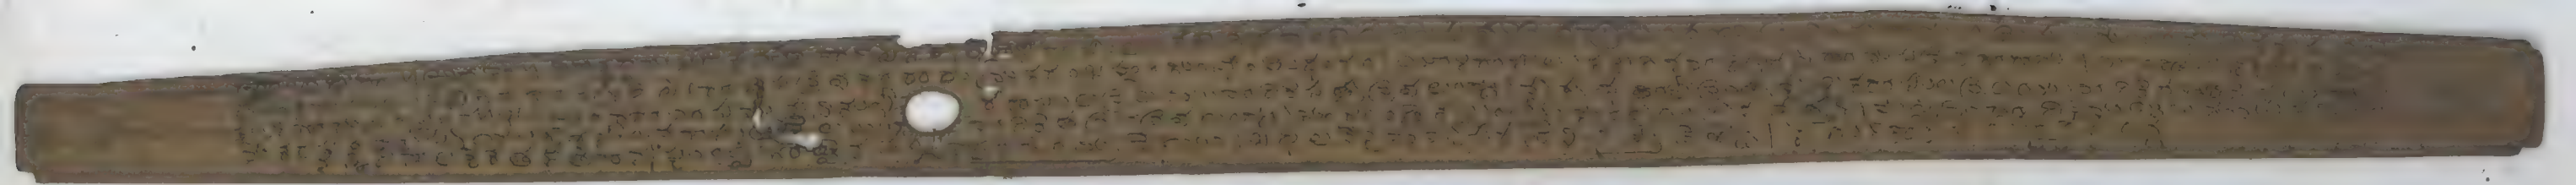

Handwritten text in a script, likely Devanagari, inscribed on a long, narrow, dark brown palm-leaf manuscript. The text is arranged in a single line across the length of the leaf. A circular hole is visible near the center, used for threading a cord to bind multiple leaves together. The script is finely etched into the surface of the leaf.

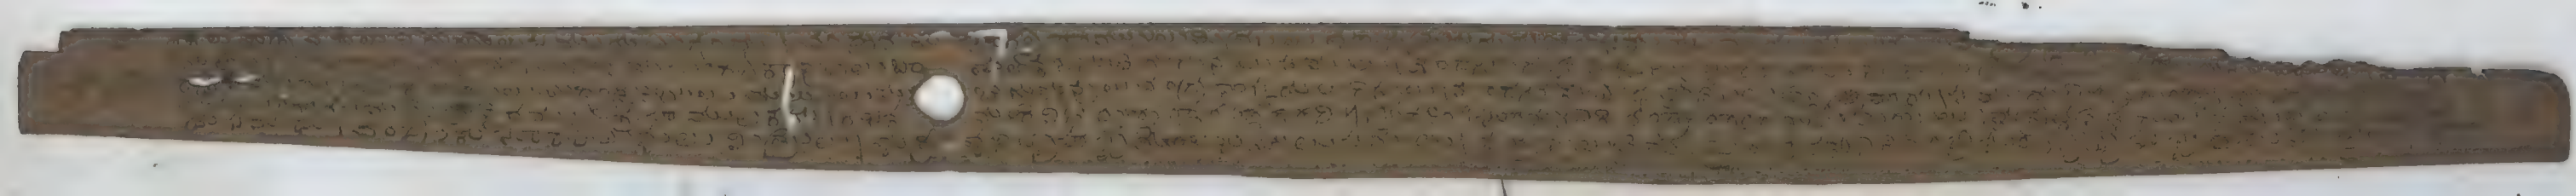

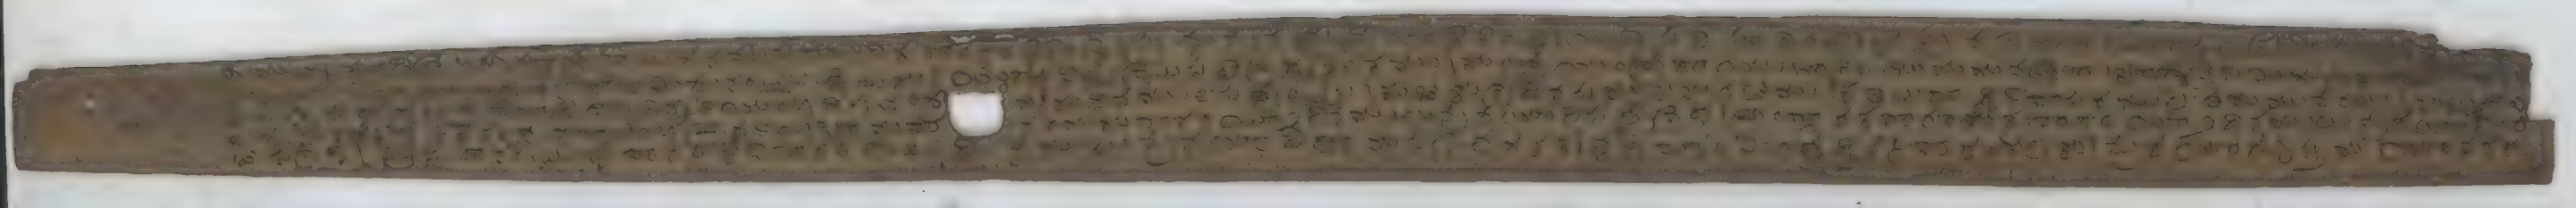

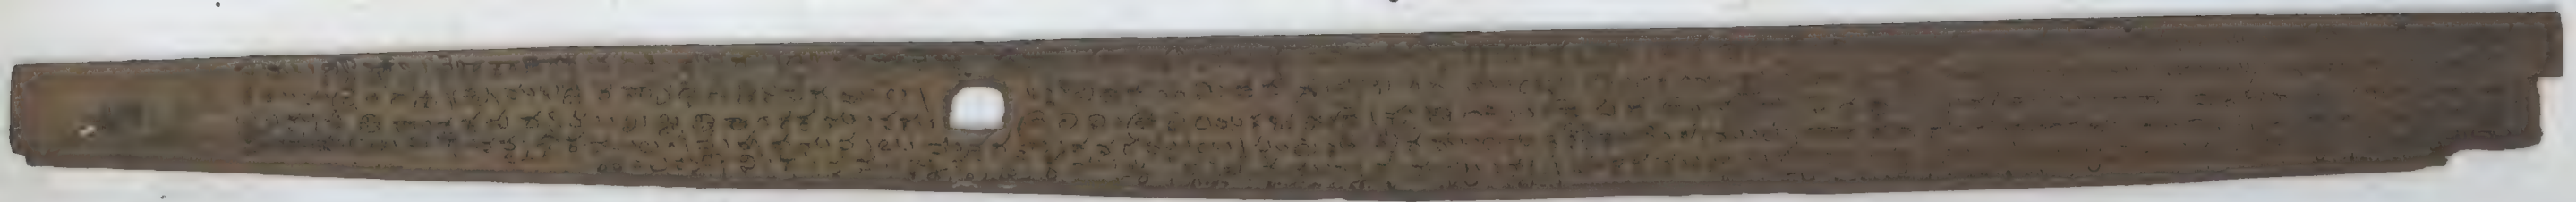

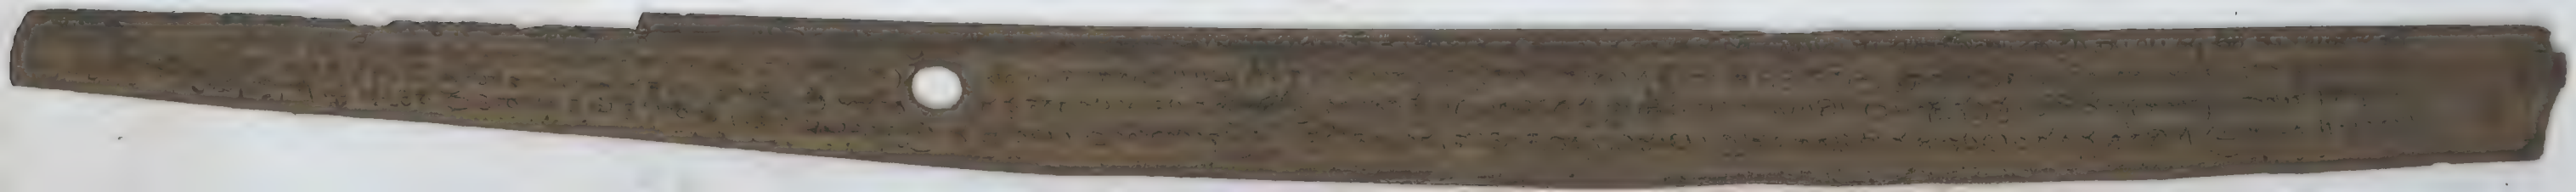

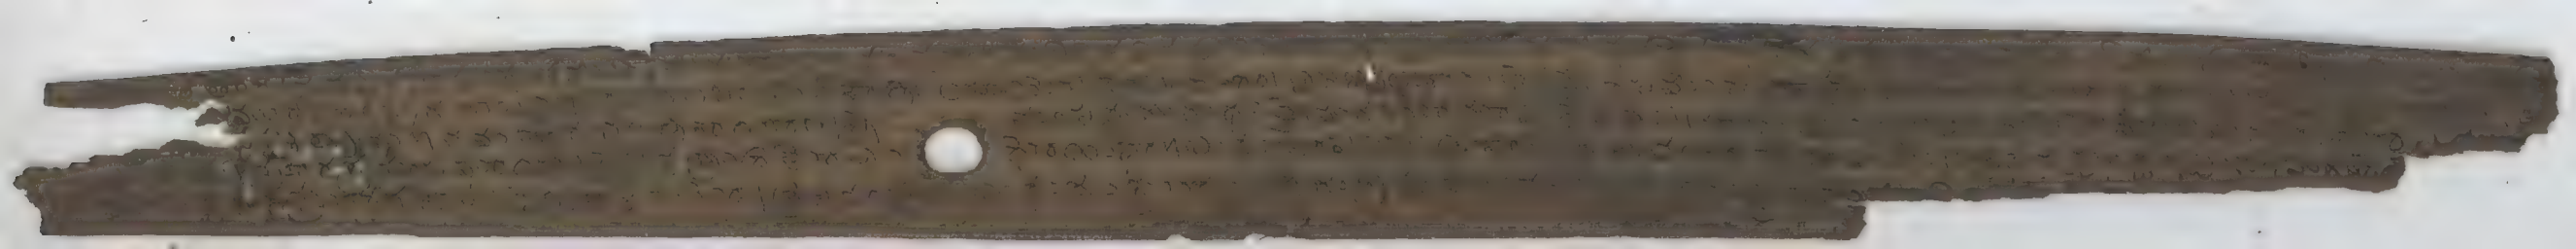

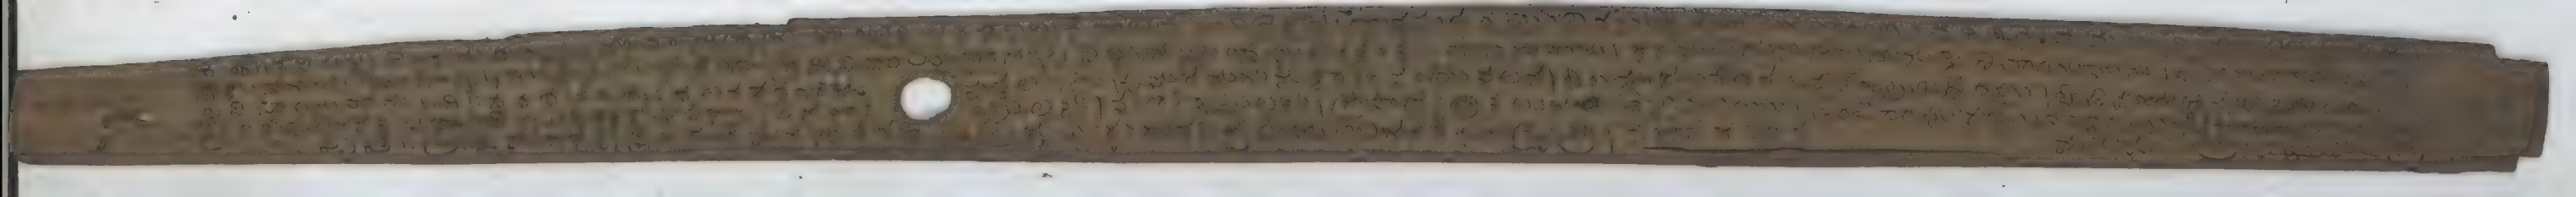

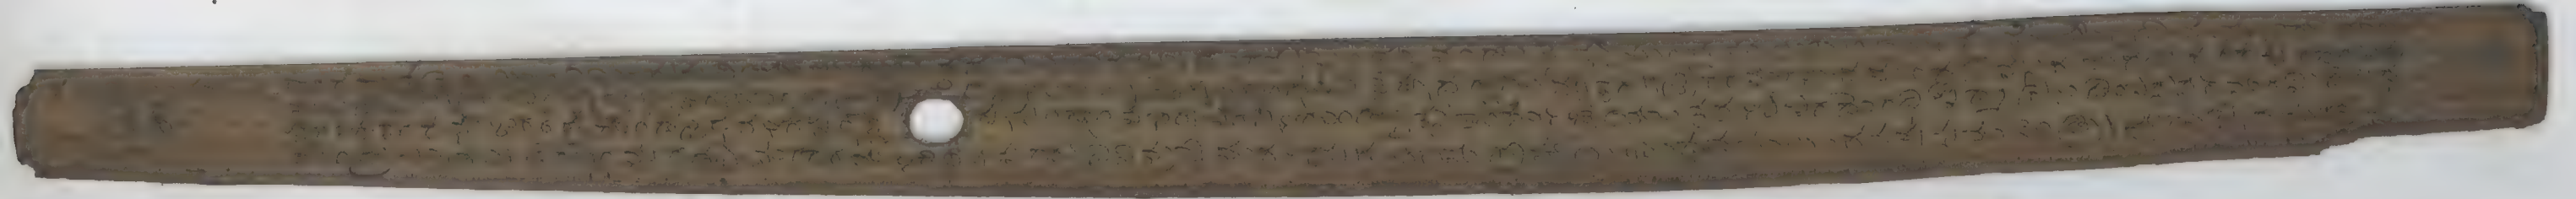

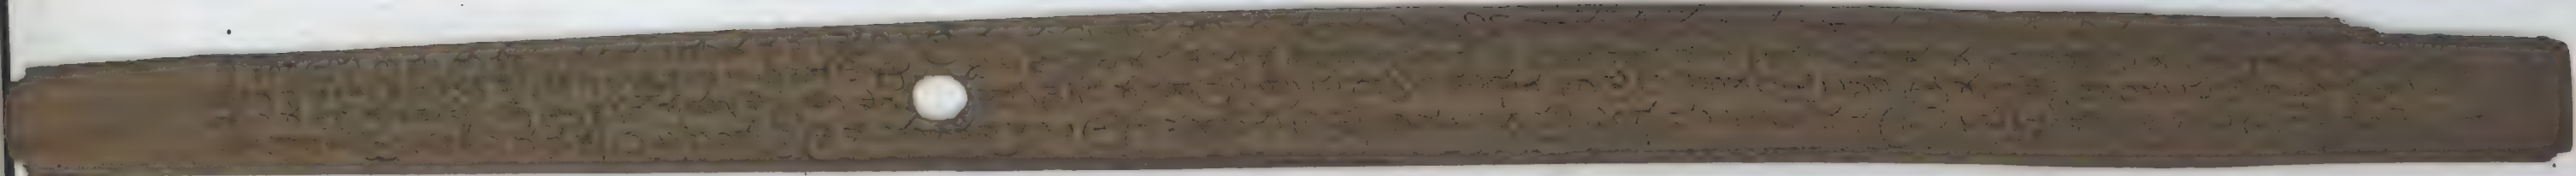

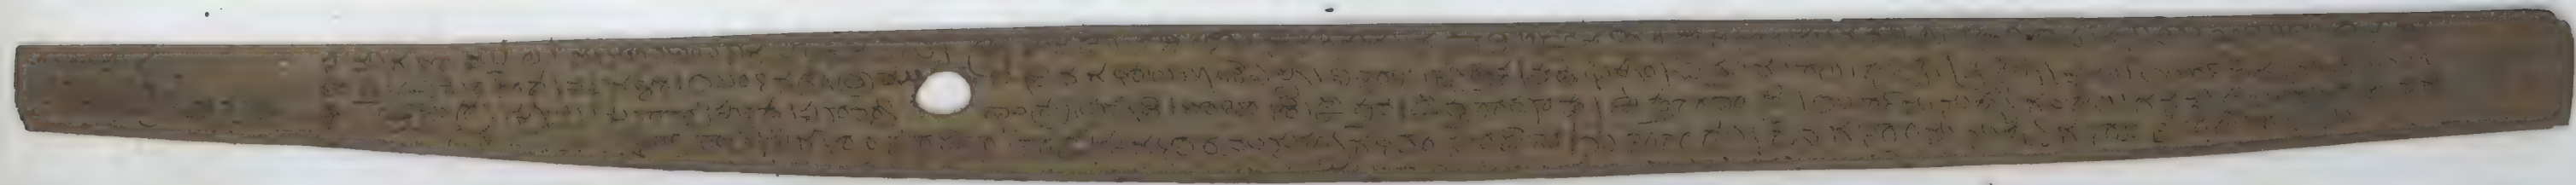

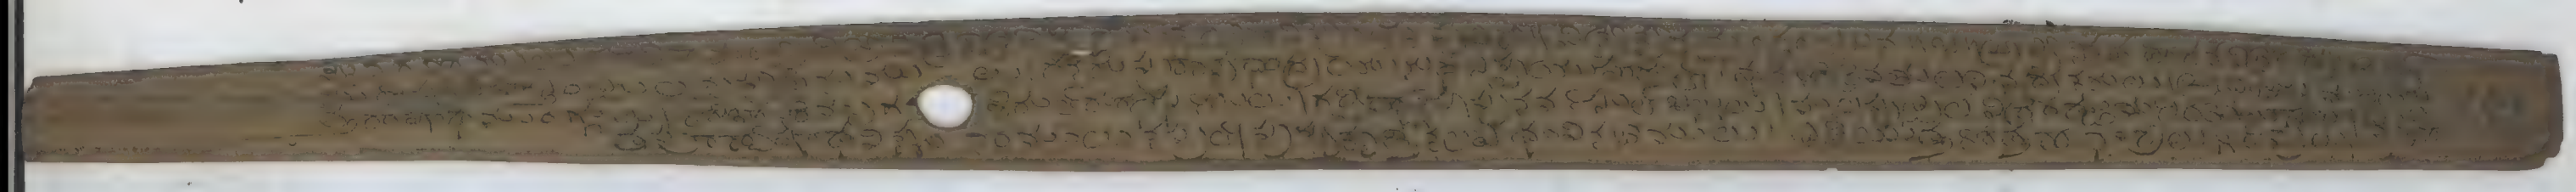

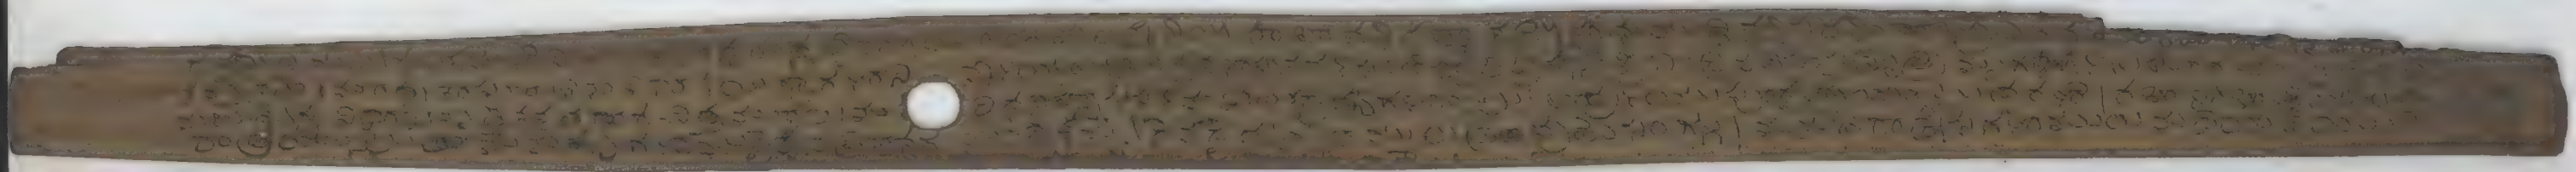

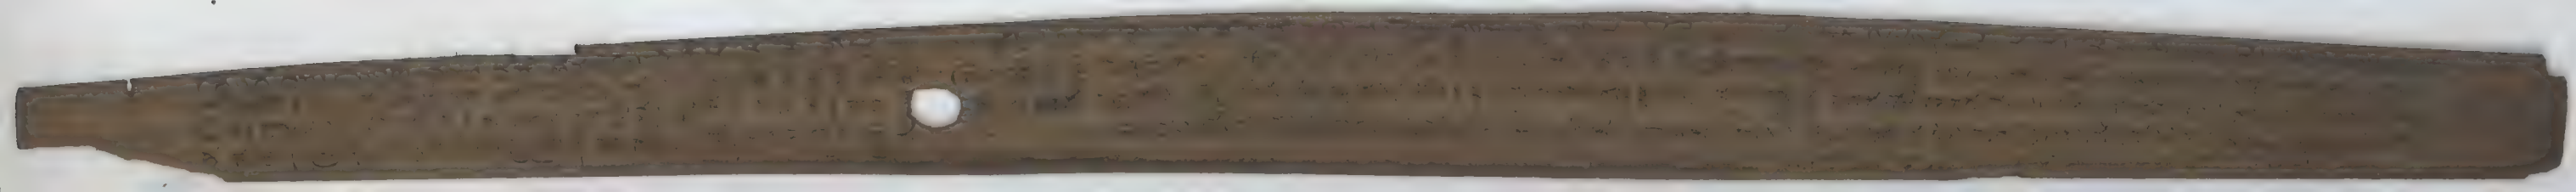

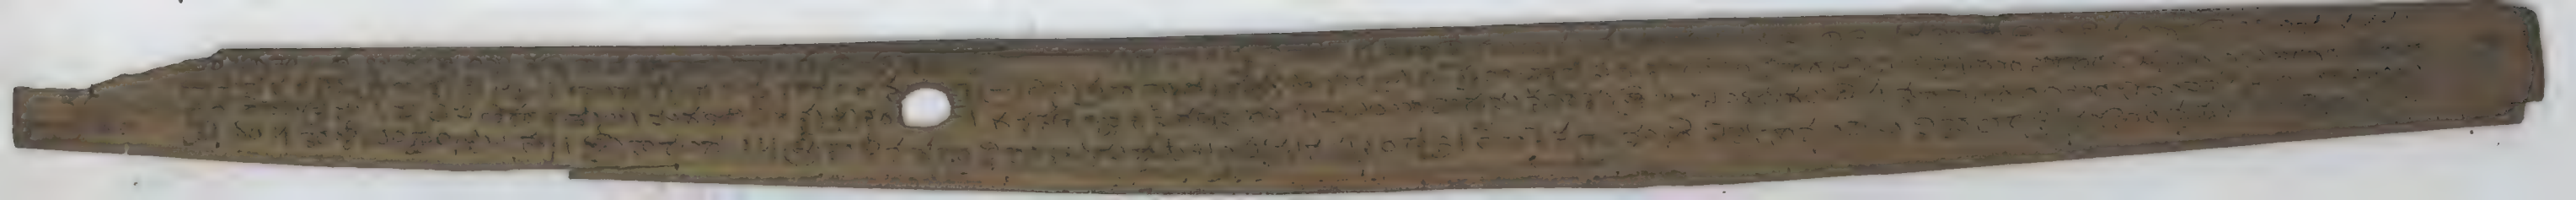

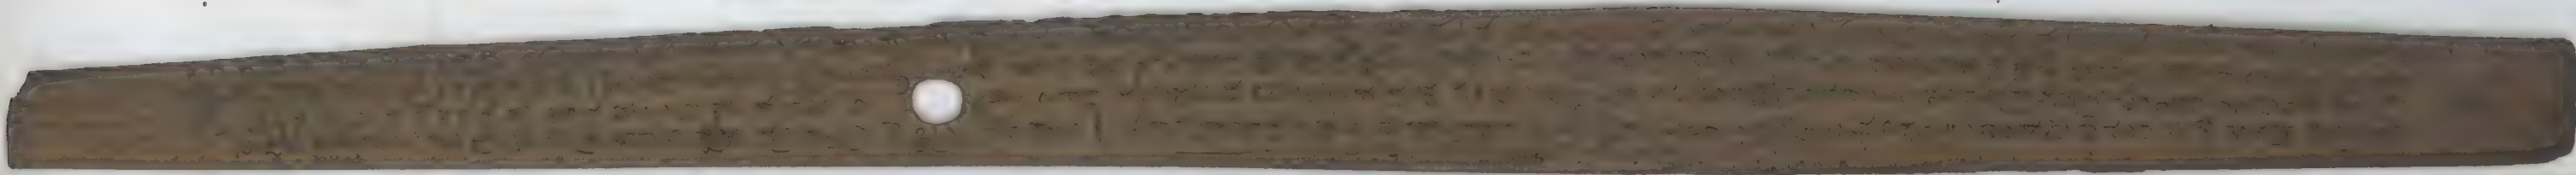

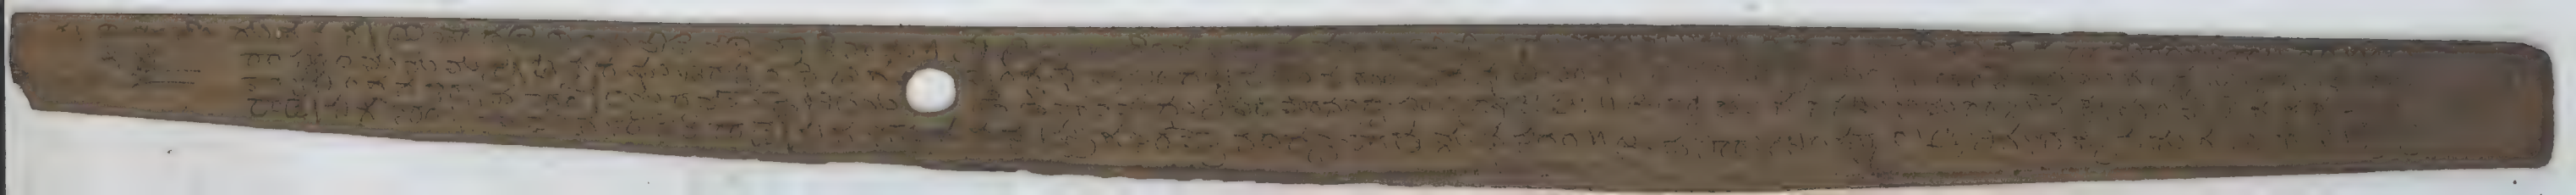

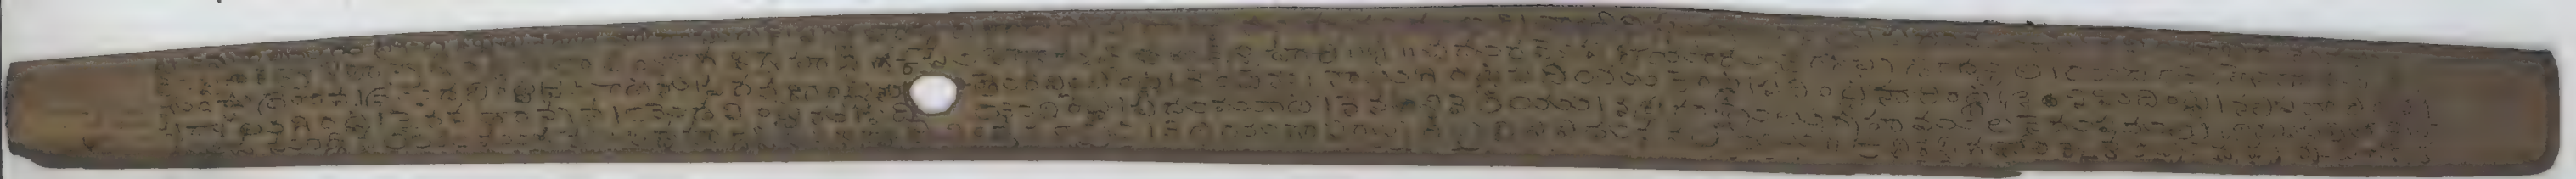

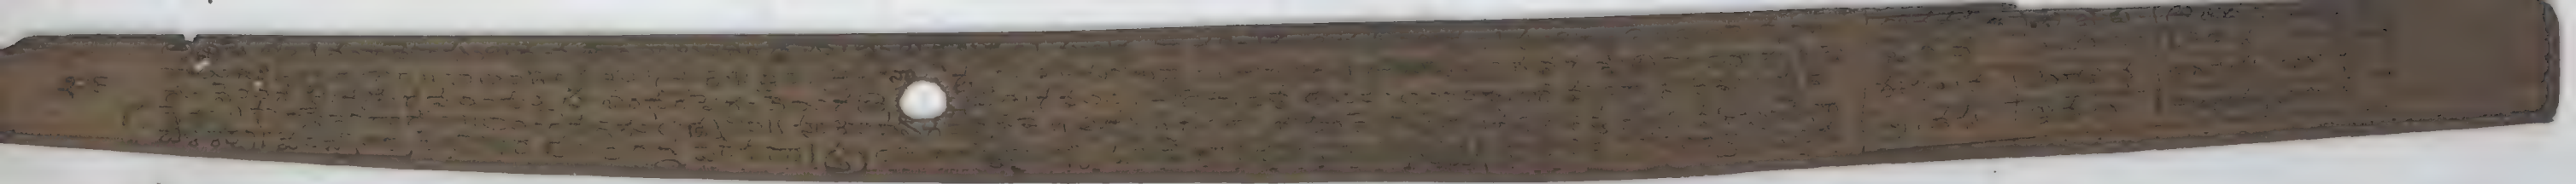

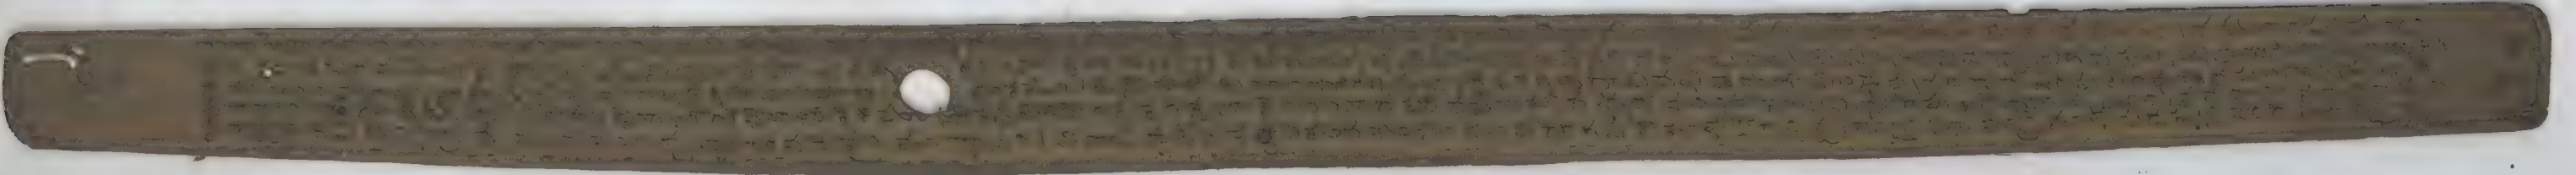

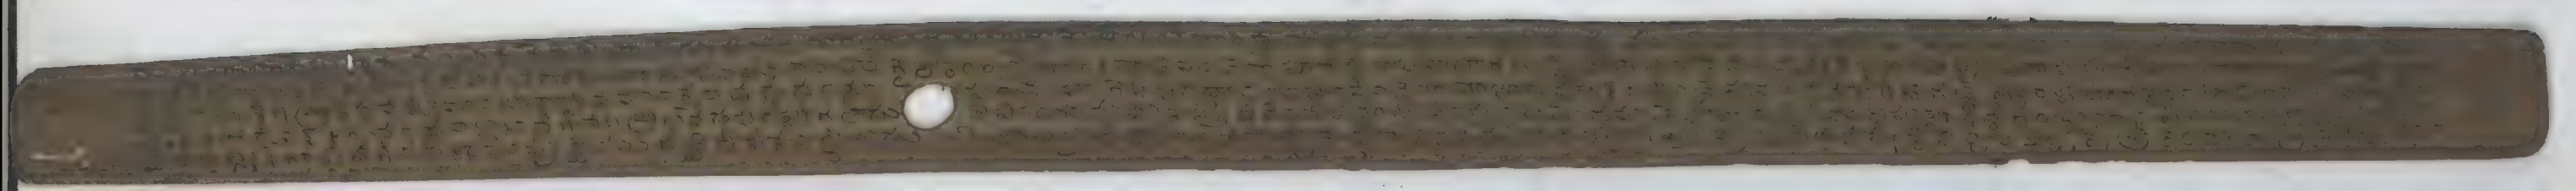

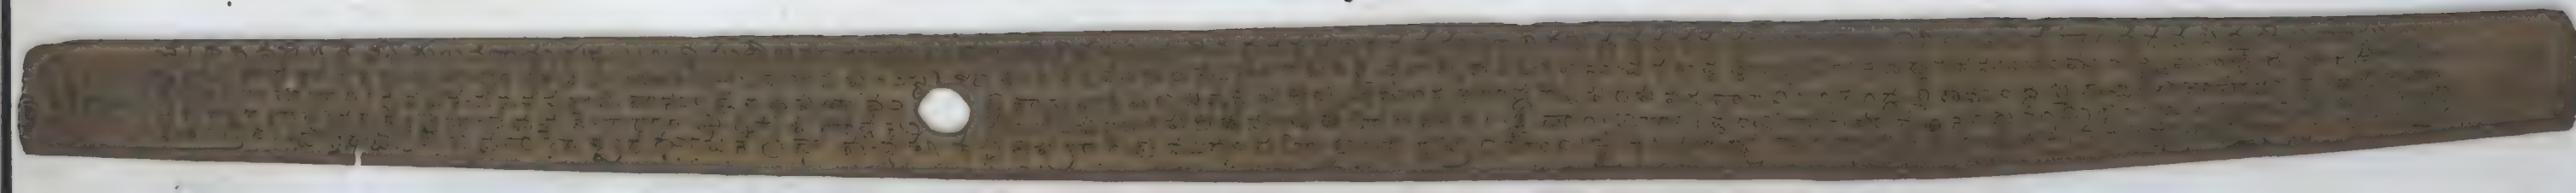

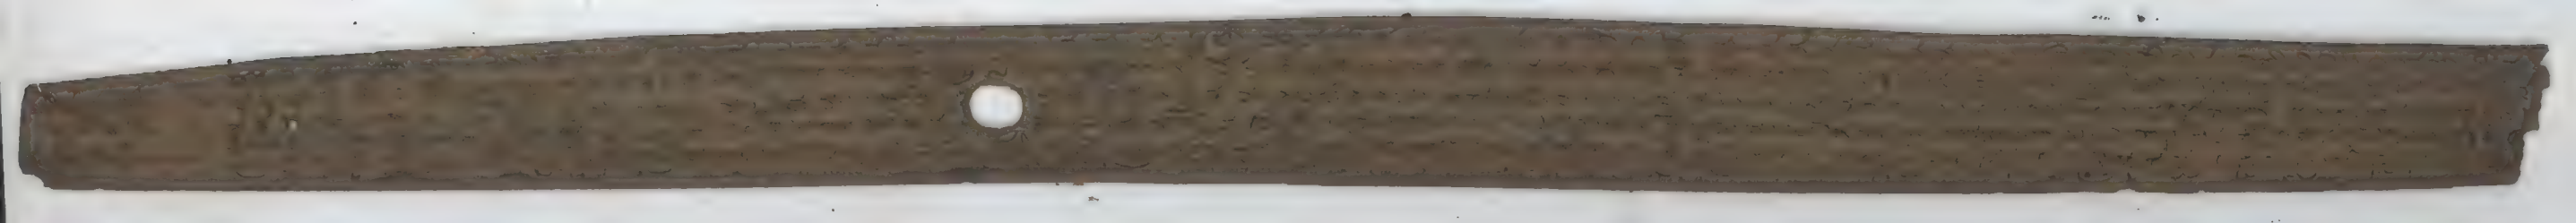

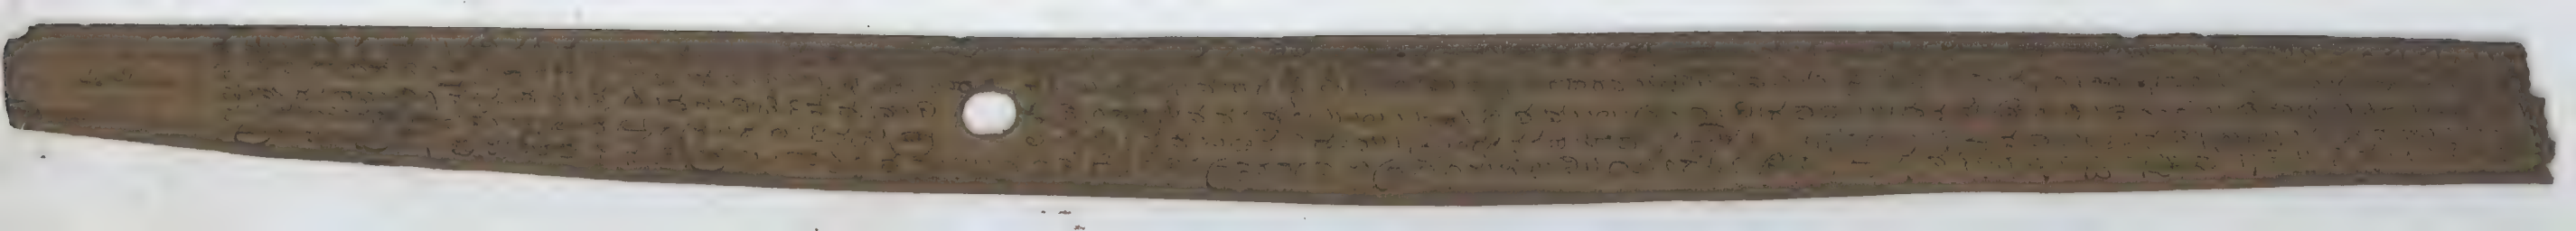

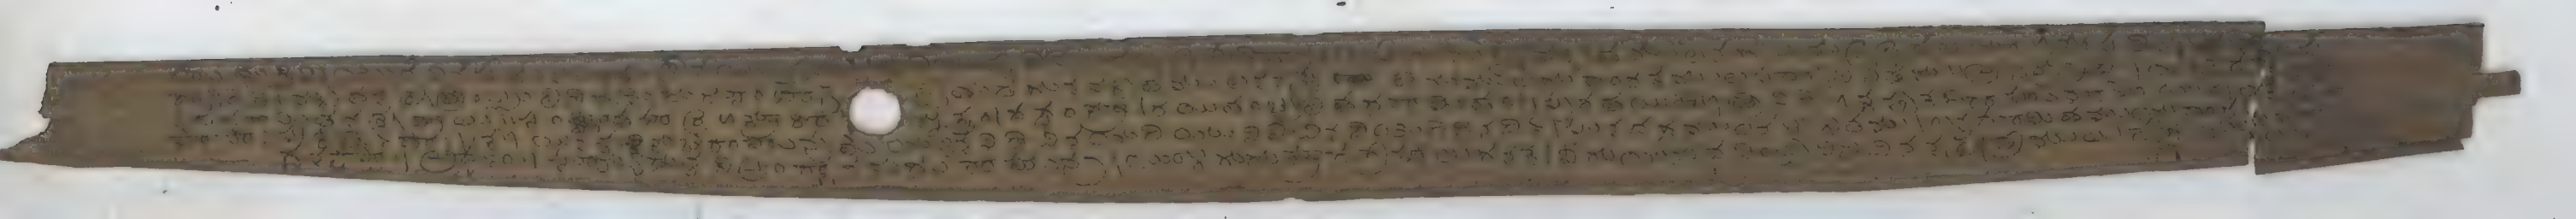

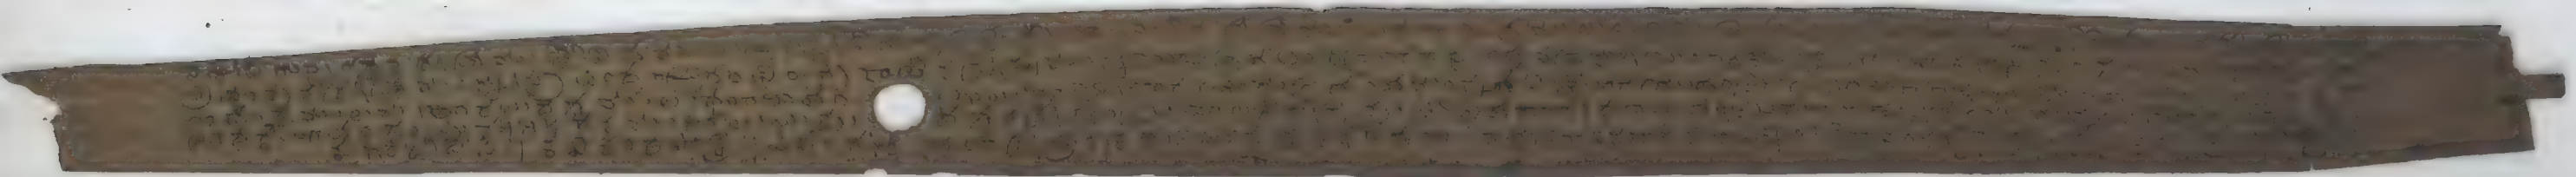

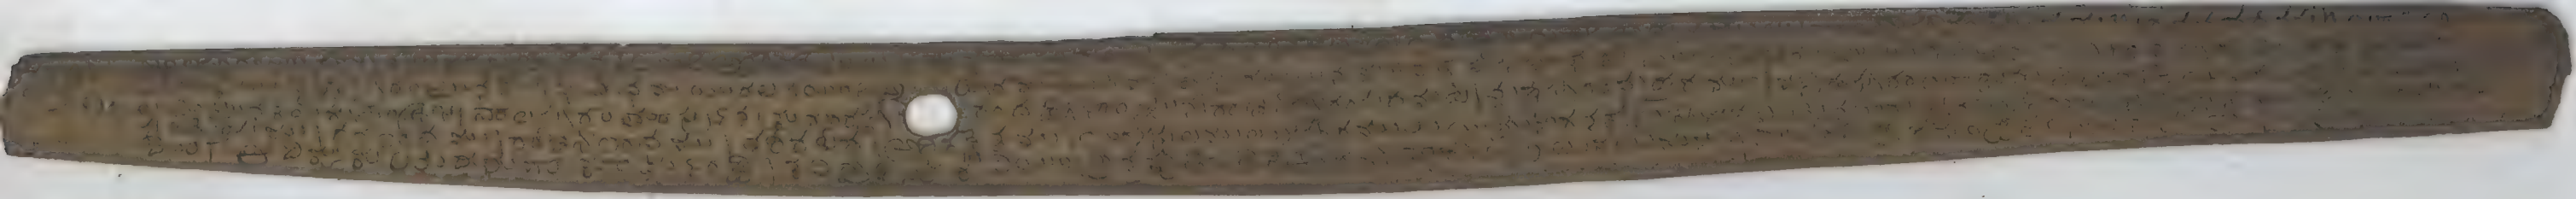

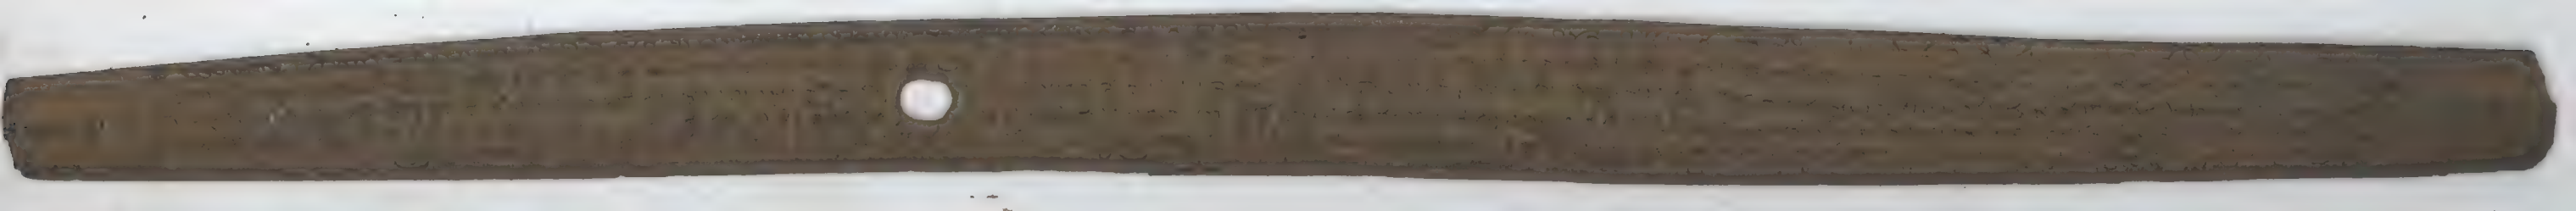

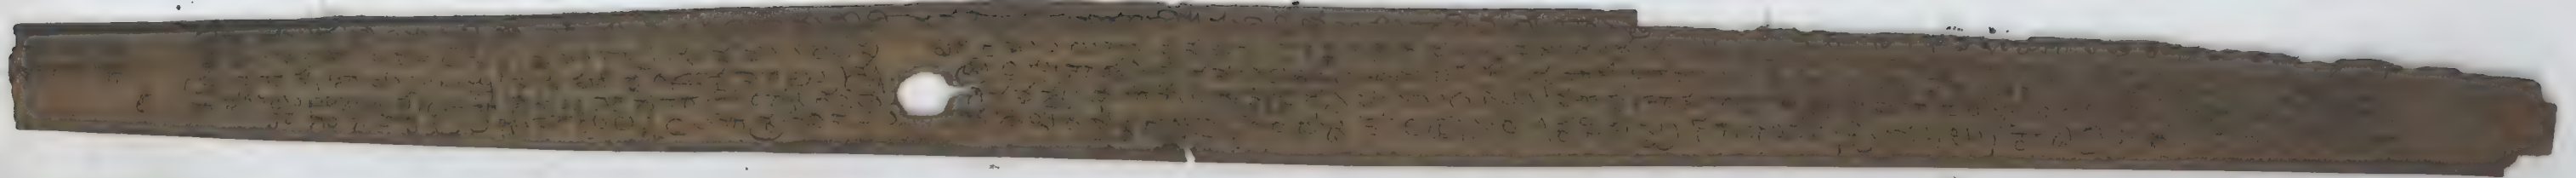

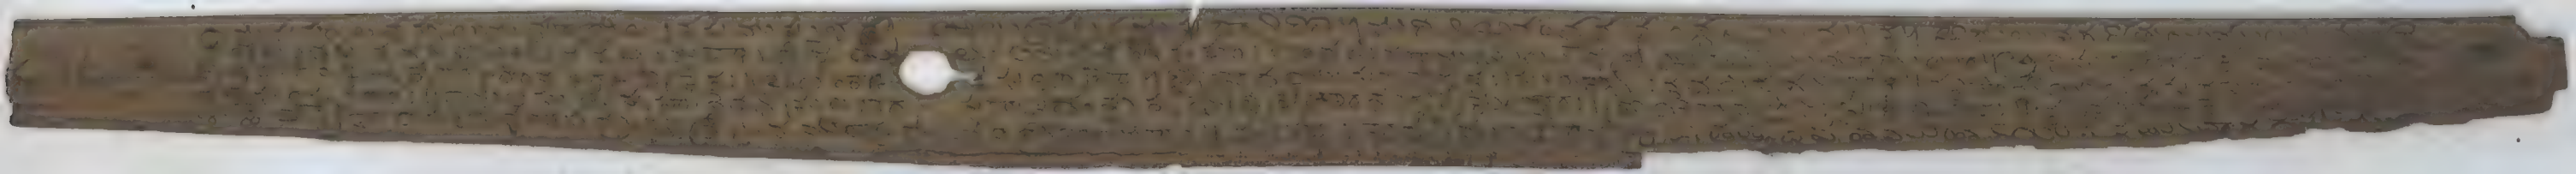

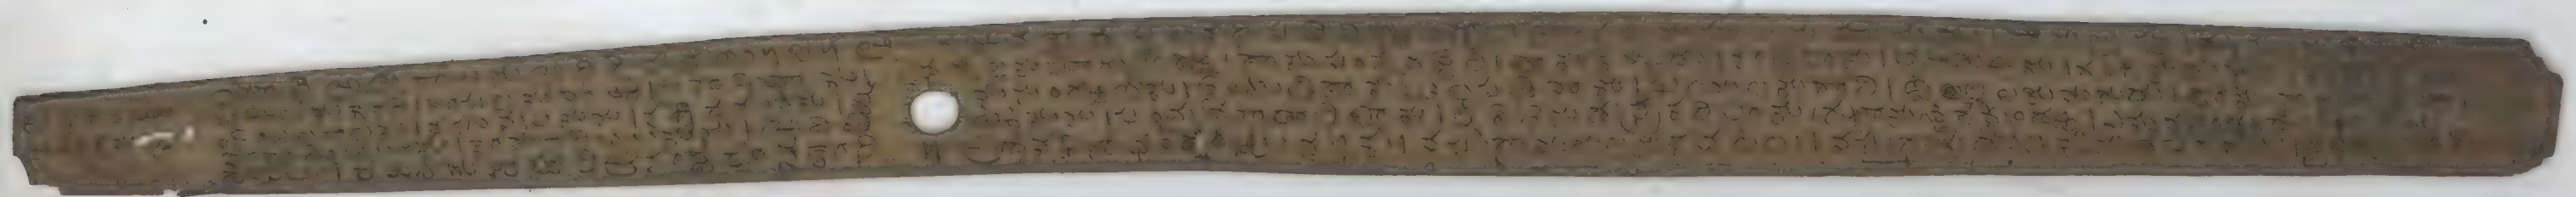

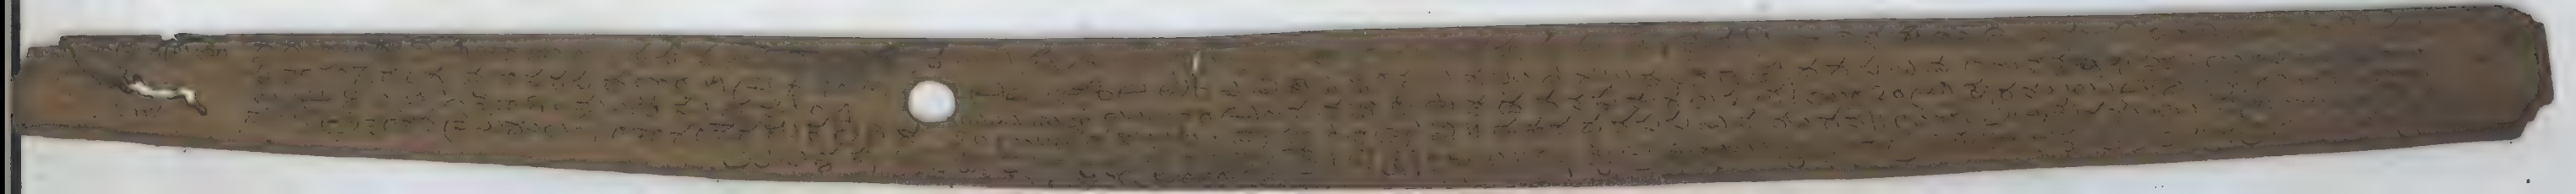

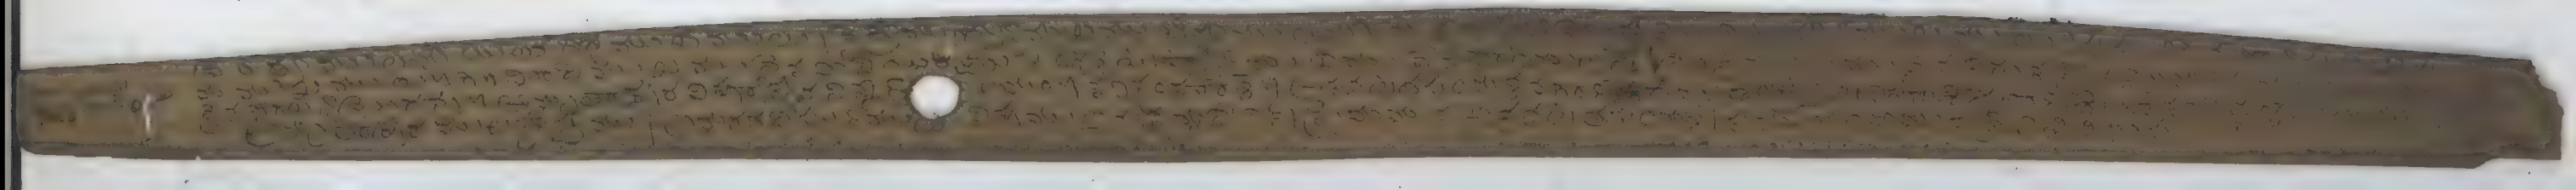

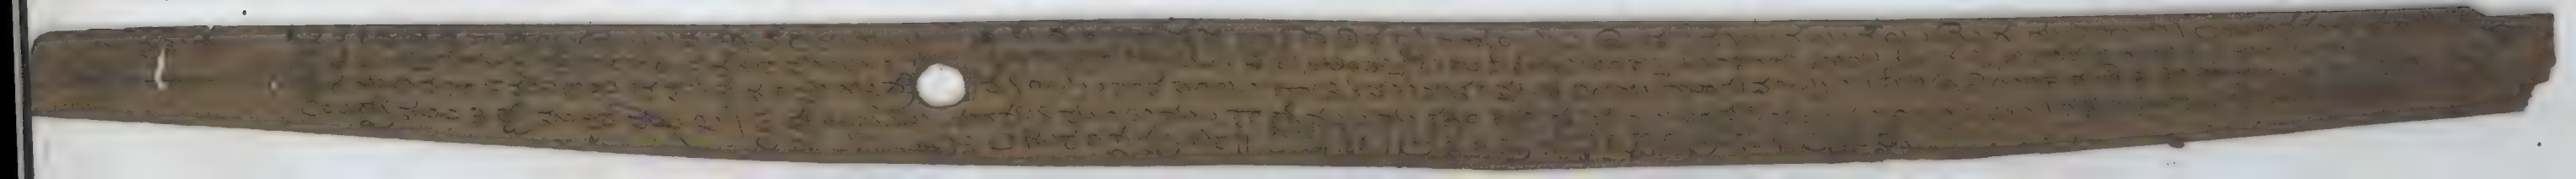

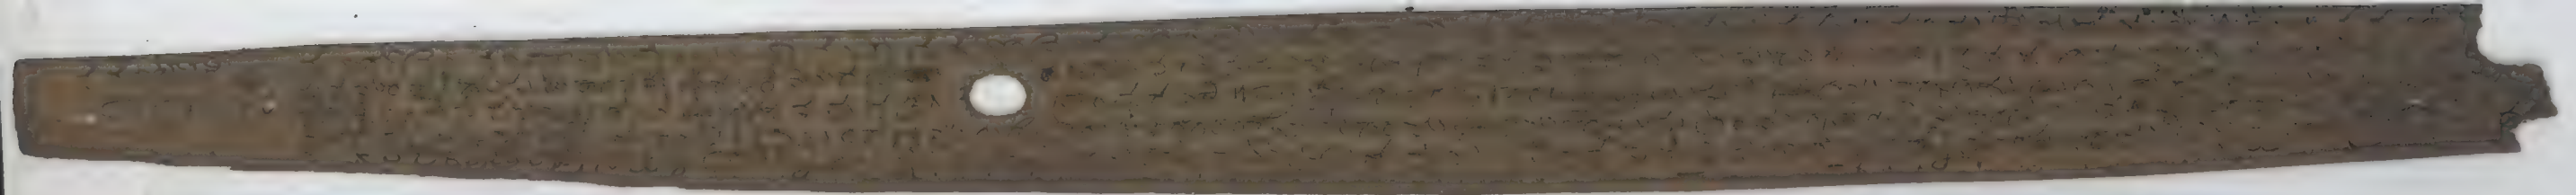

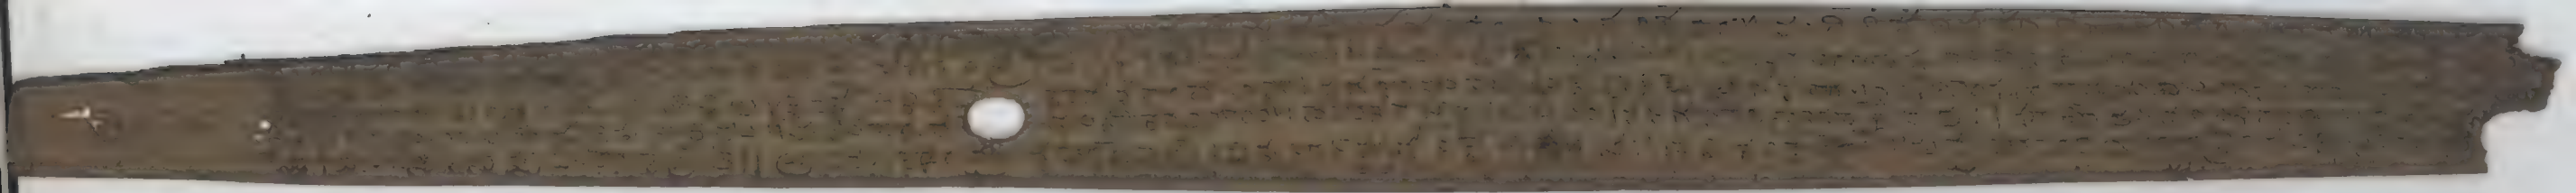

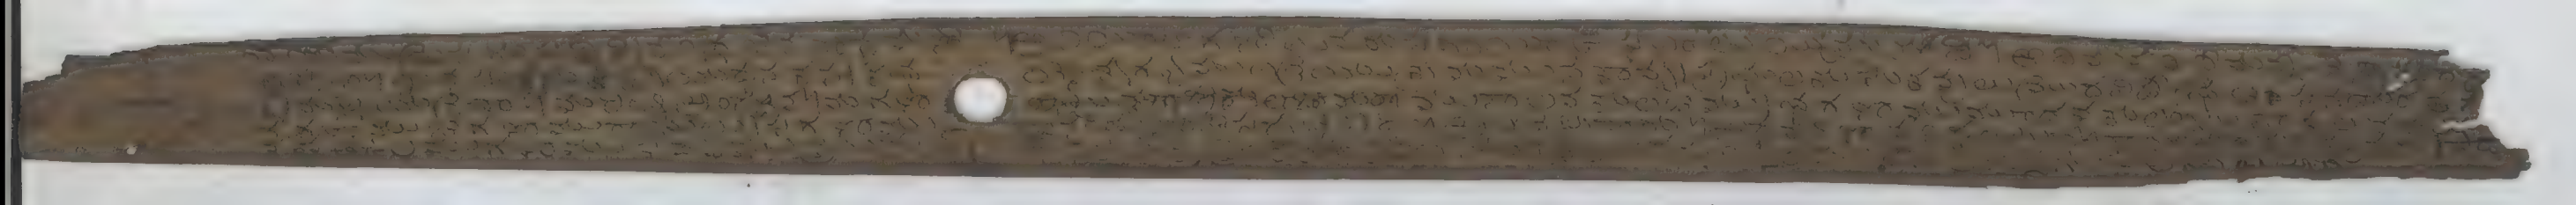

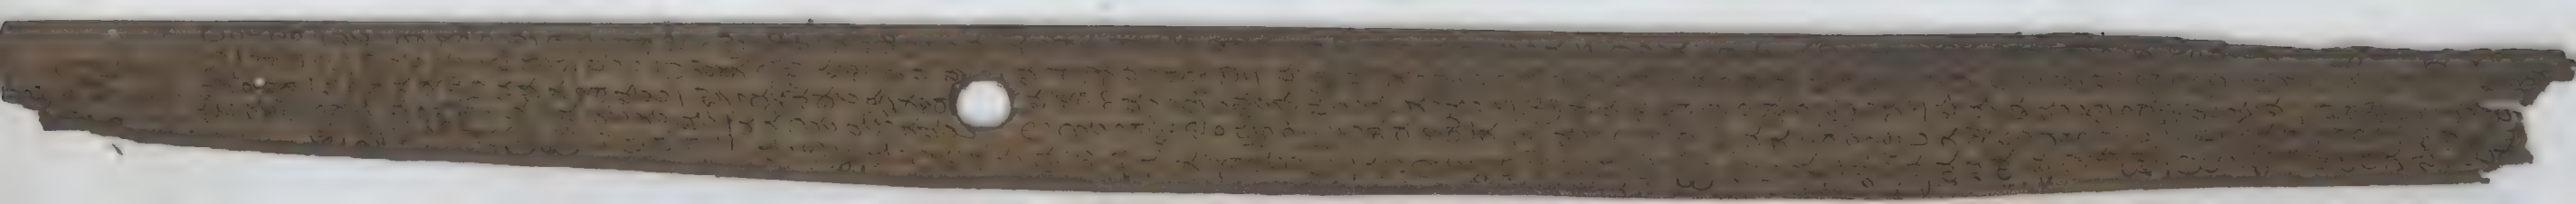

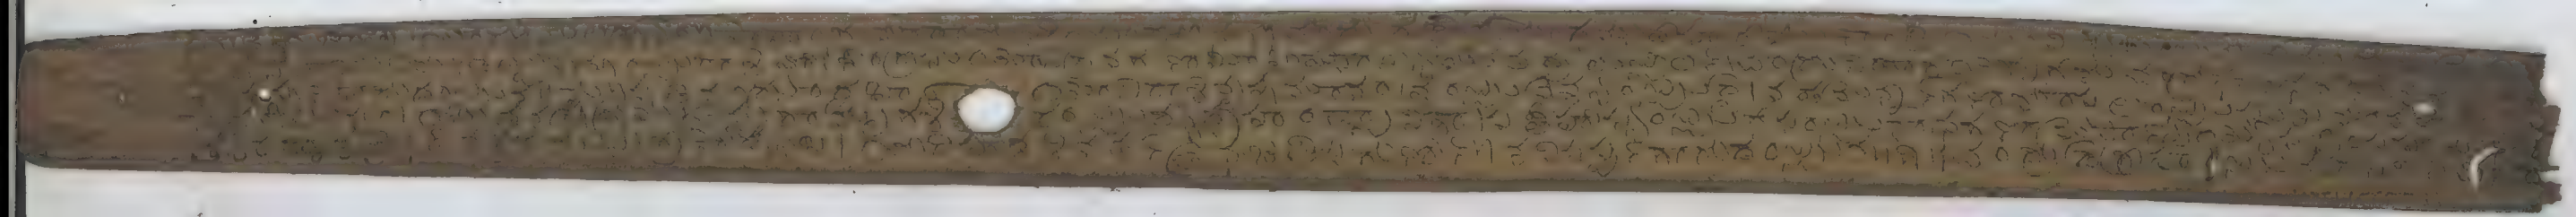

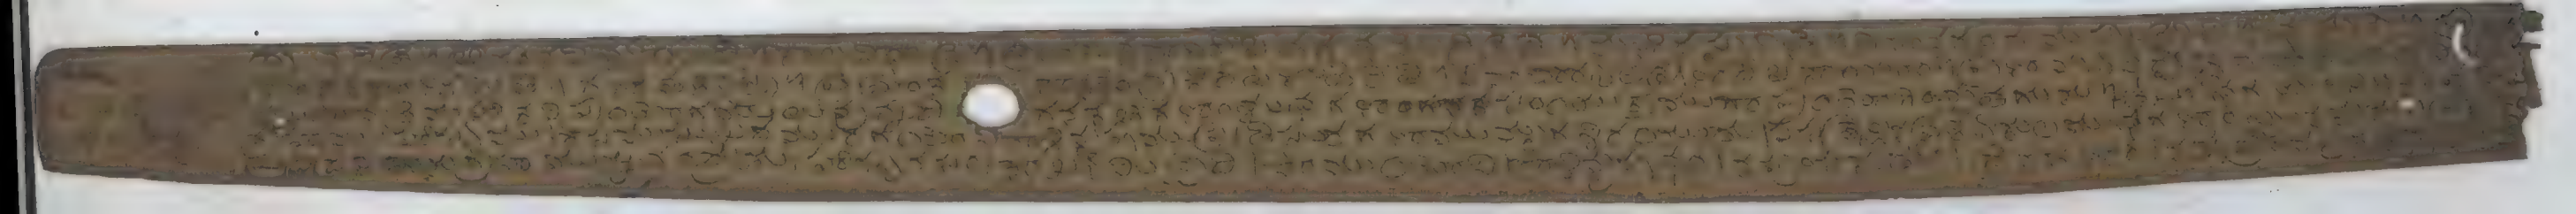

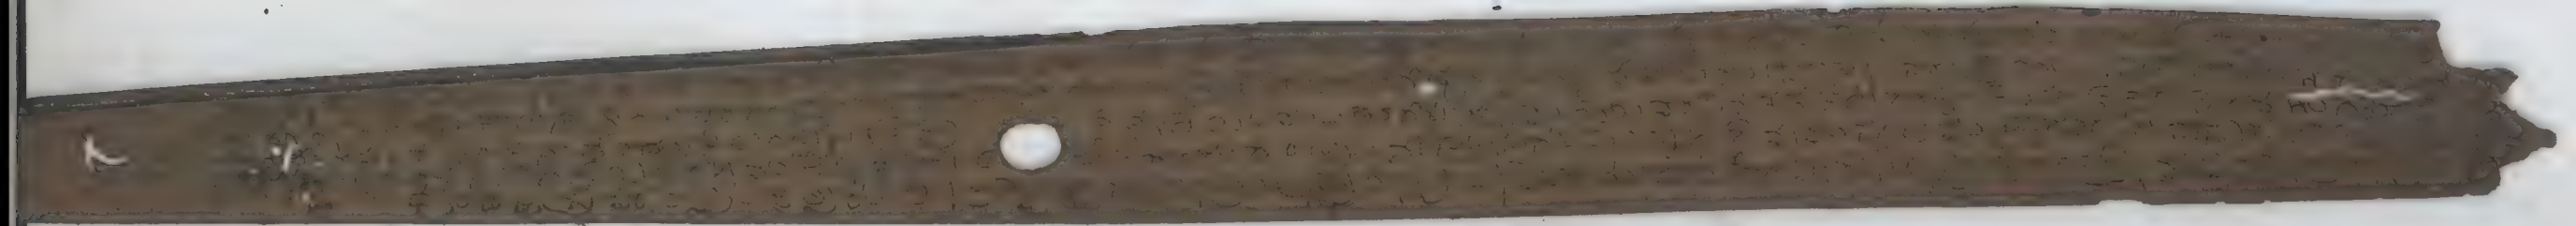

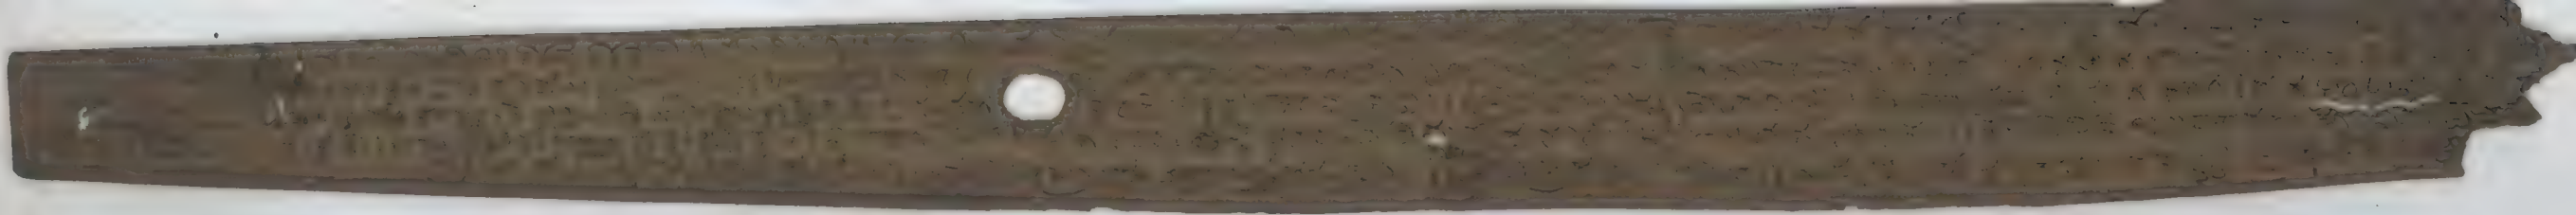

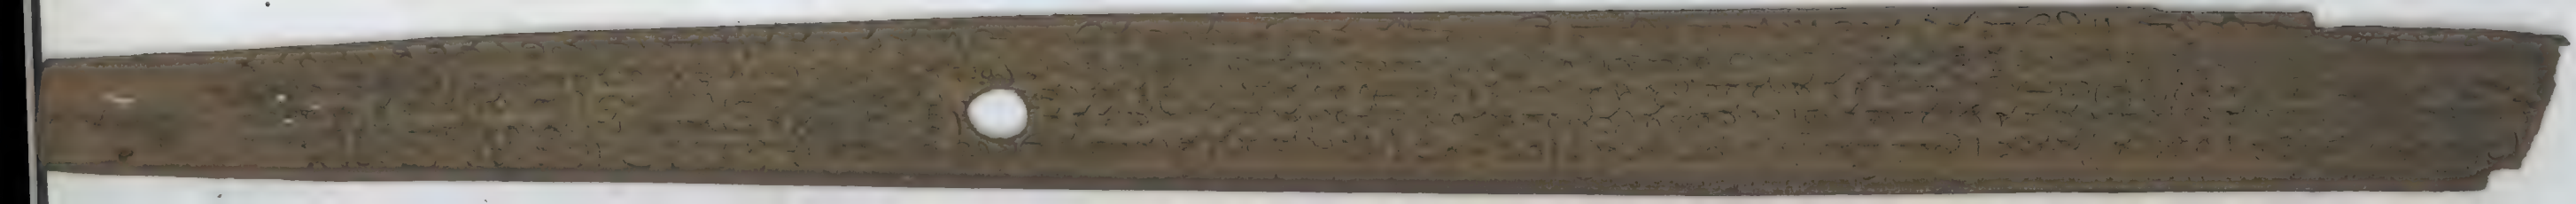

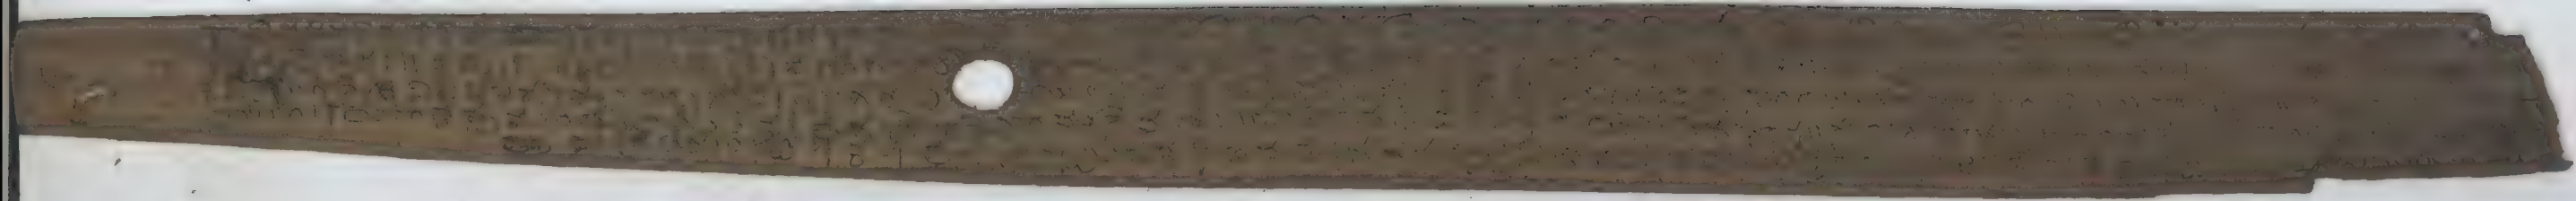

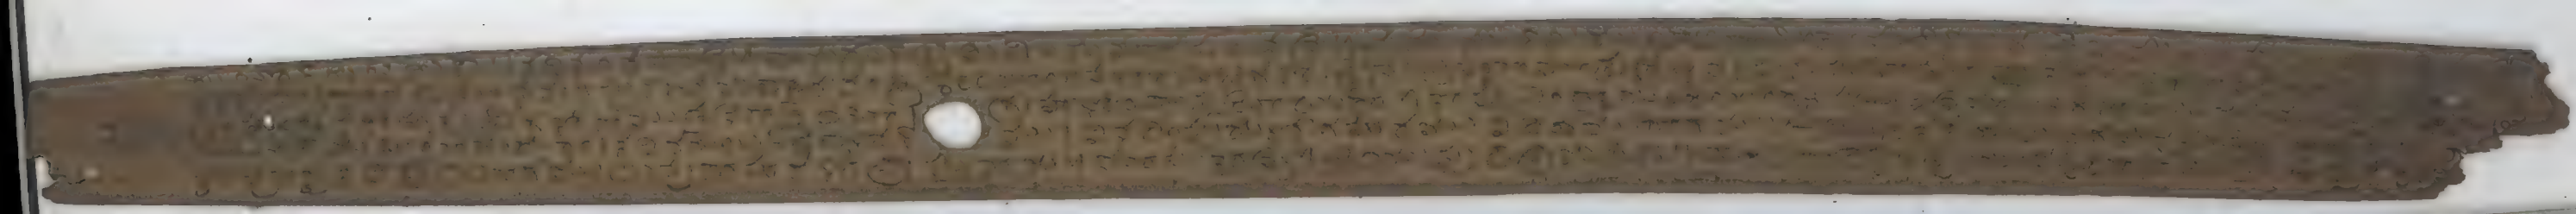

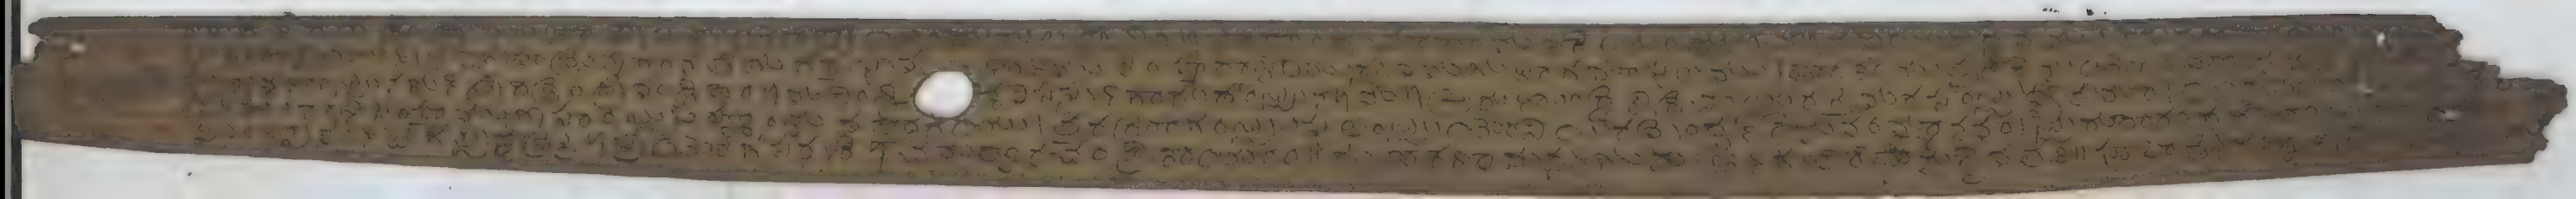

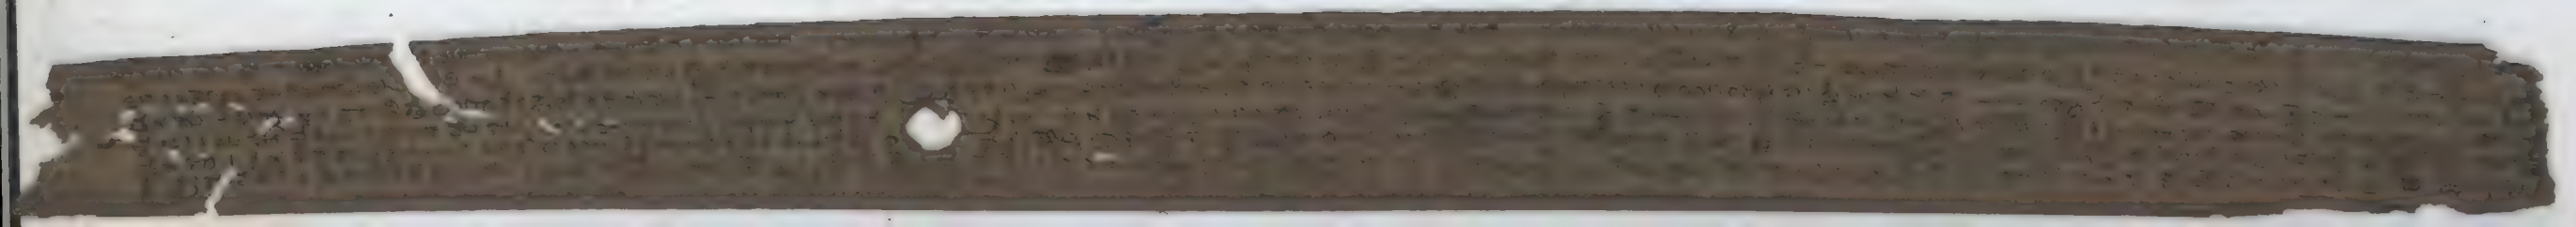

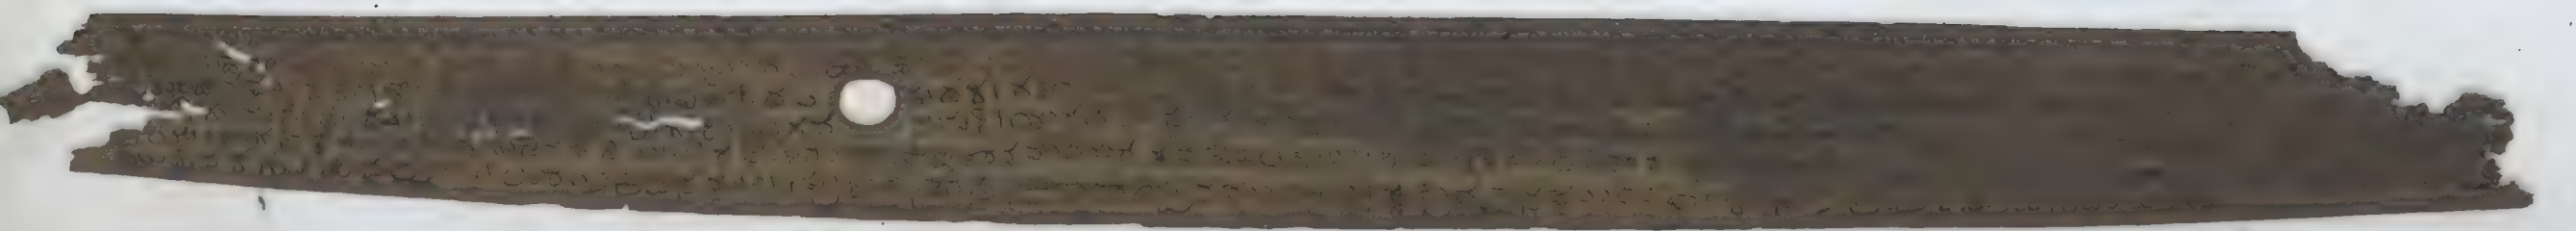

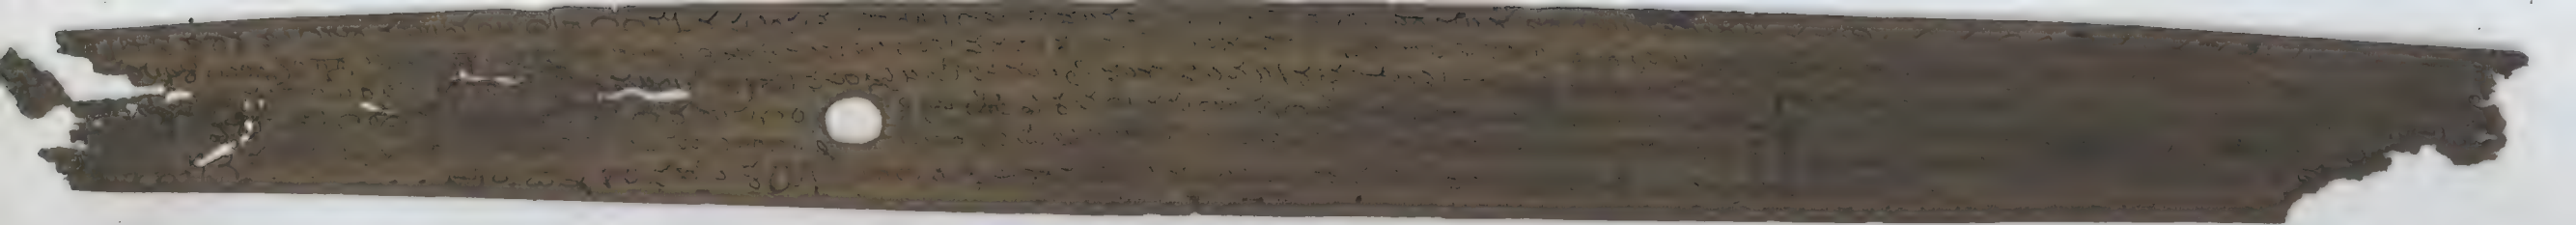

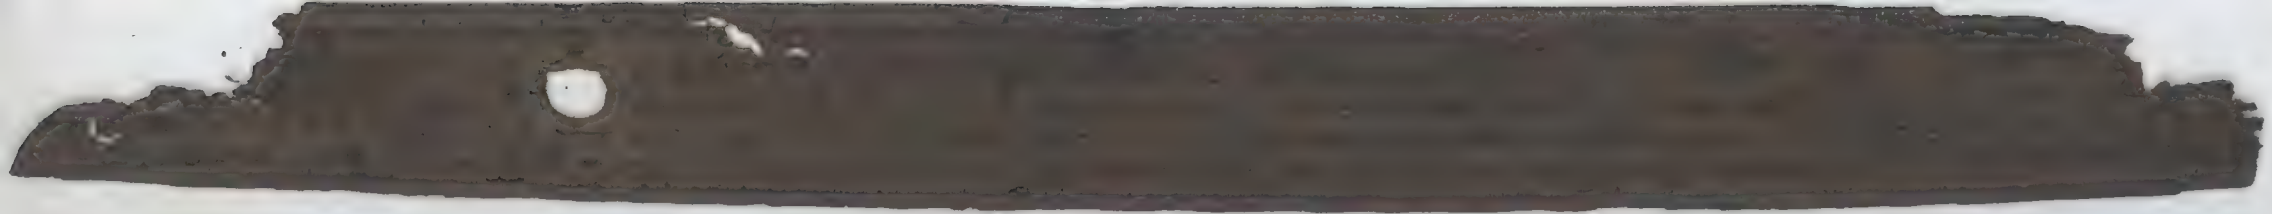

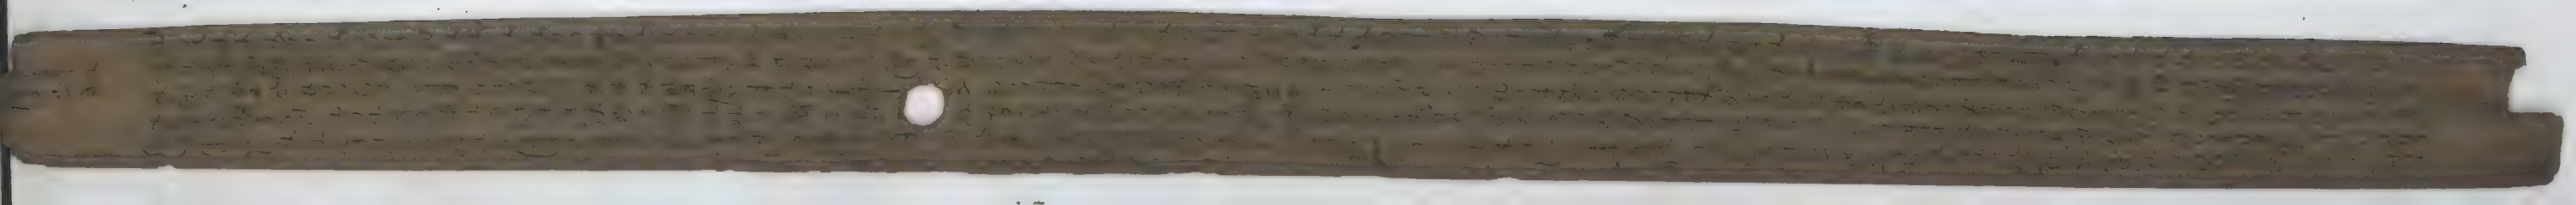

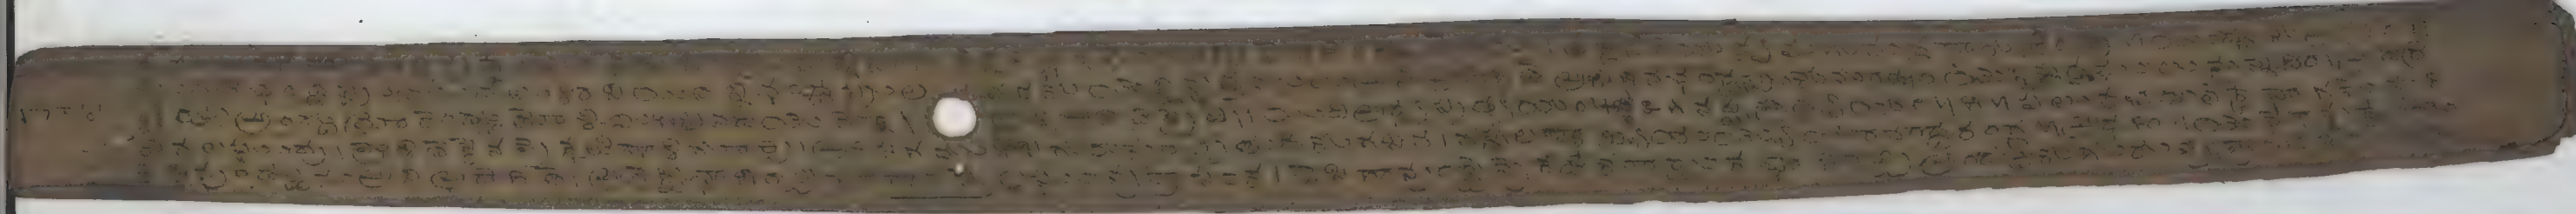

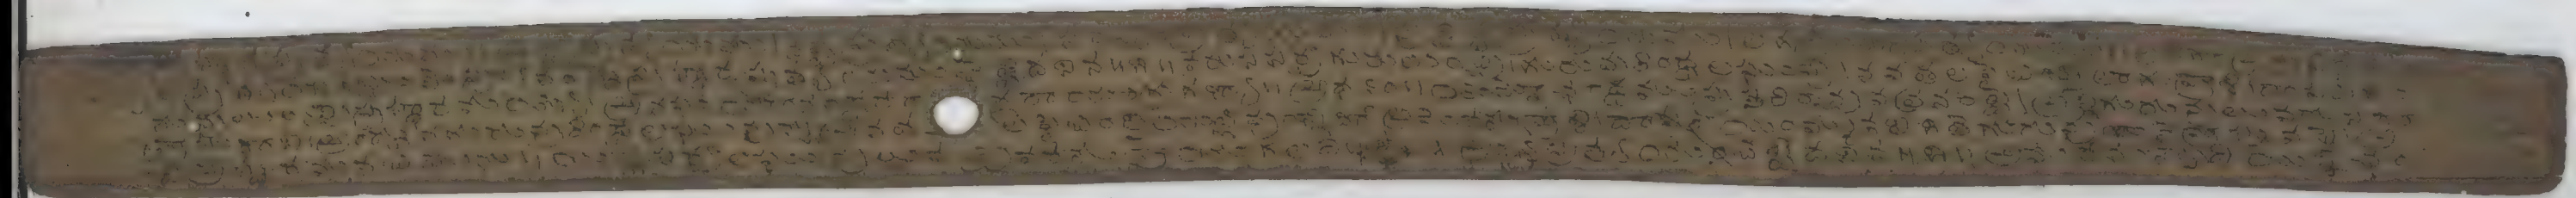

Handwritten text in a script, likely Devanagari, inscribed on a long, narrow, dark brown palm-leaf manuscript. The text is arranged in approximately 10 horizontal lines. A circular hole is visible near the center of the leaf, used for threading a cord to bind multiple leaves together. The script is finely etched into the surface of the leaf.

[illegible]

Handwritten text in a script, likely Devanagari, inscribed on a palm leaf. The text is arranged in a single line across the length of the leaf. A circular hole is visible near the center, used for threading a cord to bind multiple leaves together. The script is finely etched into the surface of the dried leaf.

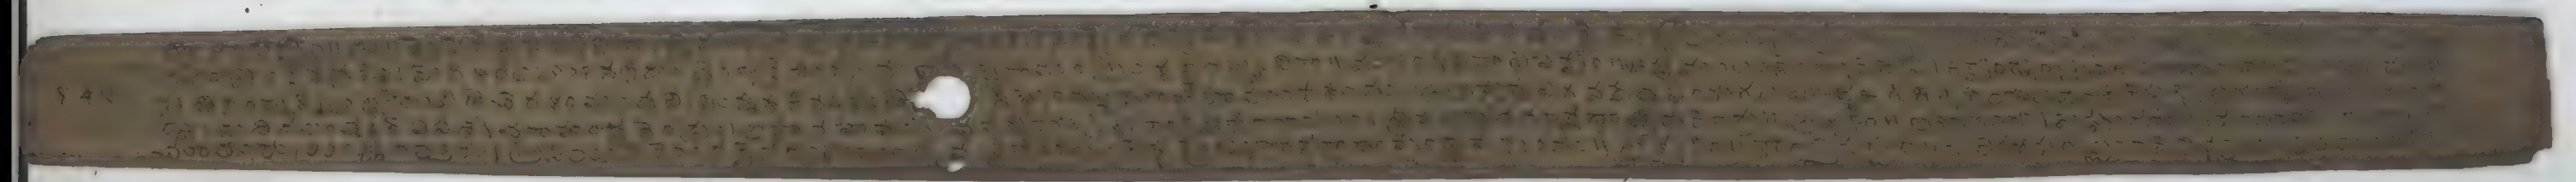

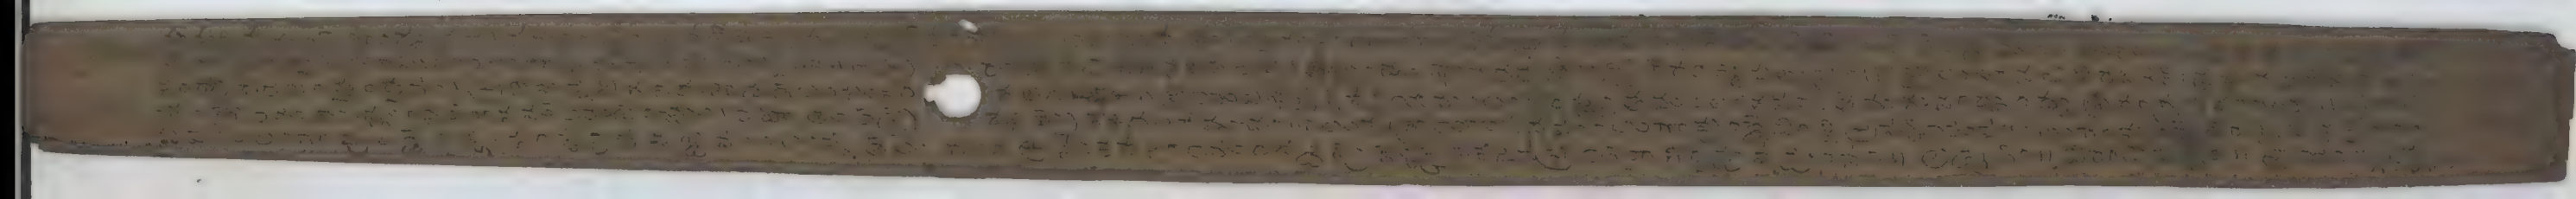

[illegible]

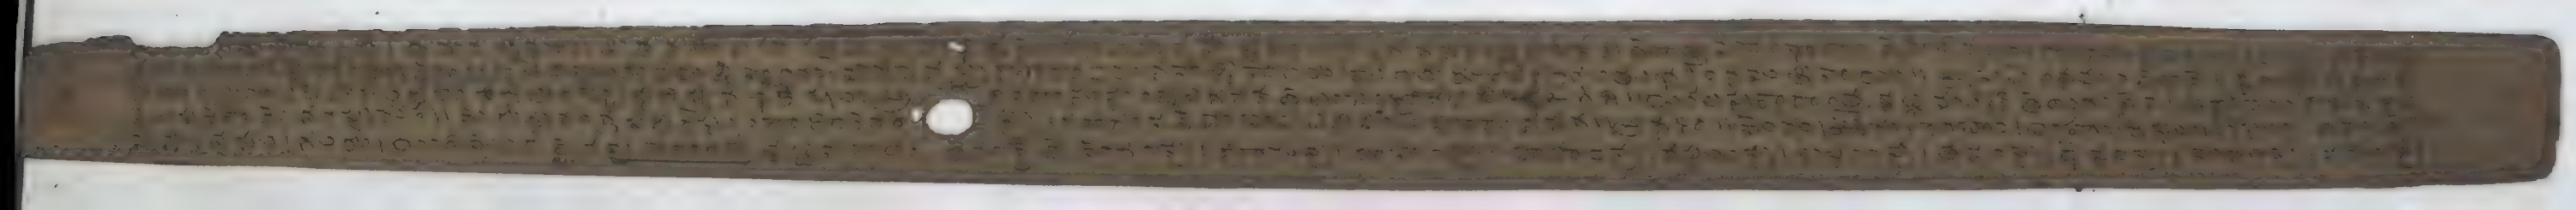

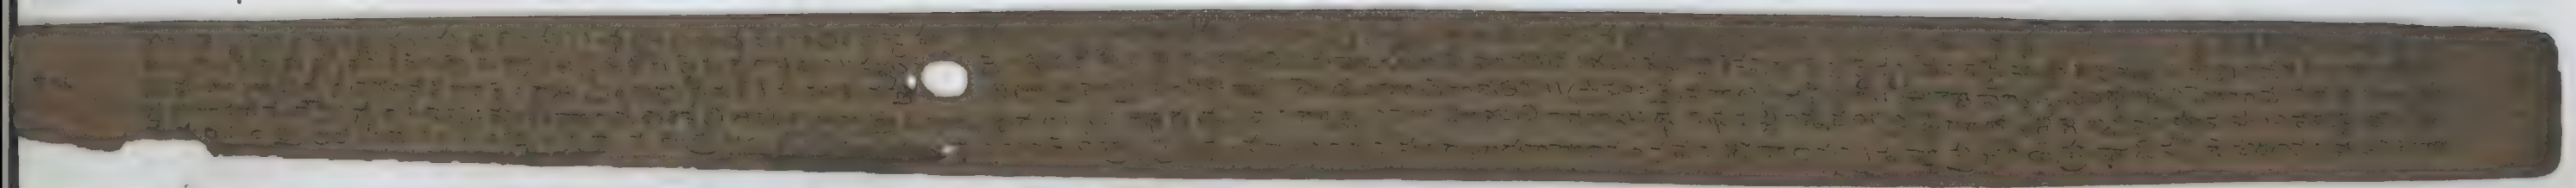

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a long, narrow strip of paper or parchment, which is heavily stained and discolored. The script is dense and fills most of the strip. A small, circular hole is visible near the left end of the strip.

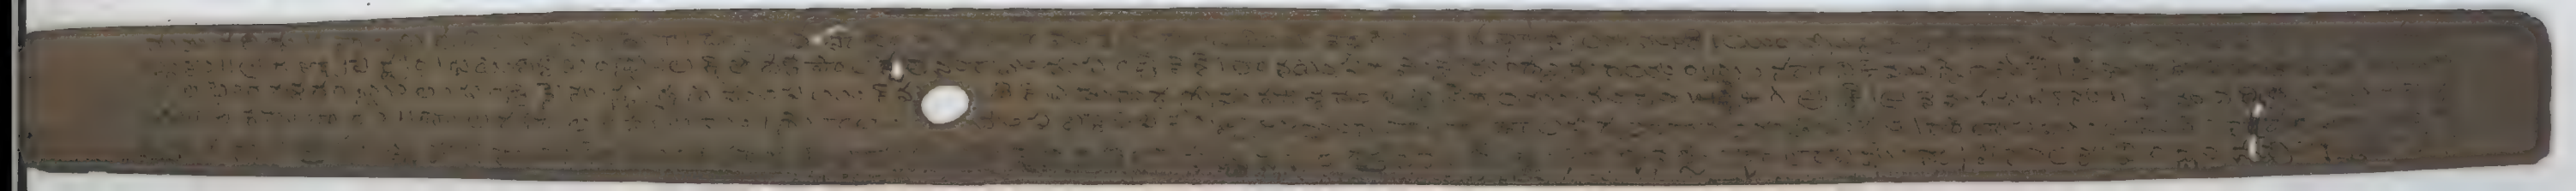

[illegible]

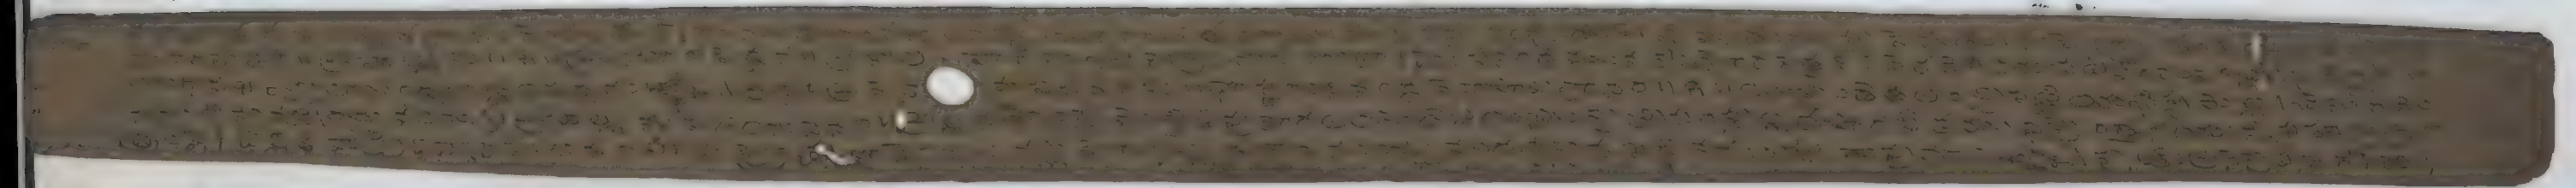

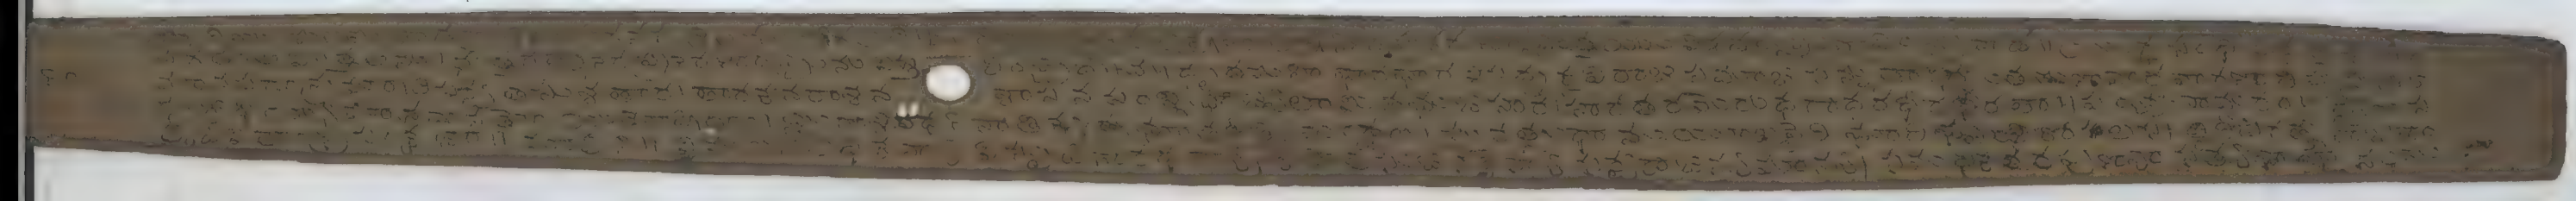

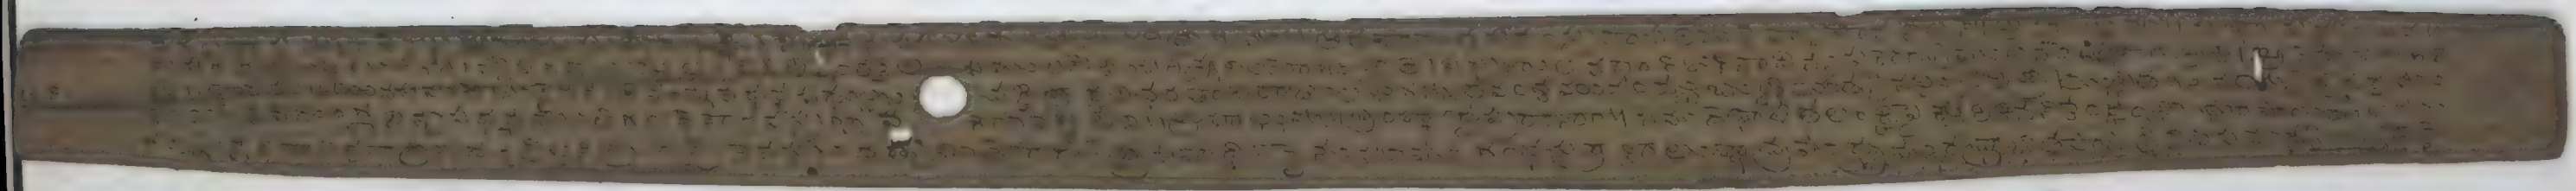

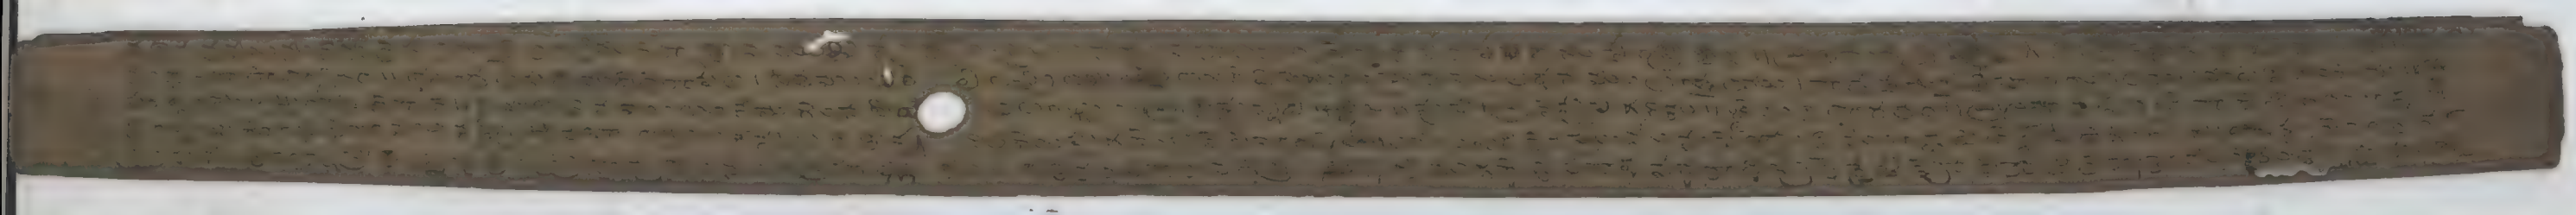

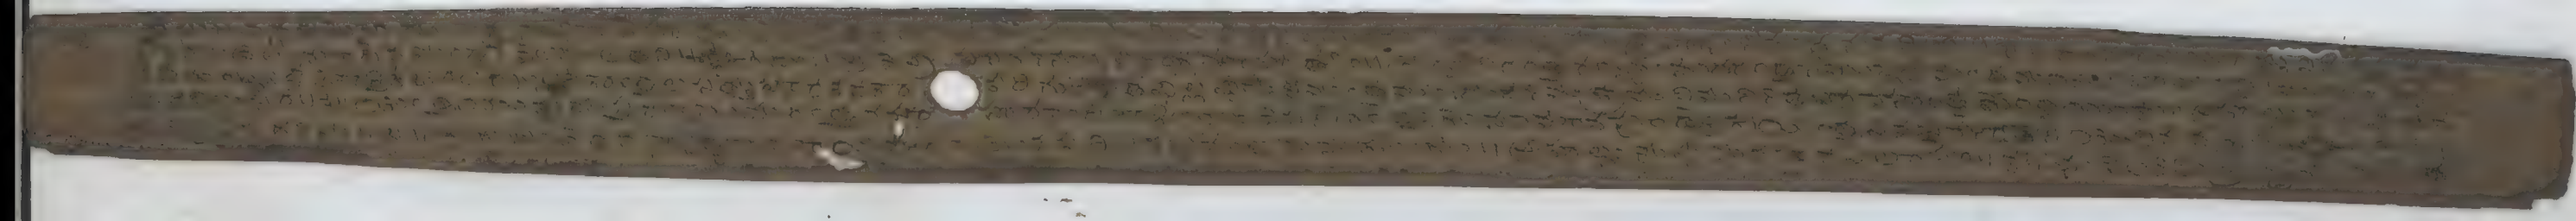

Handwritten text in Devanagari script on a palm leaf manuscript. The text is written in a single line across the length of the leaf. A circular hole is visible near the center, used for binding multiple leaves together. The script is cursive and appears to be a form of Marathi or a related language.

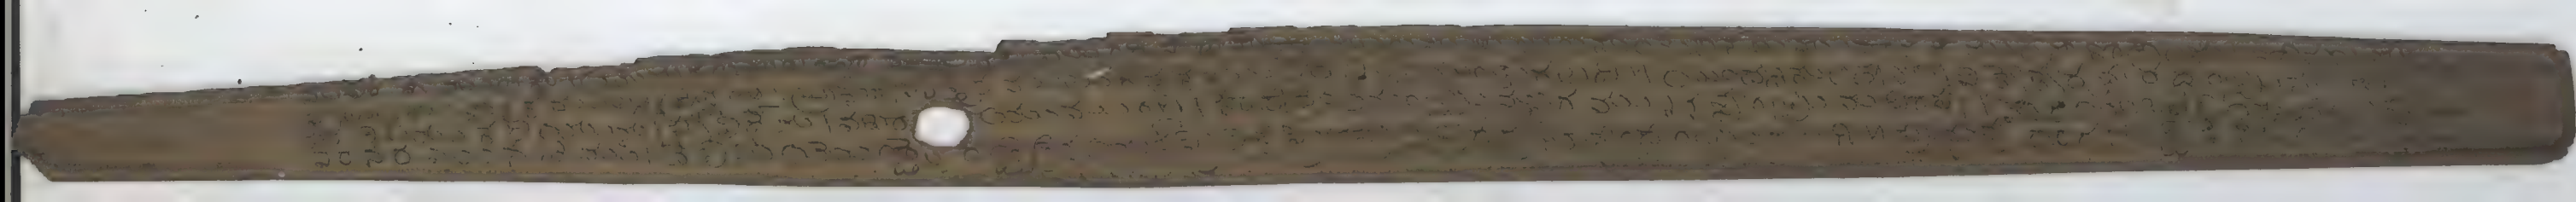

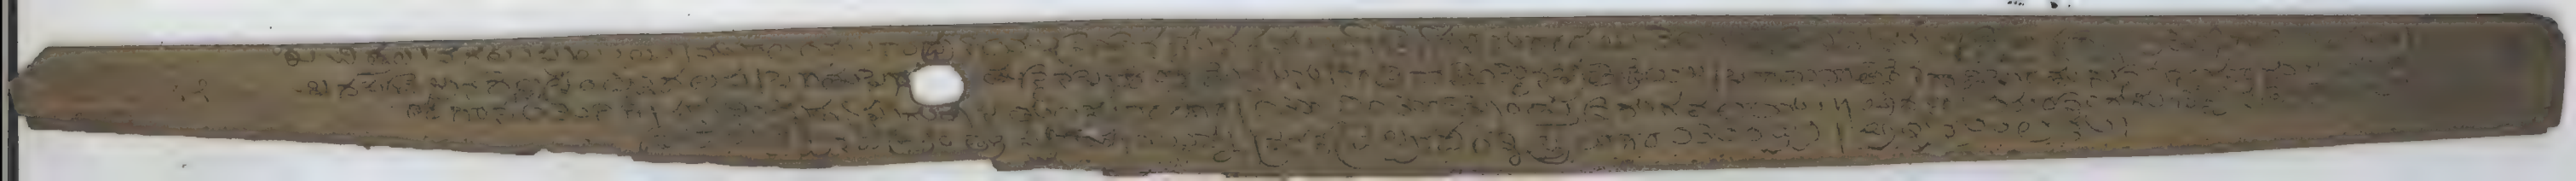

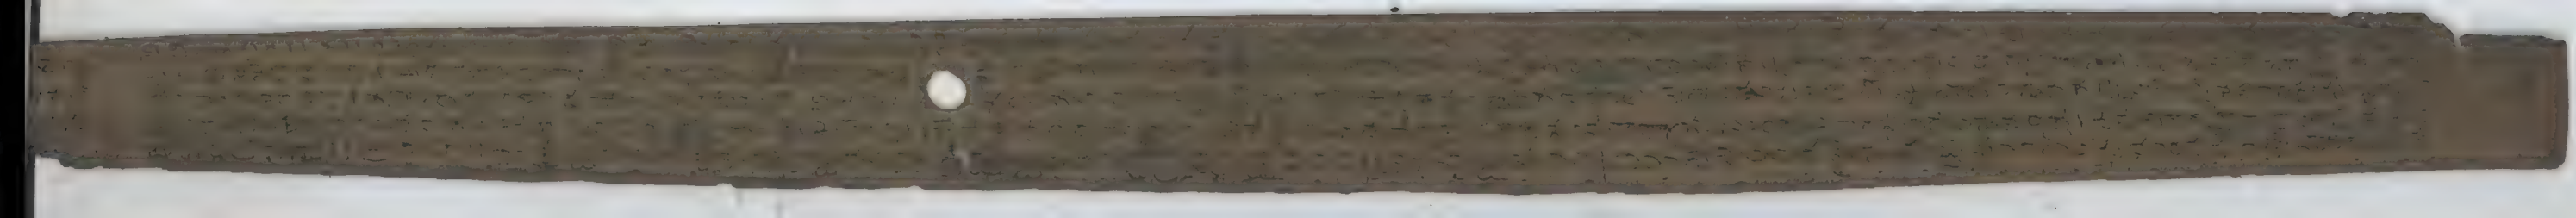

Handwritten text in a script, likely Telugu, inscribed on a palm leaf. The text is arranged in a single line across the length of the leaf. A circular hole is visible near the center, used for threading a cord to bind multiple leaves into a book format. The script is finely etched into the surface of the dried leaf.

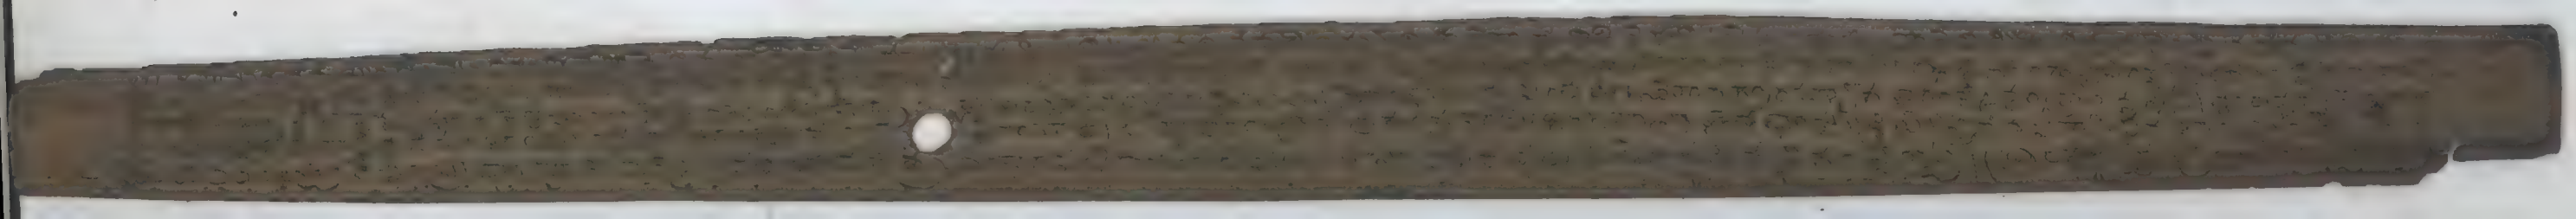

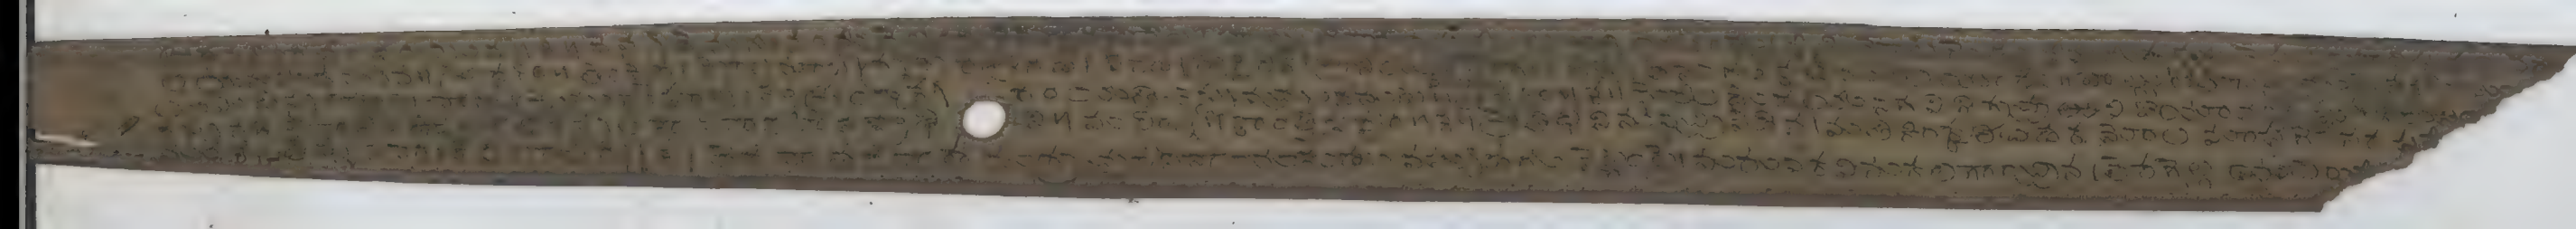

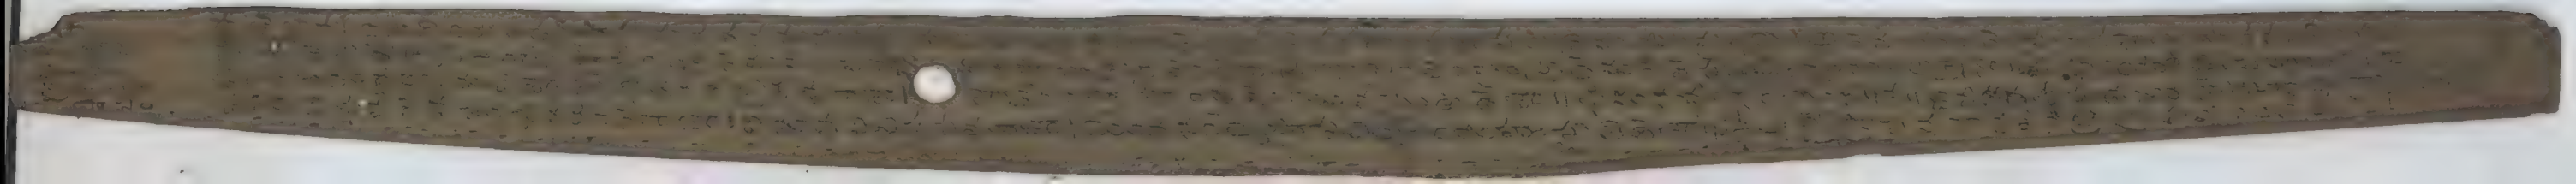

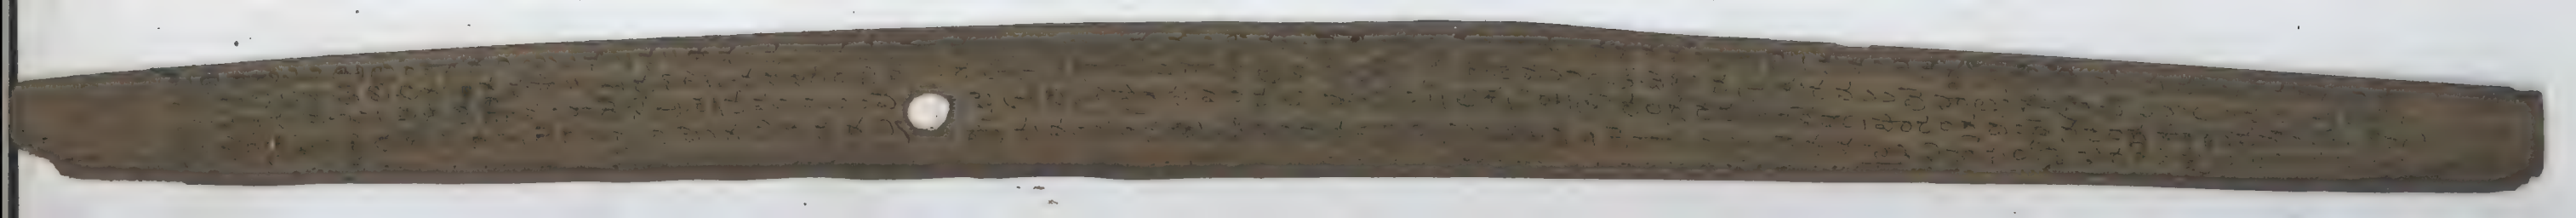

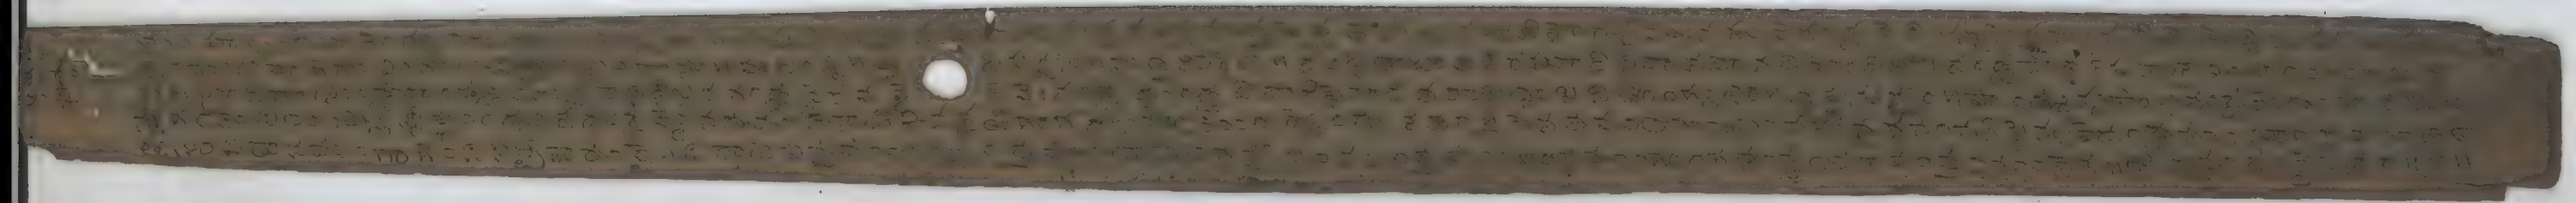

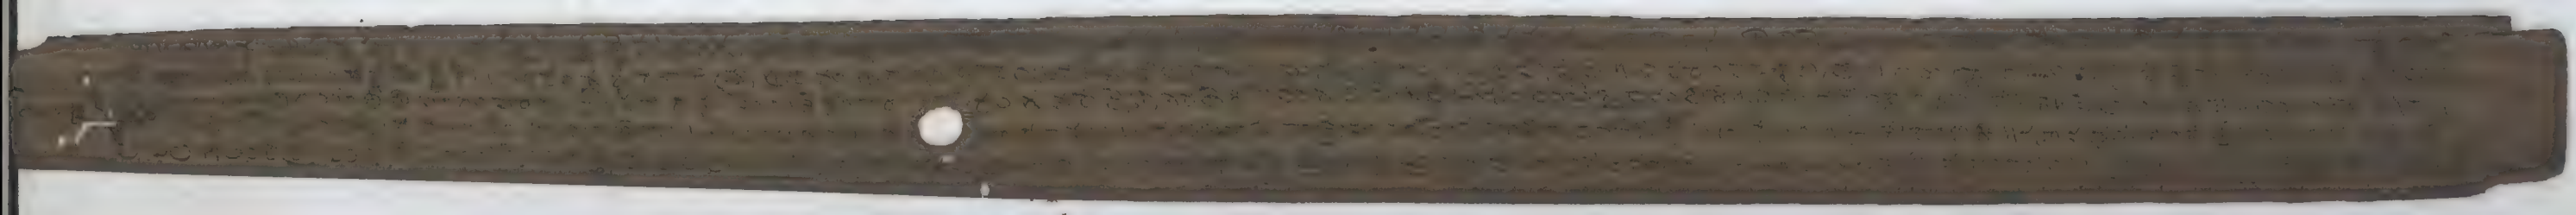

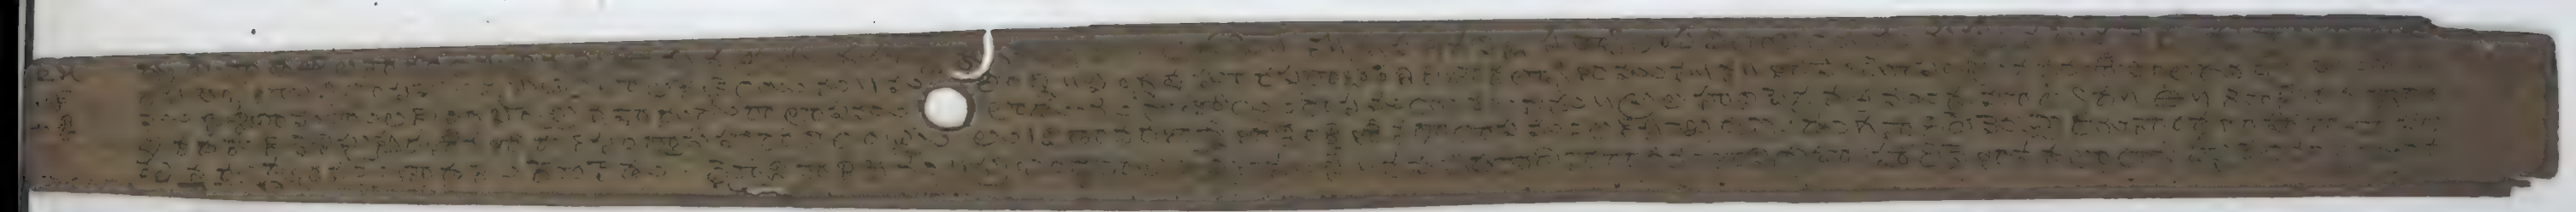

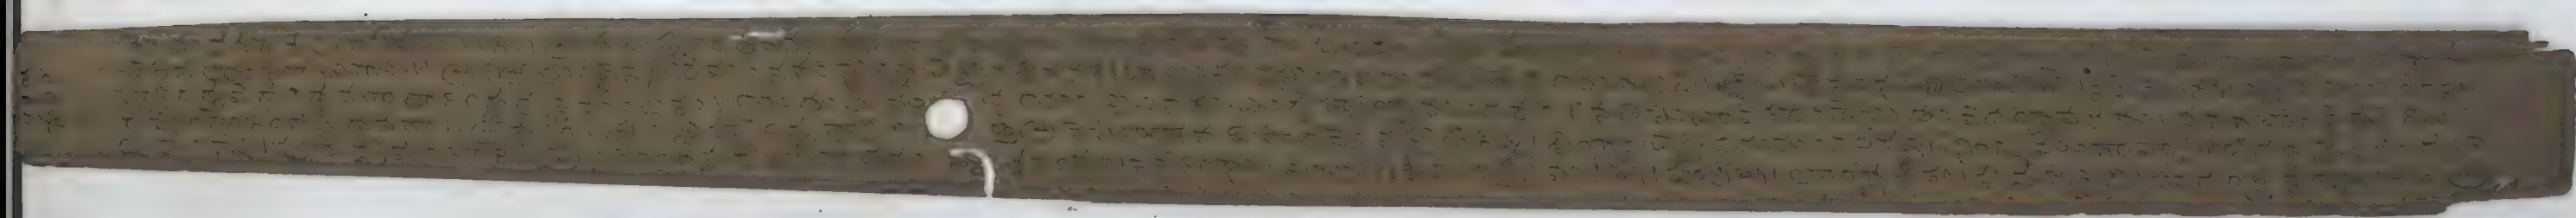

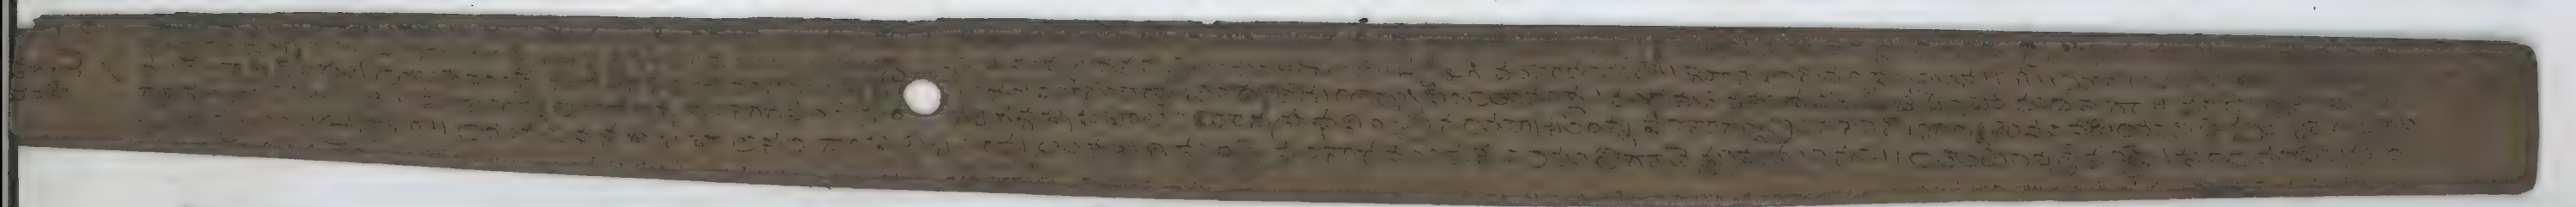

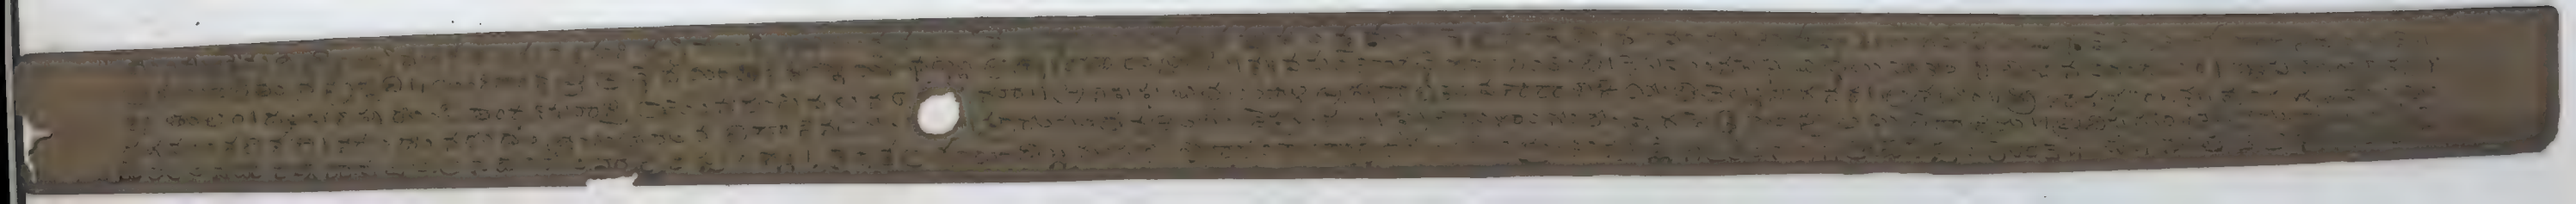

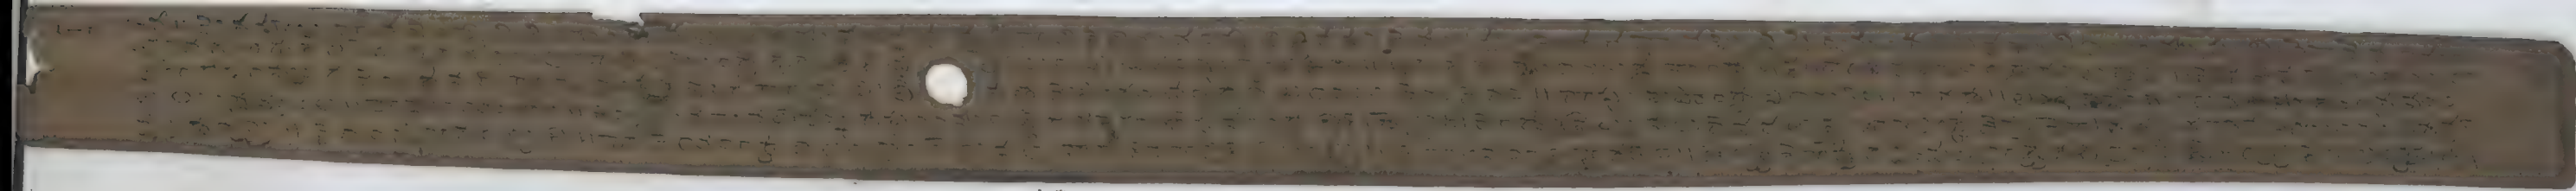

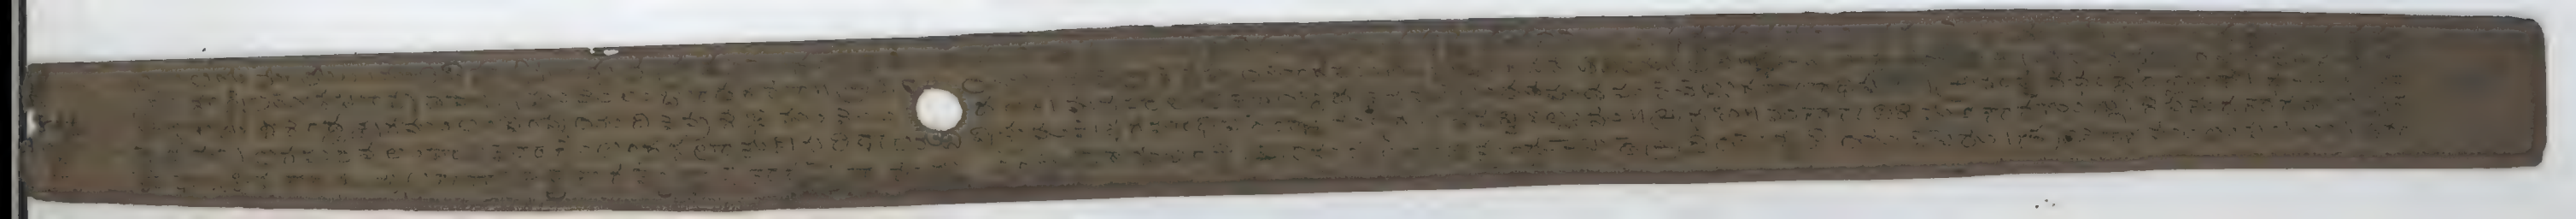

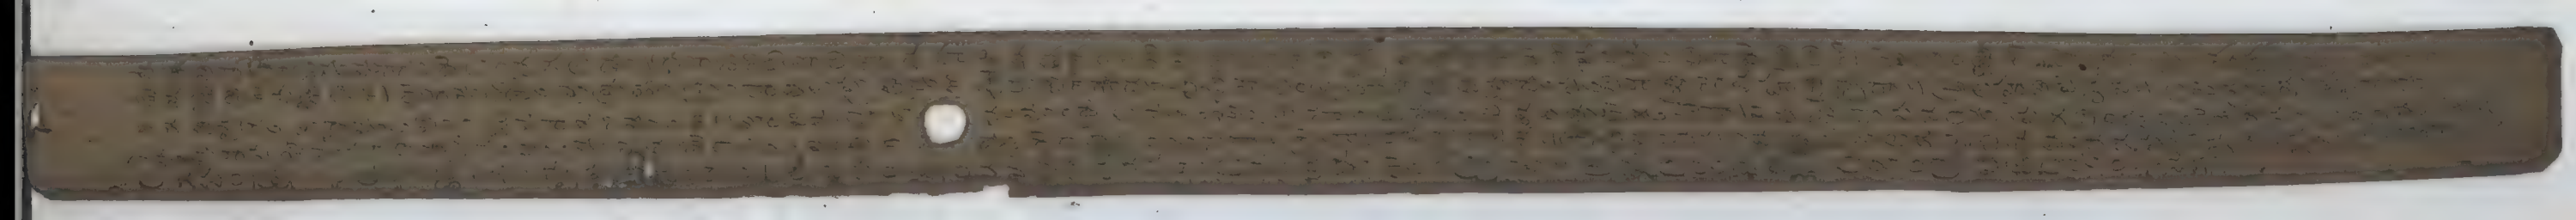

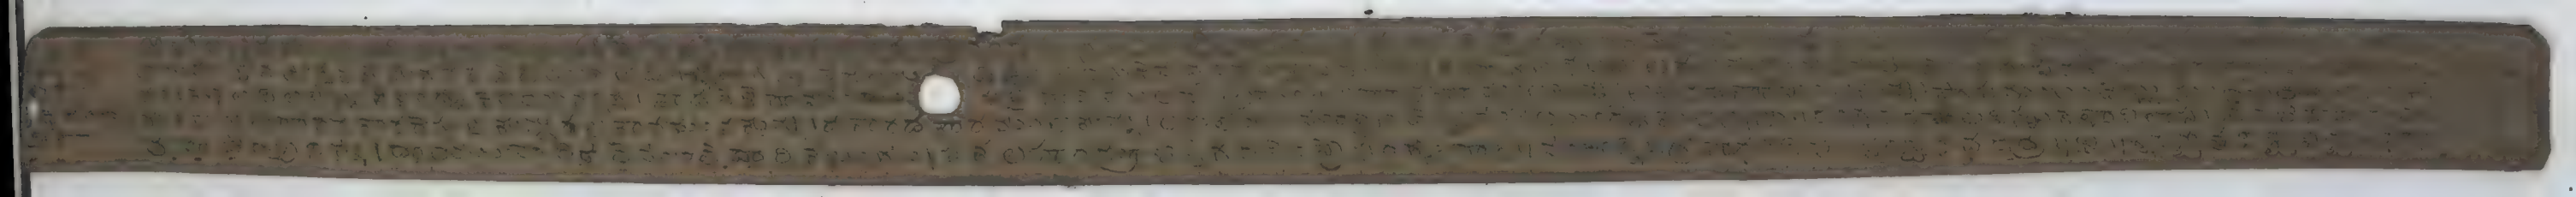

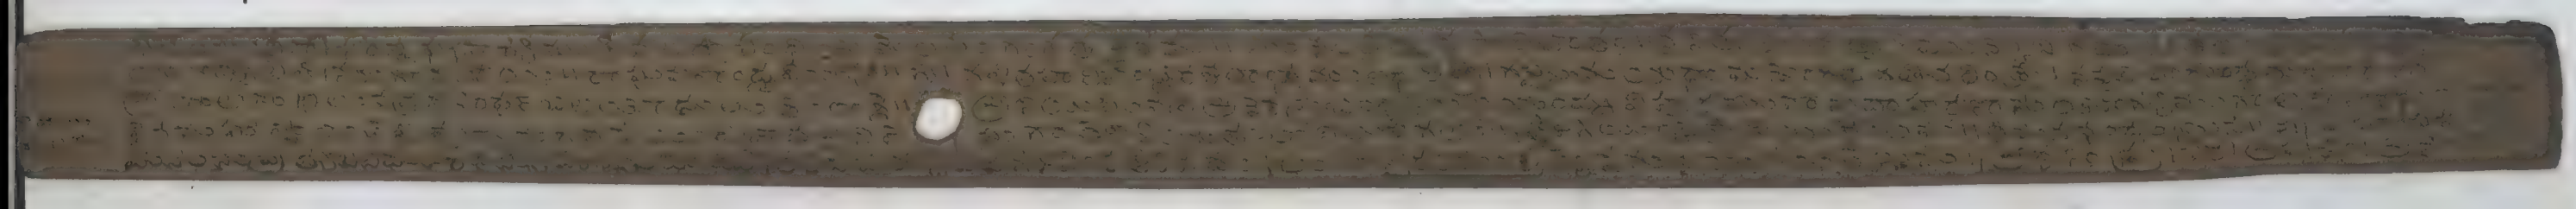

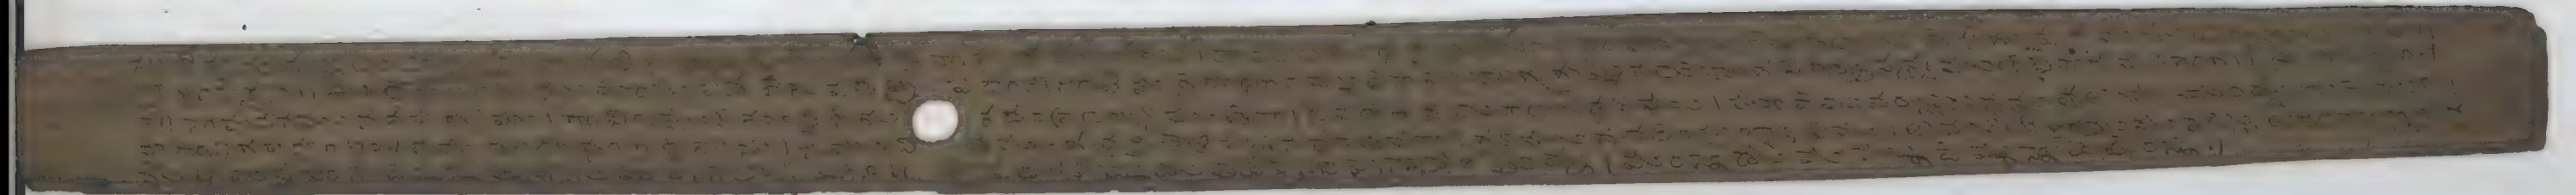

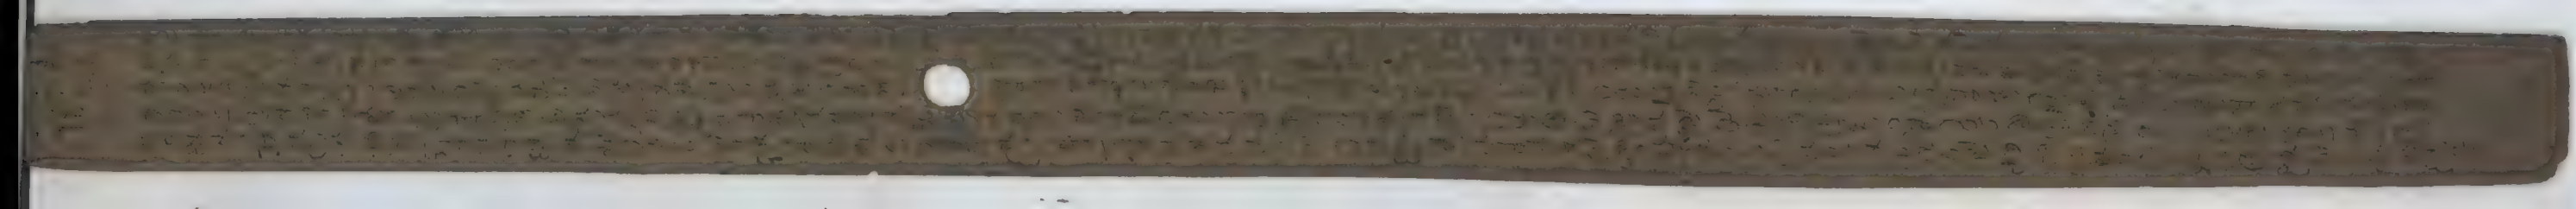

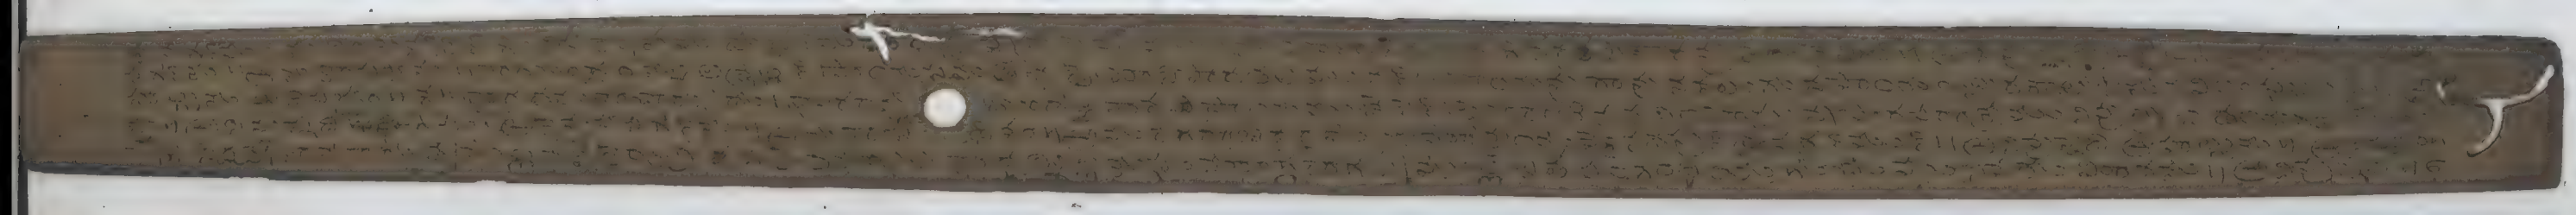

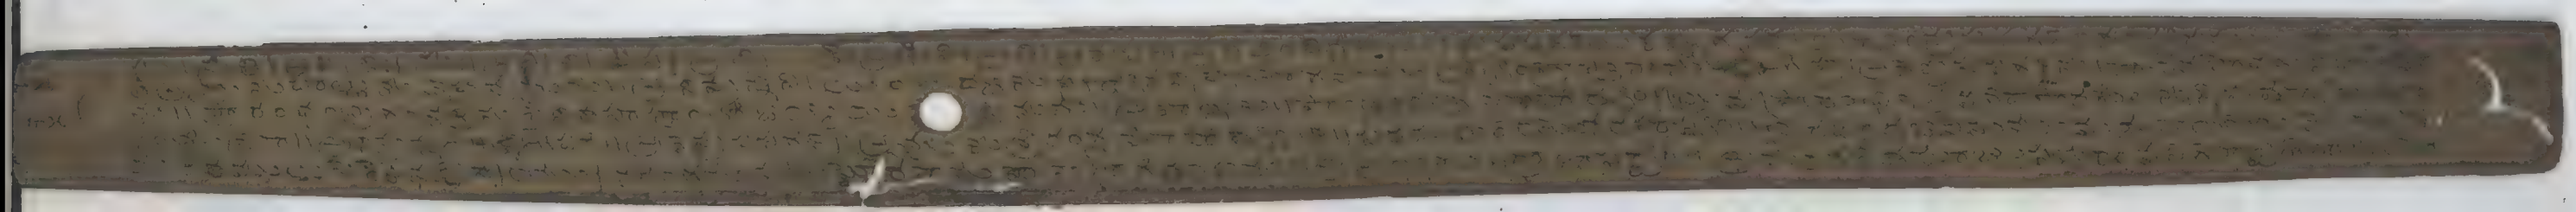

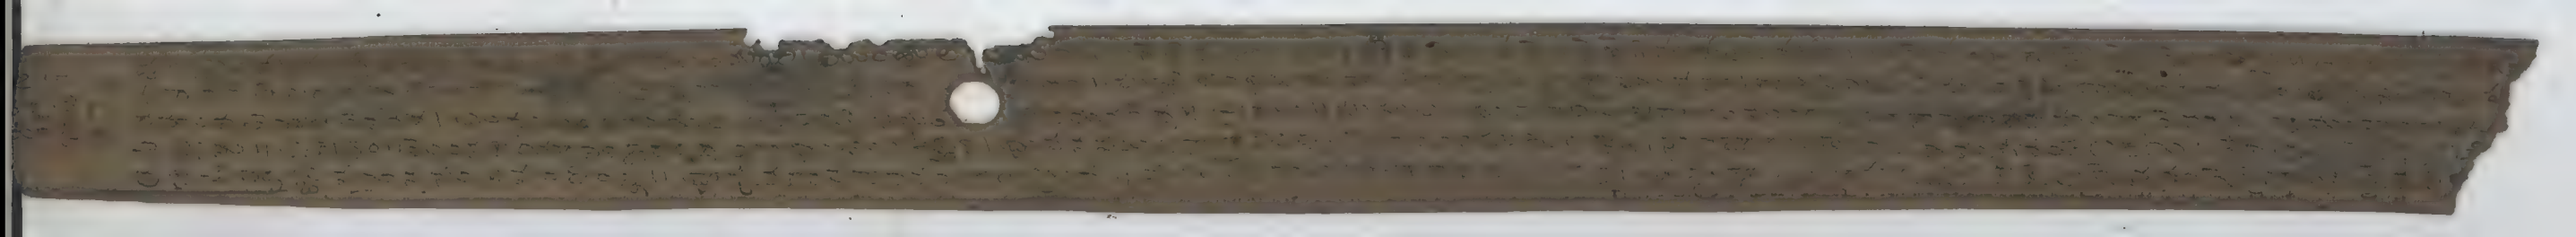

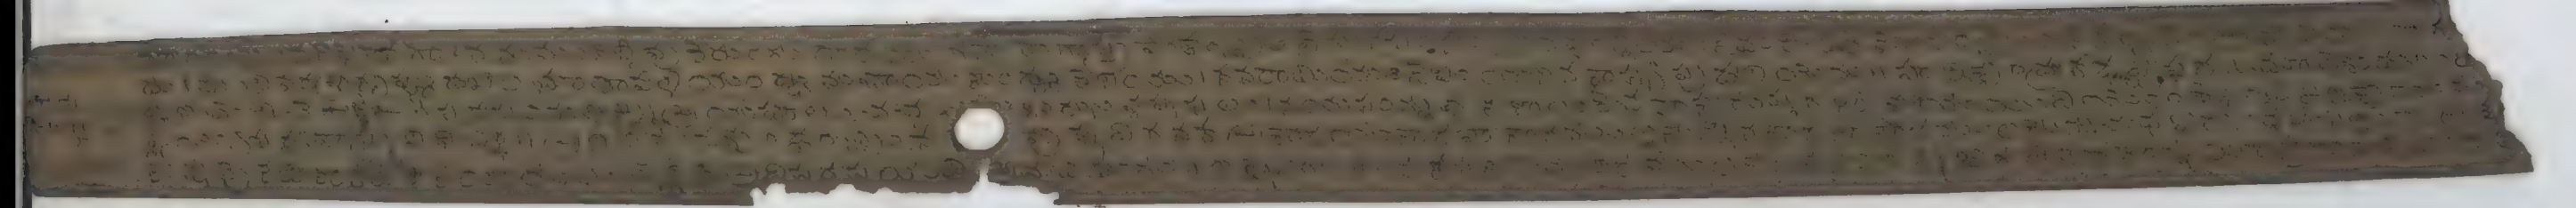

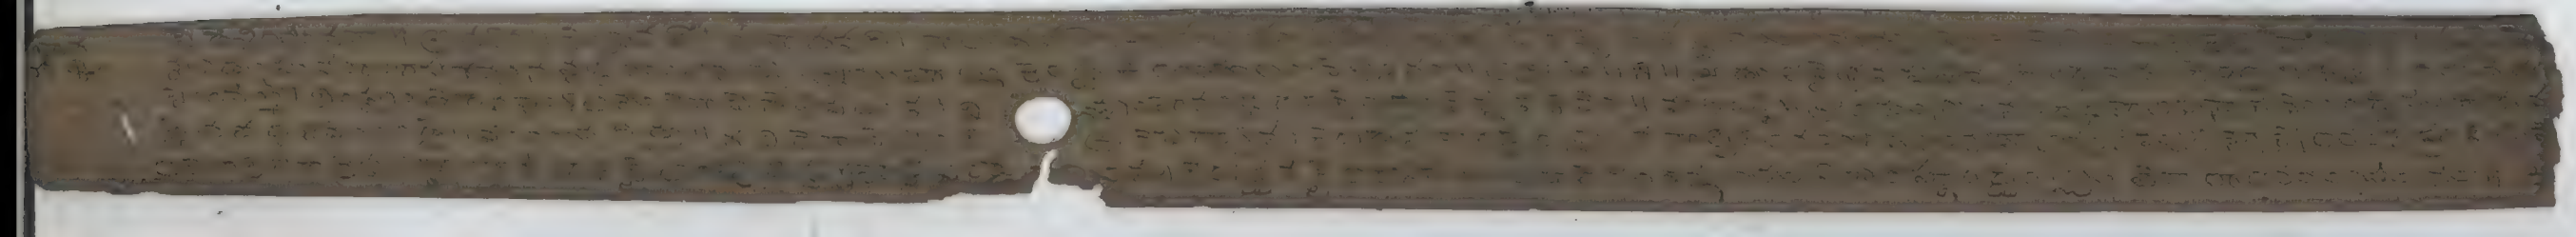

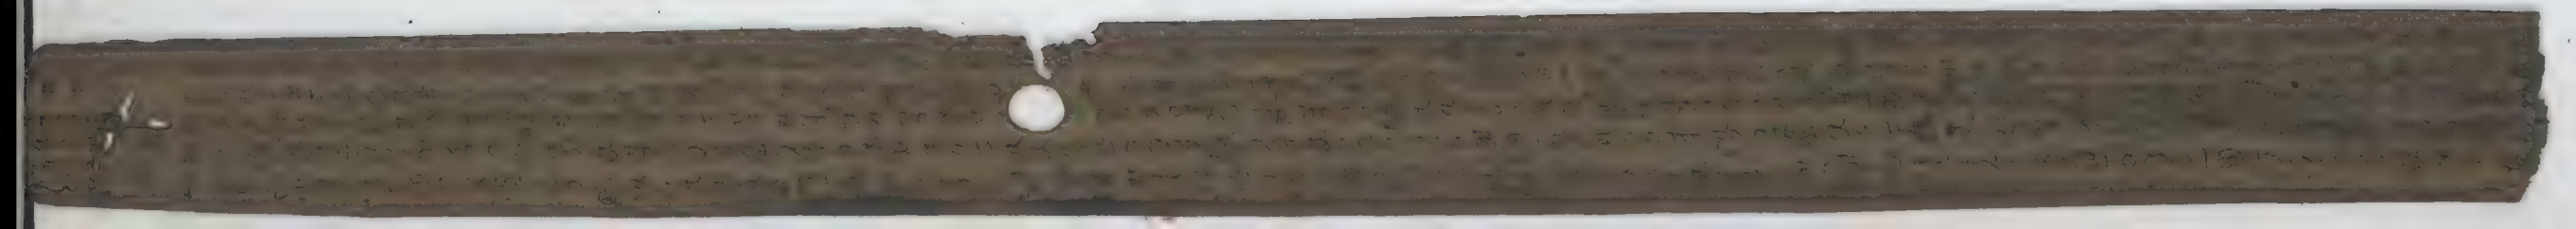

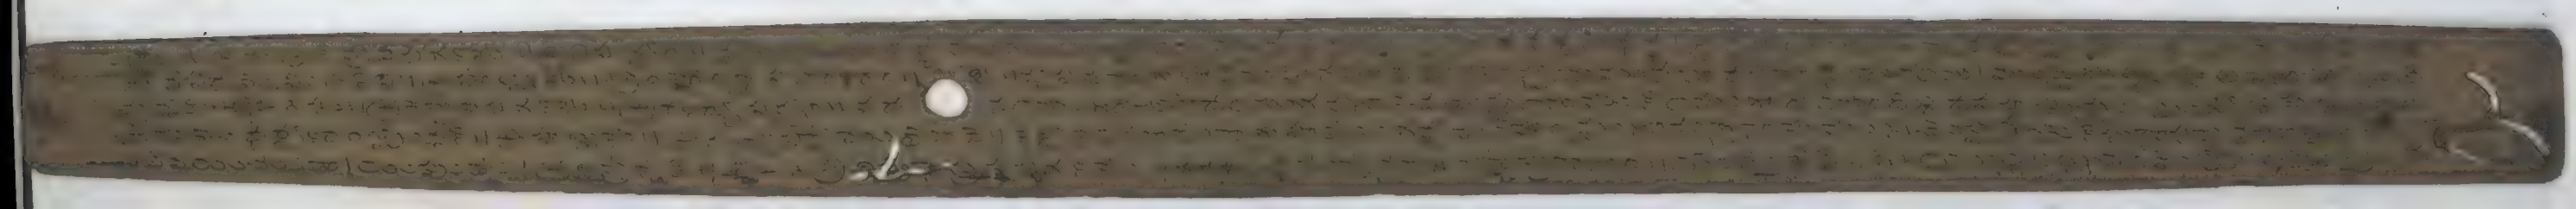

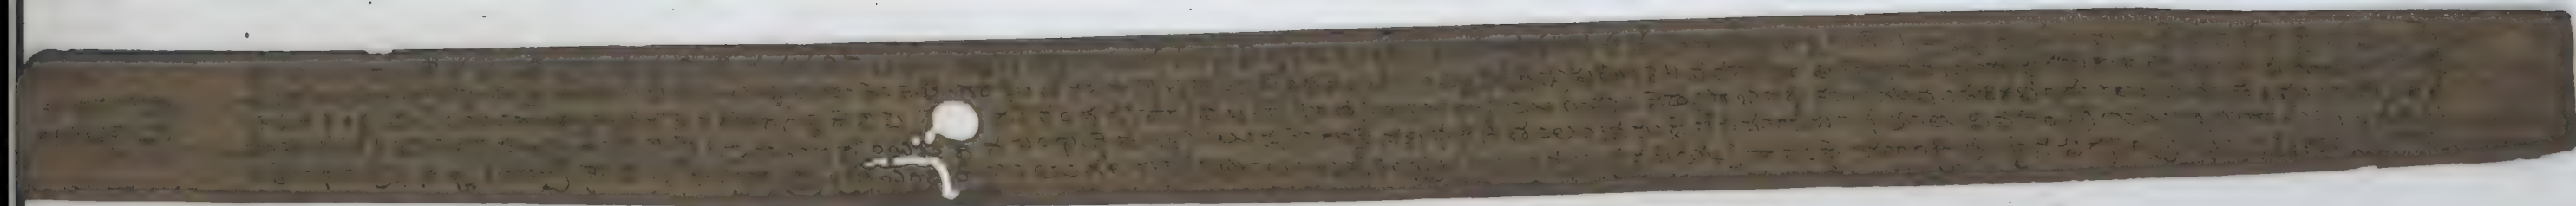

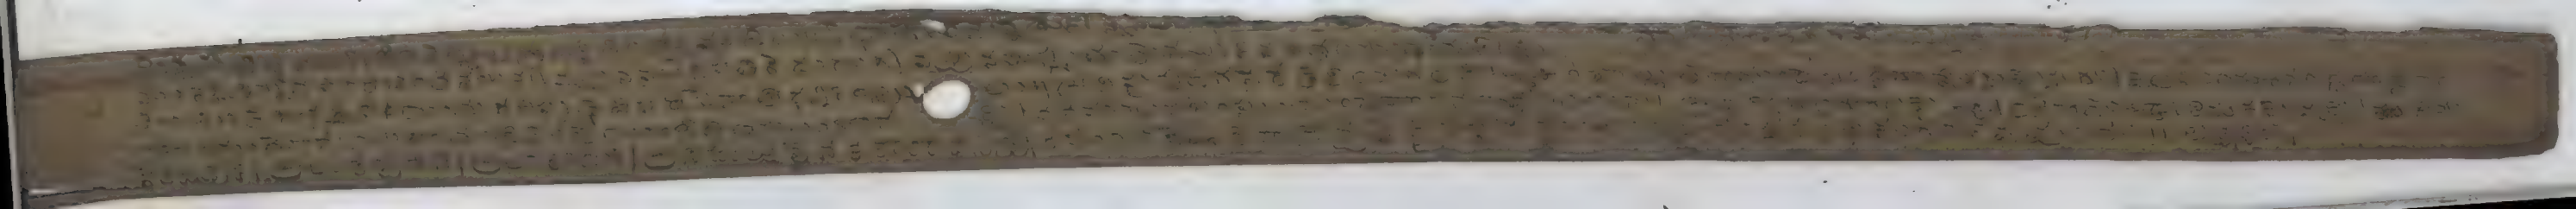

A close-up photograph of a single palm-leaf manuscript strip. The strip is dark brown, rectangular, and features a single circular hole for binding. It is inscribed with approximately 15 lines of handwritten text in an Indic script, likely Grantha or Tamil. The text is finely etched into the surface of the leaf.

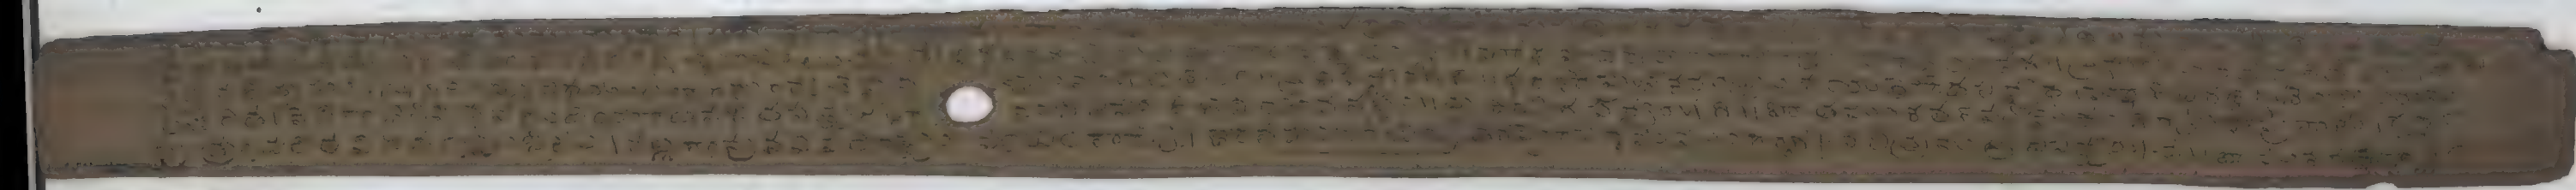

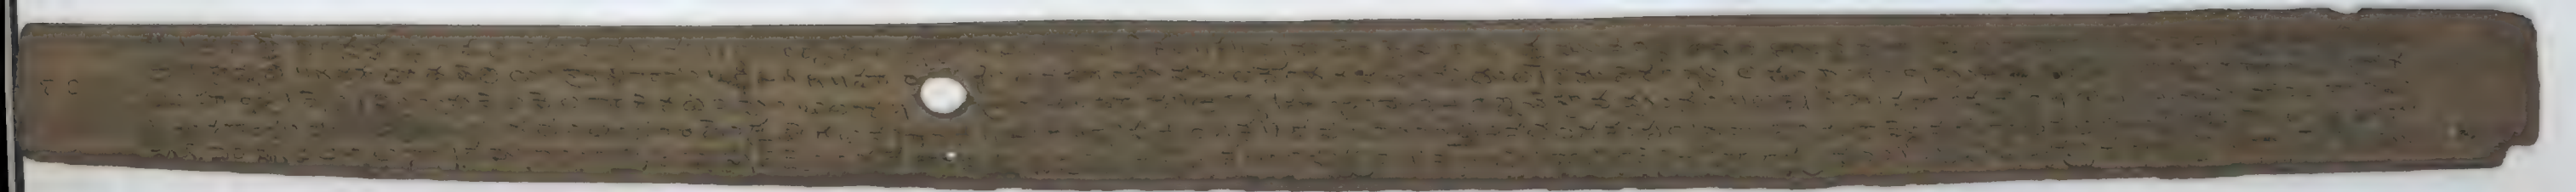

[illegible]

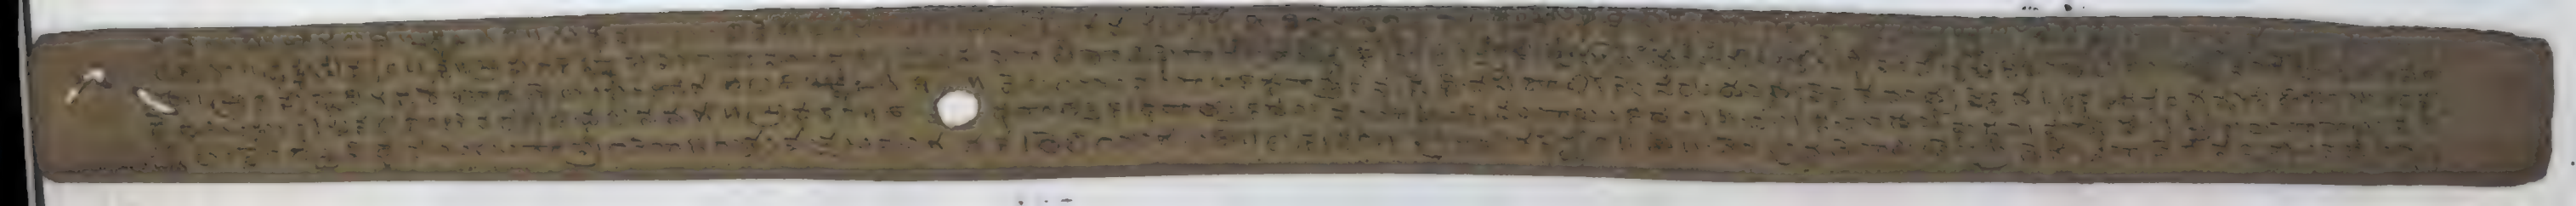

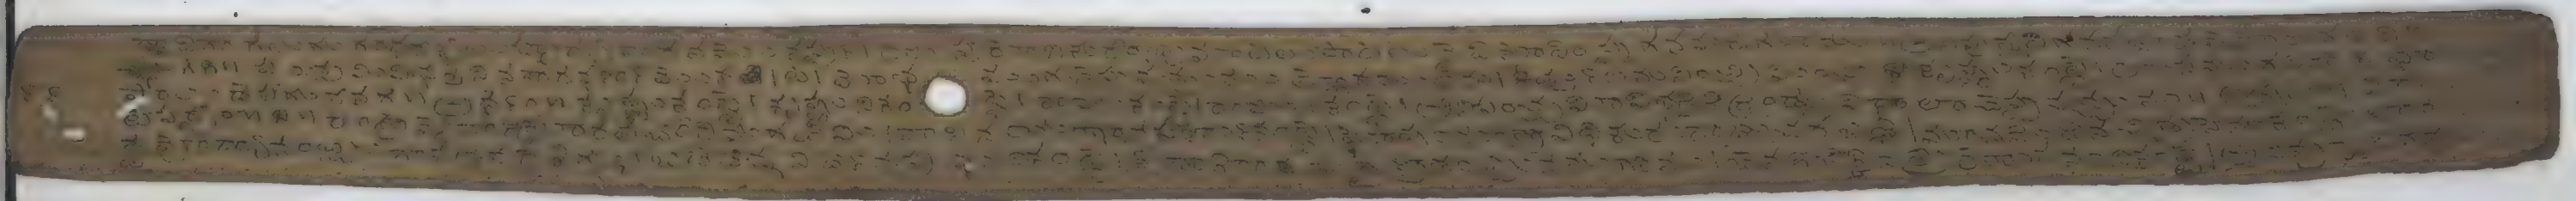

A long, narrow, dark brown palm-leaf manuscript strip with a single circular hole on the left side. The surface is covered in faint, handwritten text in an Indic script, likely Kannada or Telugu. The text is arranged in a single line across the length of the leaf. The leaf shows signs of age and wear, with some fraying at the edges.

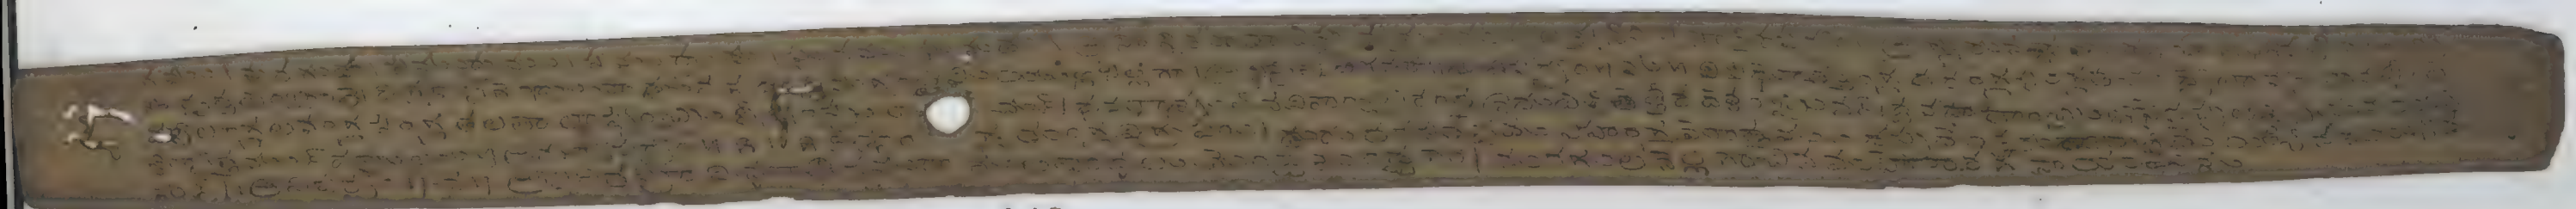

Handwritten text in a script, likely Kannada, inscribed on a palm leaf. The text is arranged in a single line across the length of the leaf. A circular hole is visible near the center, used for threading a cord to bind multiple leaves together.

[illegible]

Handwritten text in a script, likely Devanagari, on a palm leaf manuscript. The text is arranged in a single line across the length of the leaf. The script is cursive and appears to be a form of Sanskrit or a related language. The leaf shows signs of age and wear, with a prominent circular hole near the center.

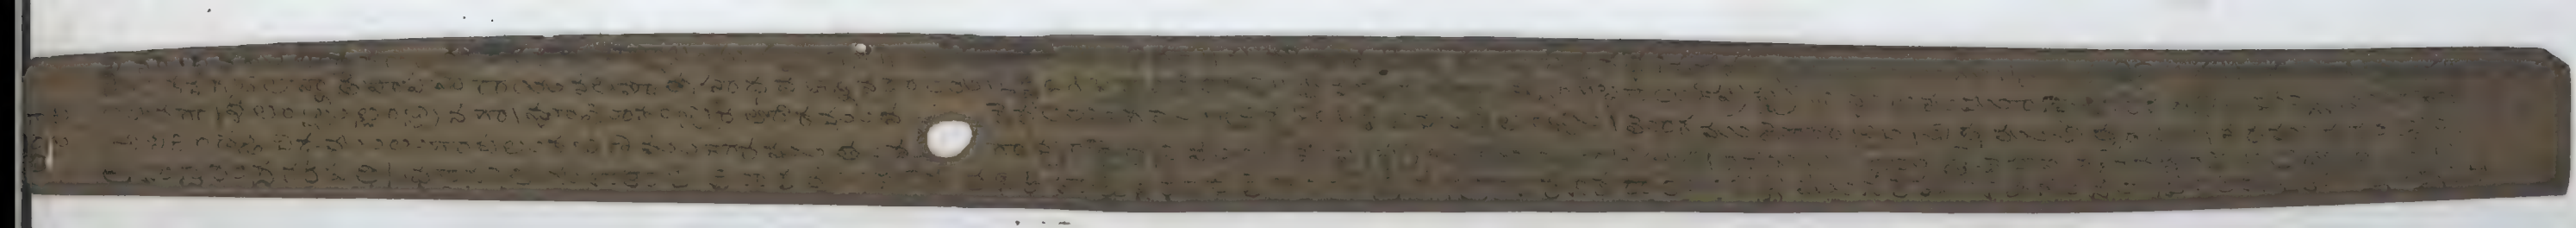

[illegible]

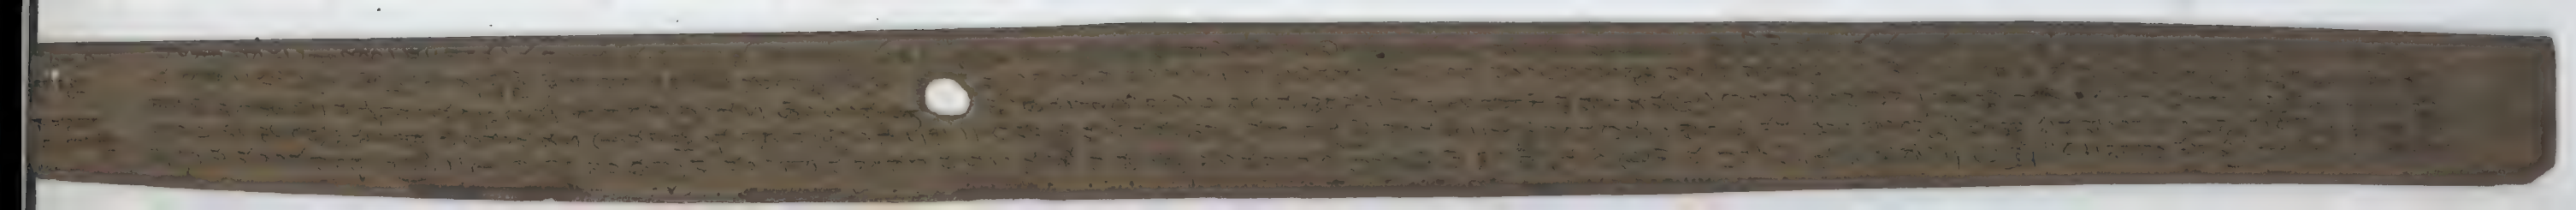

Handwritten text in Devanagari script, likely from a manuscript or book. The text is written on aged paper and includes several circular markings, possibly indicating binding holes or decorative elements.

Handwritten text in Devanagari script, likely a manuscript or a page from a book. The text is written in a cursive style and is partially obscured by a circular binding hole in the center. The visible text includes:

... ॥ ॐ नमो भगवते वासुदेवाय ॥ ...
... ॐ नमो भगवते वासुदेवाय ॥ ...
... ॐ नमो भगवते वासुदेवाय ॥ ...
... ॐ नमो भगवते वासुदेवाय ॥ ...
... ॐ नमो भगवते वासुदेवाय ॥ ...

[illegible]

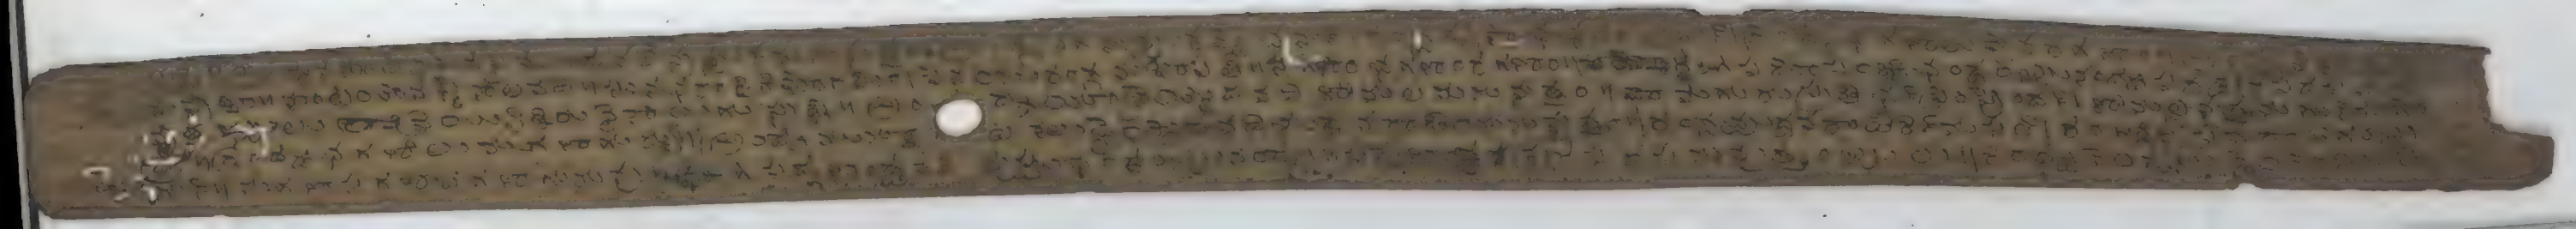

Handwritten text in Devanagari script on a palm leaf manuscript. The text is arranged in approximately 10 horizontal lines. A circular hole is visible near the center of the leaf, used for binding multiple leaves together. The script is dark and appears to be a historical form of the language.

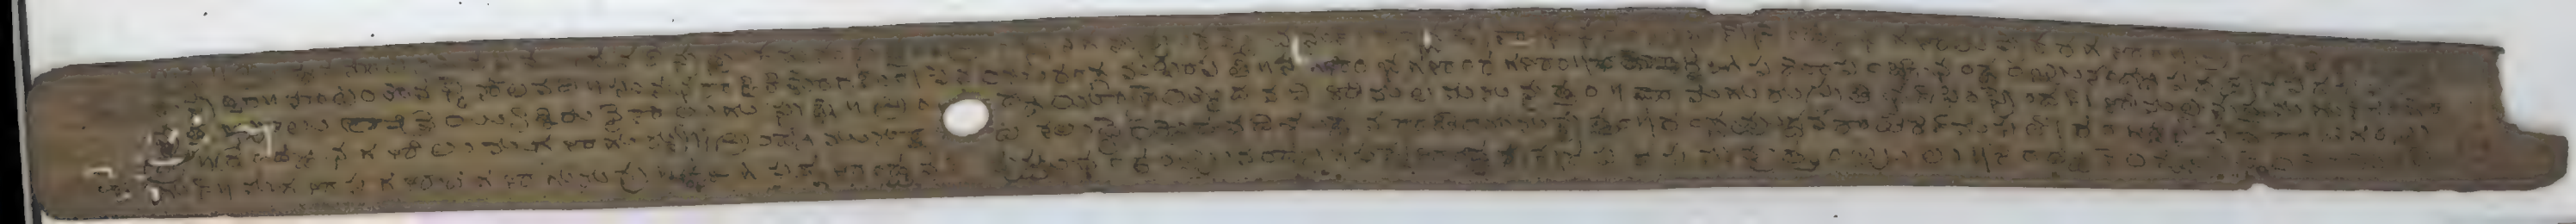

Handwritten text in a script, likely Devanagari, on a palm leaf manuscript. The text is arranged in a single line across the length of the leaf. A circular hole is visible near the center, used for binding multiple leaves together.

[illegible]

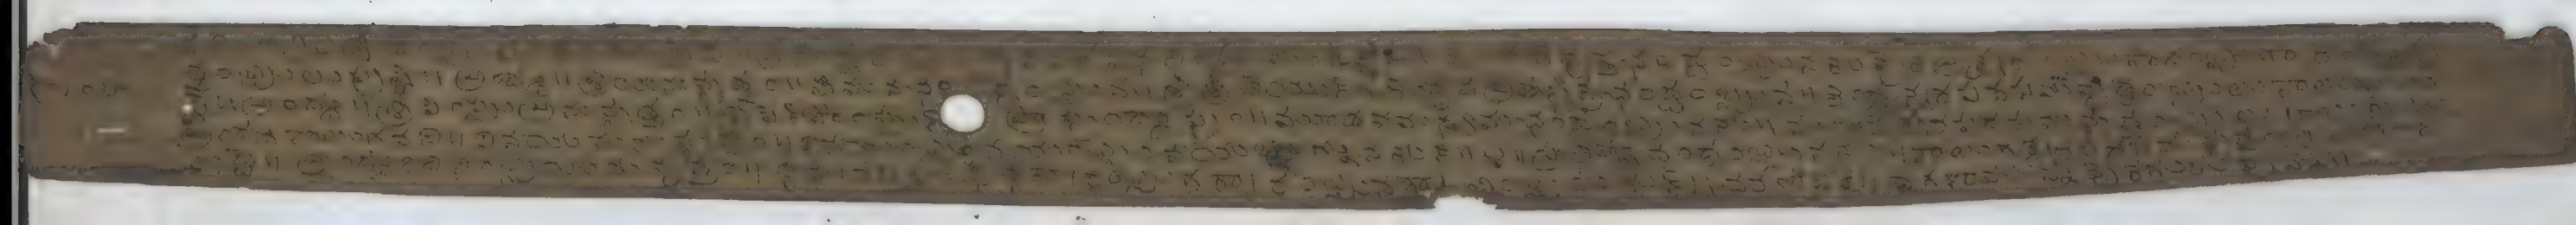

Handwritten text in a script, likely Devanagari, inscribed on a long, narrow, dark brown palm-leaf manuscript. The text is arranged in approximately 12 horizontal lines. A small, circular hole is visible near the center of the leaf, used for threading a cord to bind multiple leaves together. The script is finely etched into the surface of the dried leaf.

Handwritten text in Telugu script on a palm leaf manuscript. The text is written in a cursive style and is organized into approximately 12 horizontal lines. A circular hole is visible near the center of the leaf, used for binding multiple leaves together. The leaf is aged and shows some wear and discoloration.

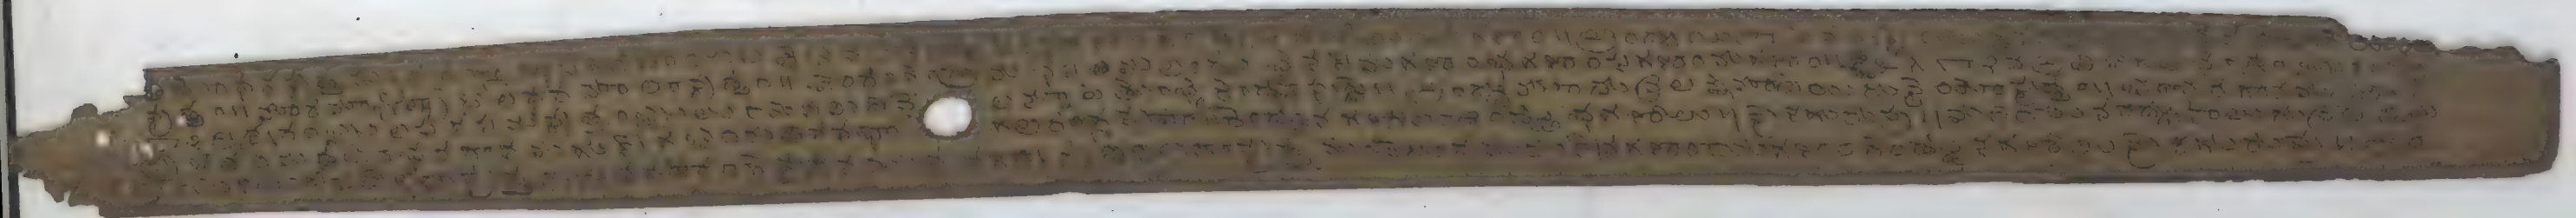

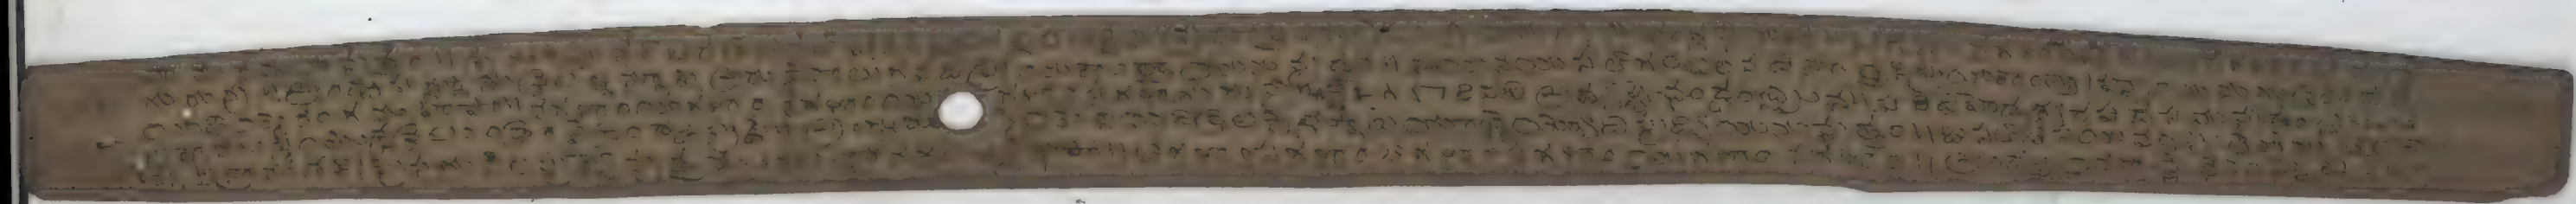

Handwritten text in a South Indian script, likely Grantha or Tamil, inscribed on a palm leaf. The text is arranged in a single line across the length of the leaf. A circular hole is visible near the center, used for threading a cord to bind multiple leaves into a book format. The script is finely etched into the surface of the dried leaf.

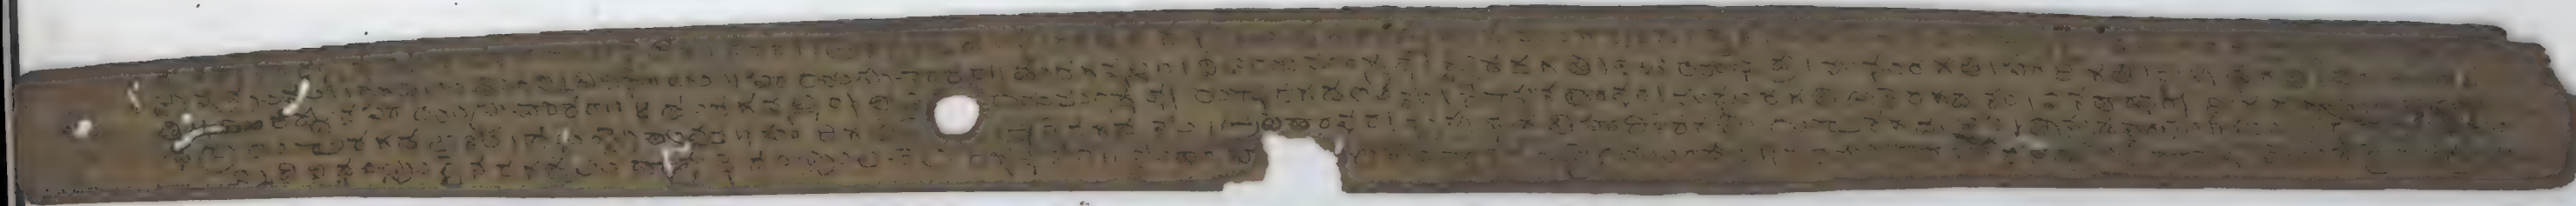

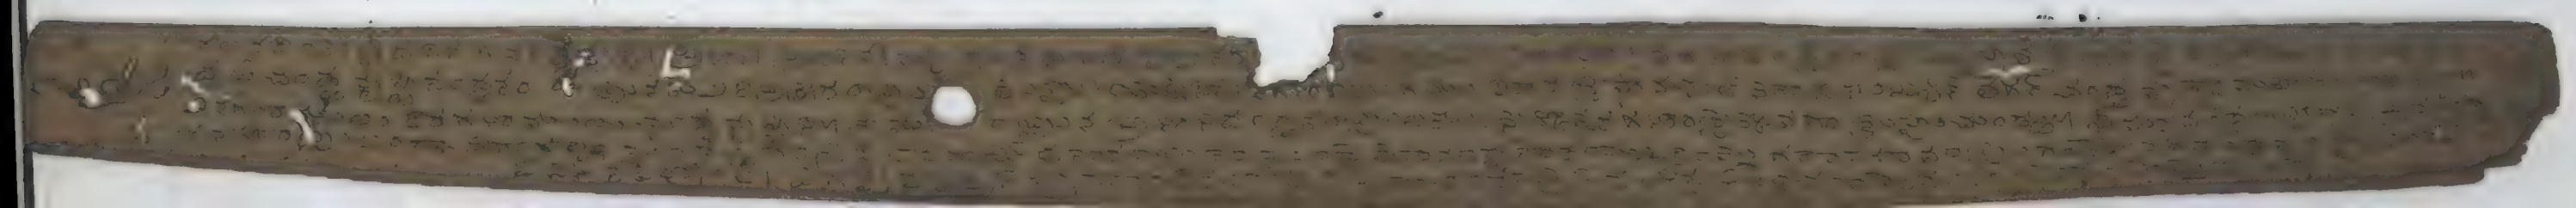

A long, narrow palm-leaf manuscript strip, likely from an ancient Indian text. The leaf is dark brown and shows signs of age and wear. A single circular hole is visible near the center, used for threading a cord to bind multiple leaves together. The surface is covered in handwritten text in an Indic script, possibly Grantha or a related form of Sanskrit. The characters are finely etched into the surface of the leaf. The text is arranged in a single line across the length of the strip.

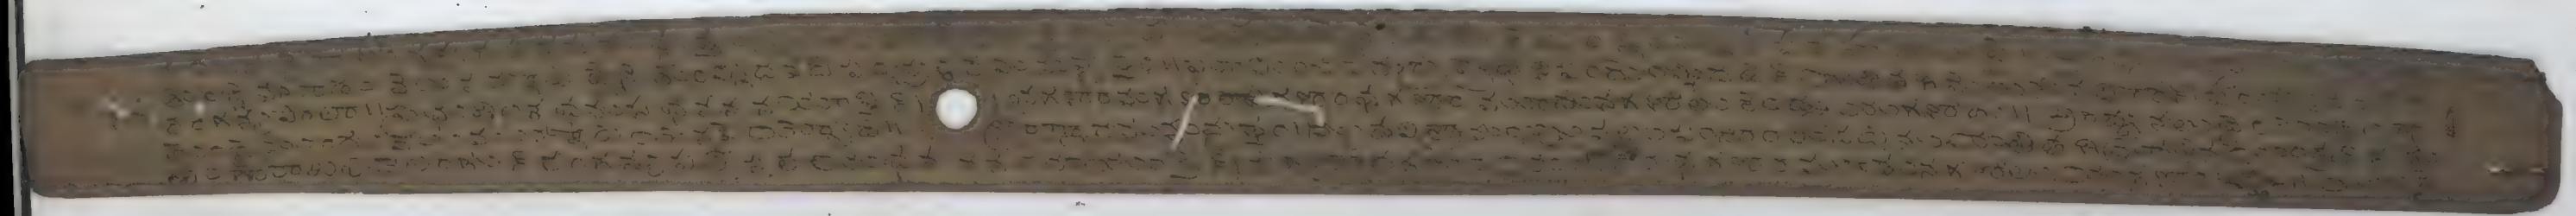

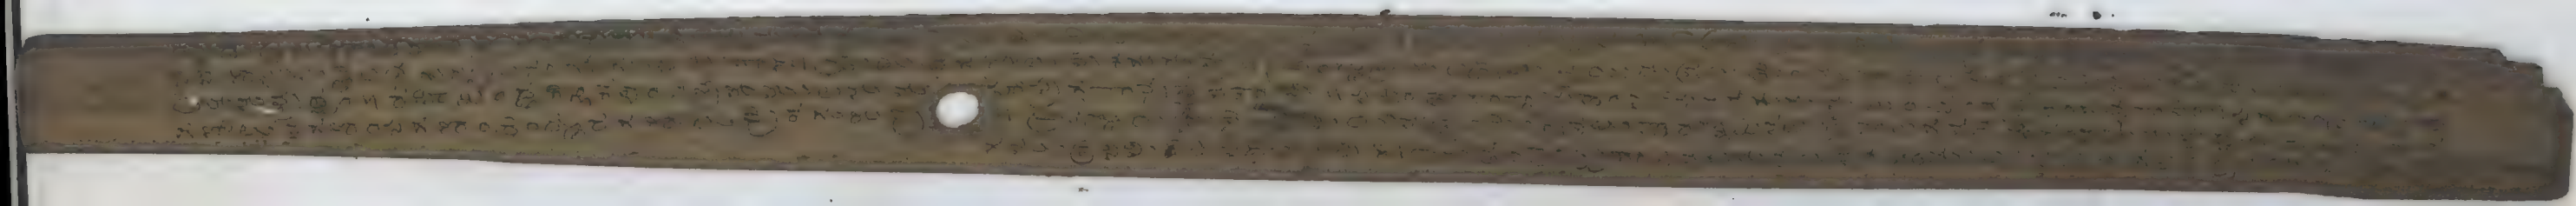

Handwritten text in Devanagari script on a palm leaf manuscript. The text is inscribed in a single line across the length of the leaf. A circular hole is visible near the center, used for binding multiple leaves together. The script is dense and appears to be a form of Sanskrit or a classical Indian language.

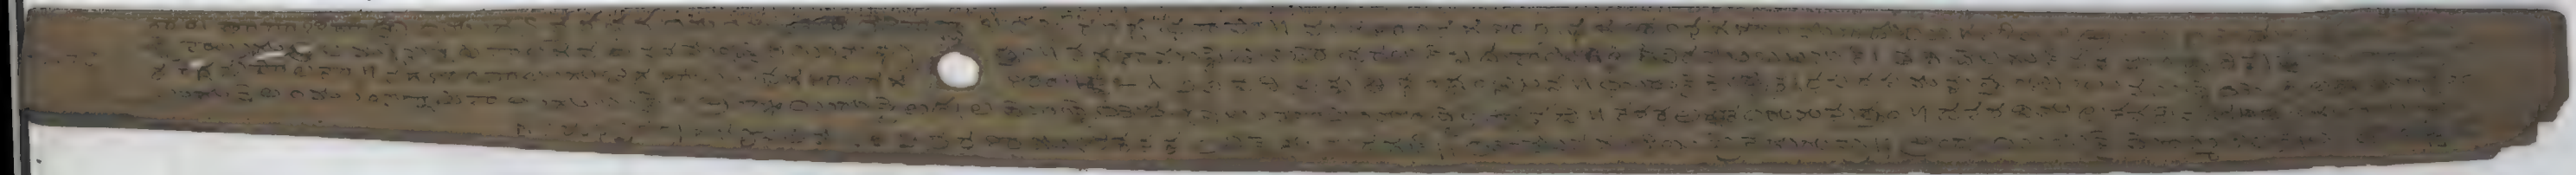

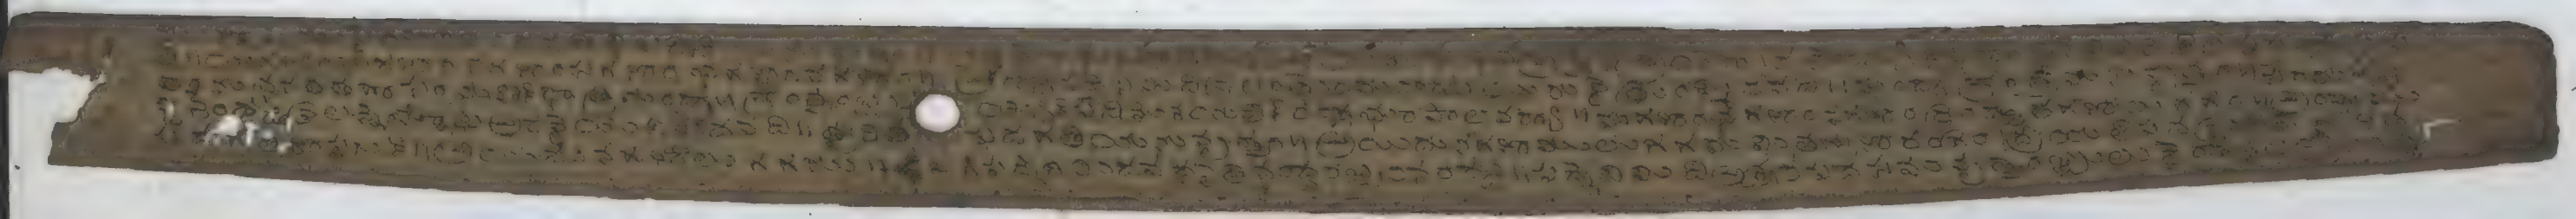

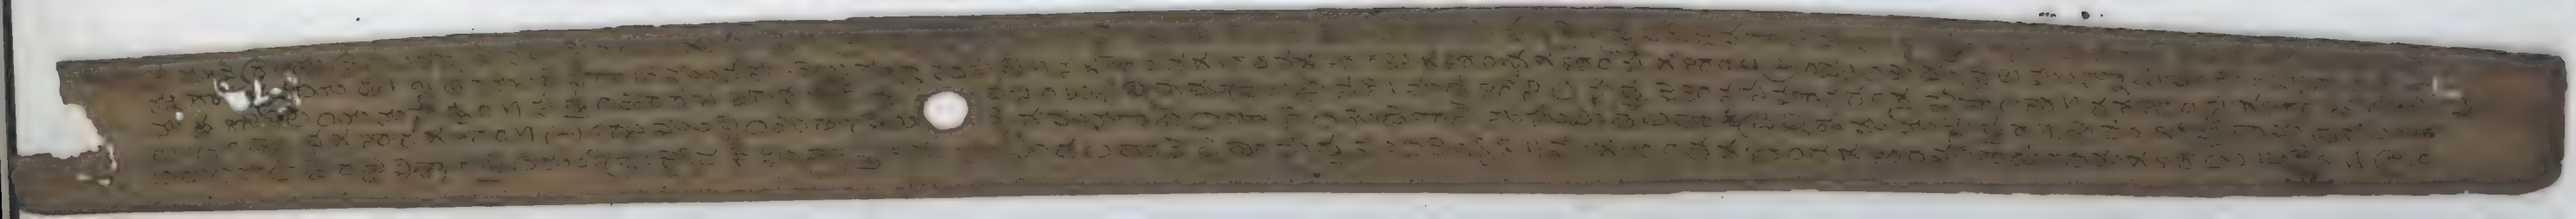

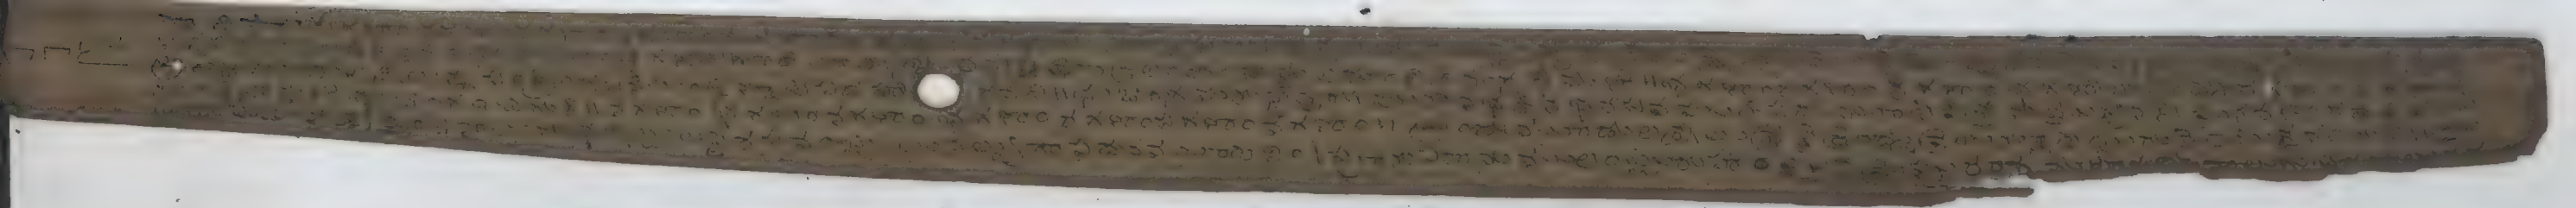

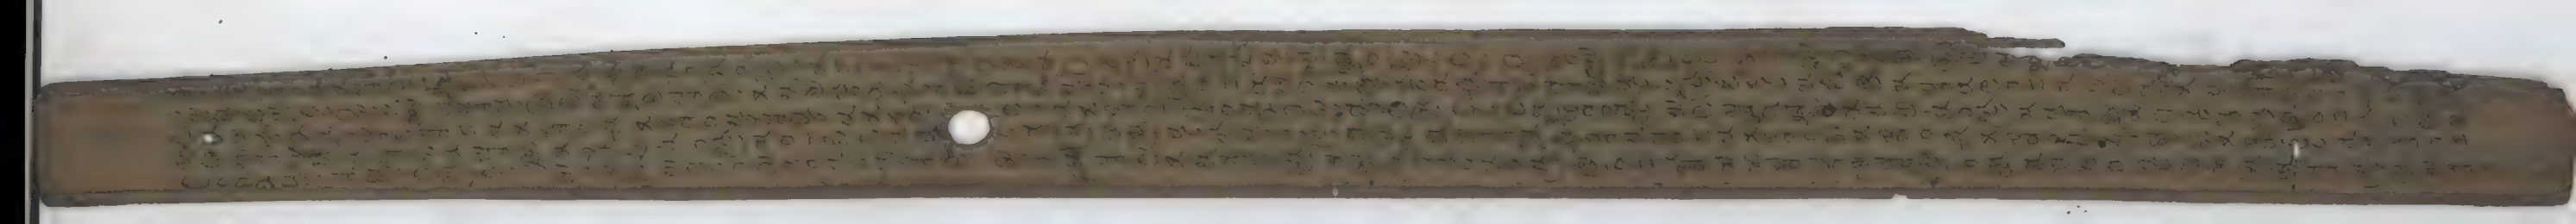

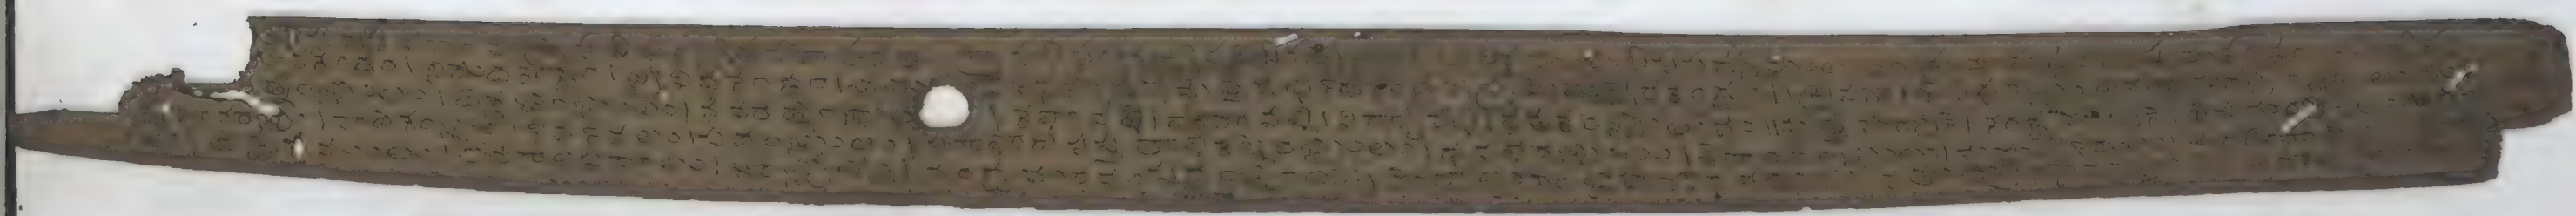

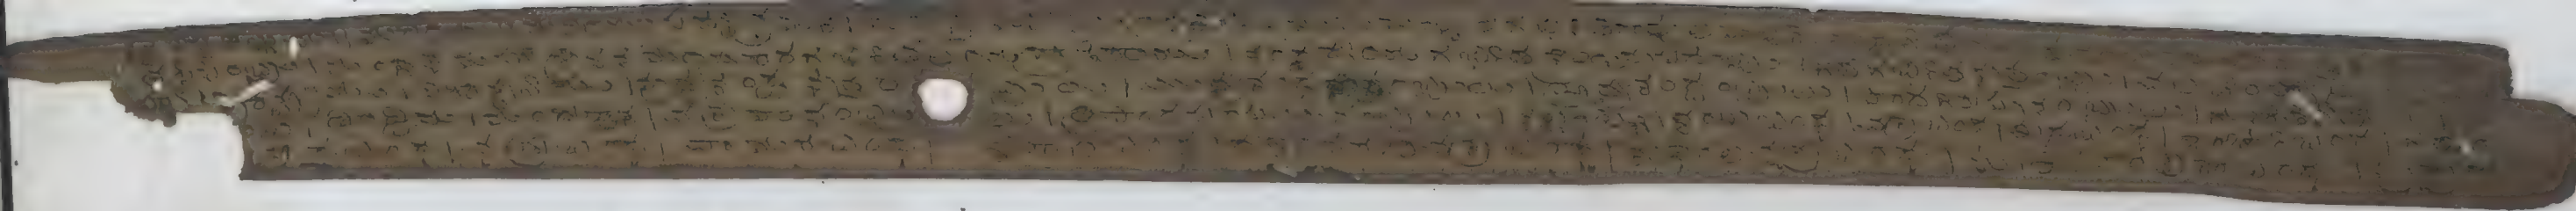

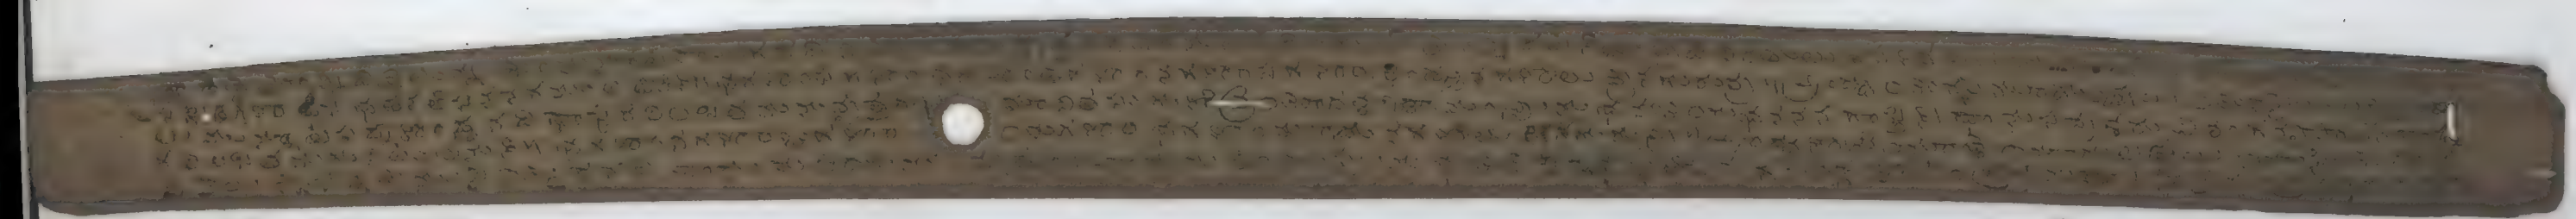

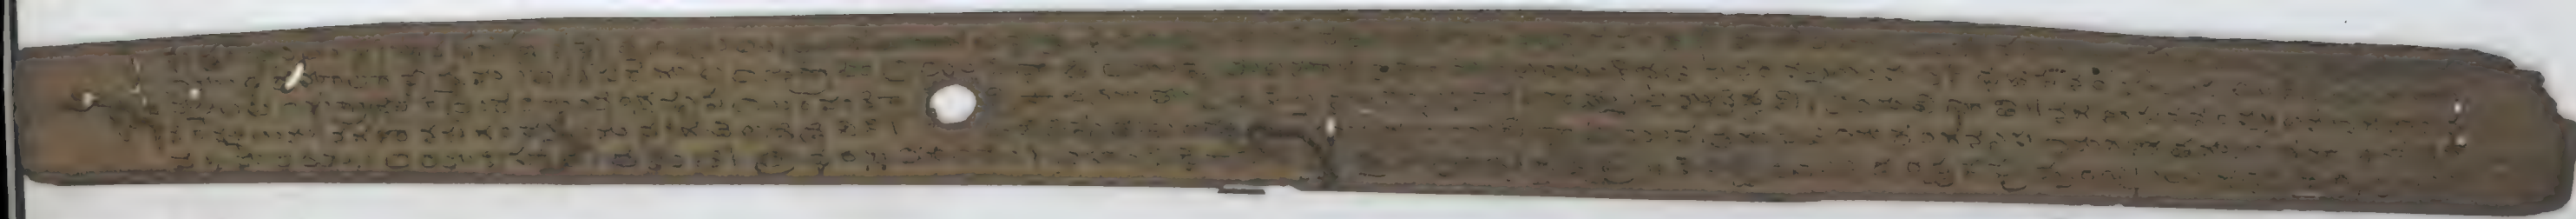

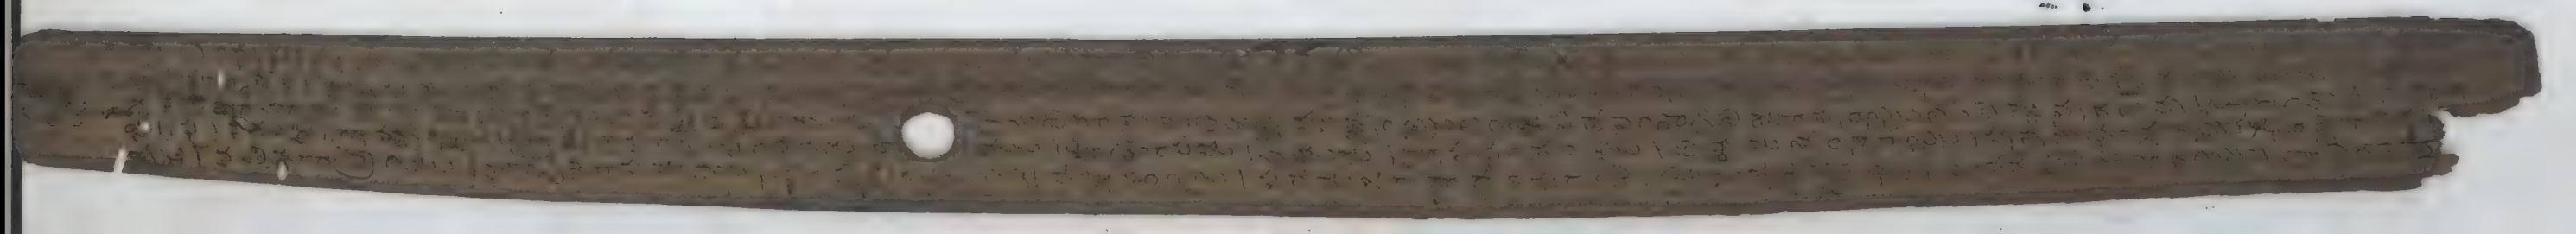

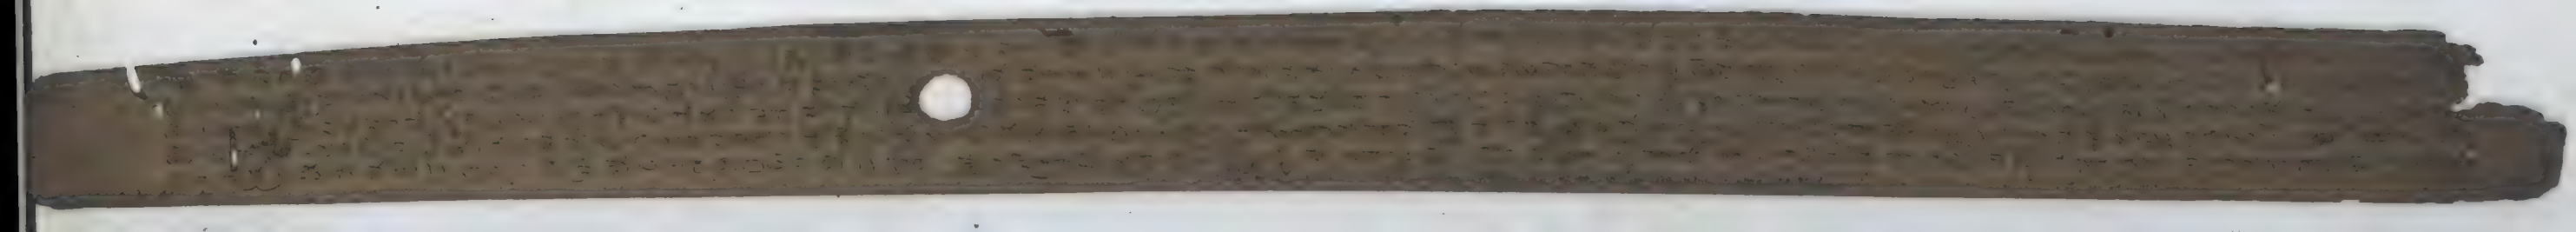

Handwritten text in Devanagari script on a palm leaf manuscript. The text is arranged in approximately 12 horizontal lines. A circular hole is visible near the center of the leaf, used for binding multiple leaves together. The script is dark and appears to be inscribed or painted onto the natural texture of the dried leaf.

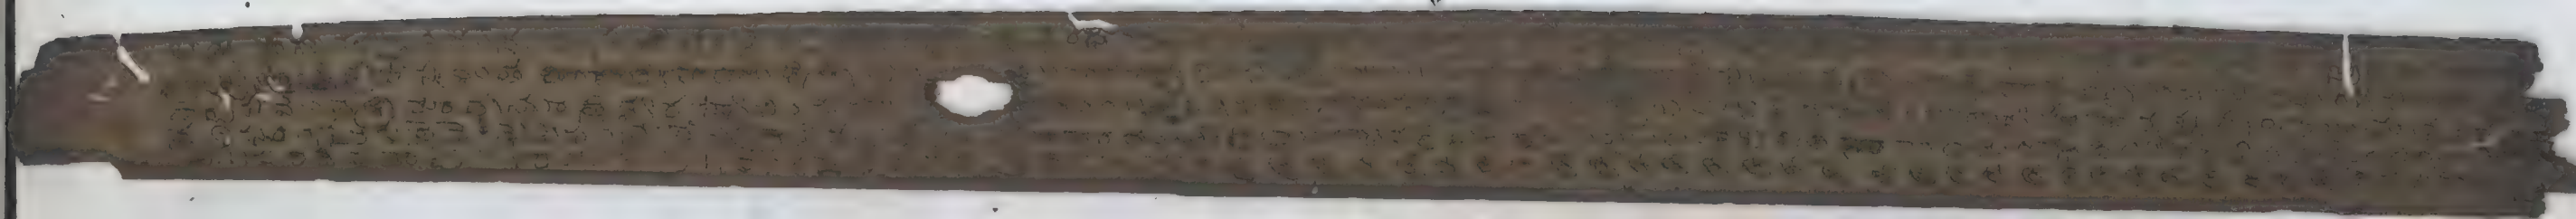

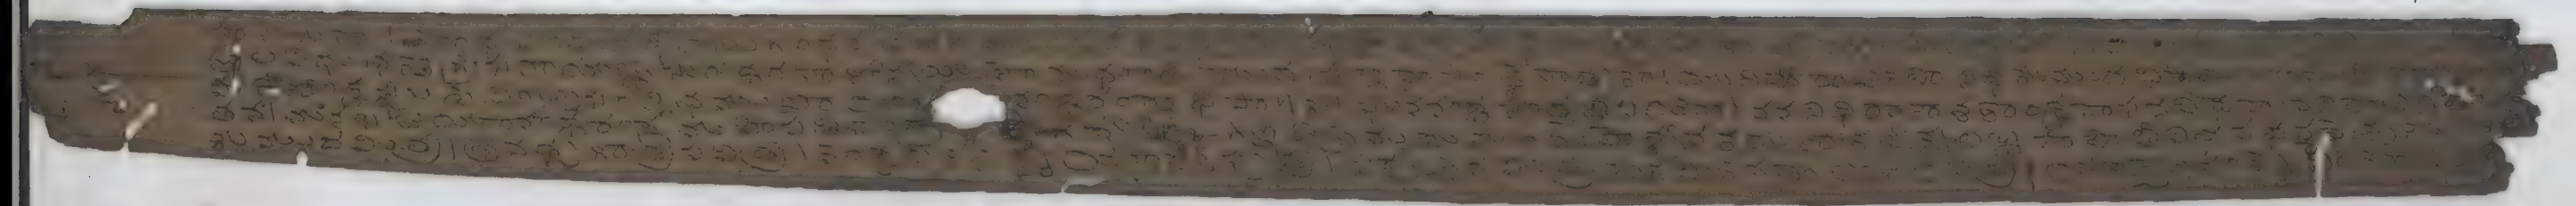

[illegible]

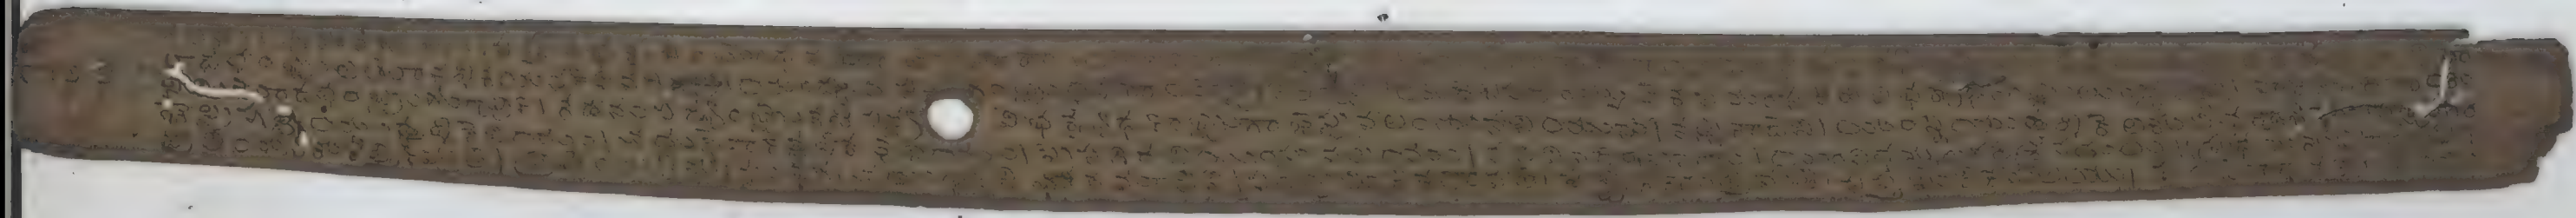

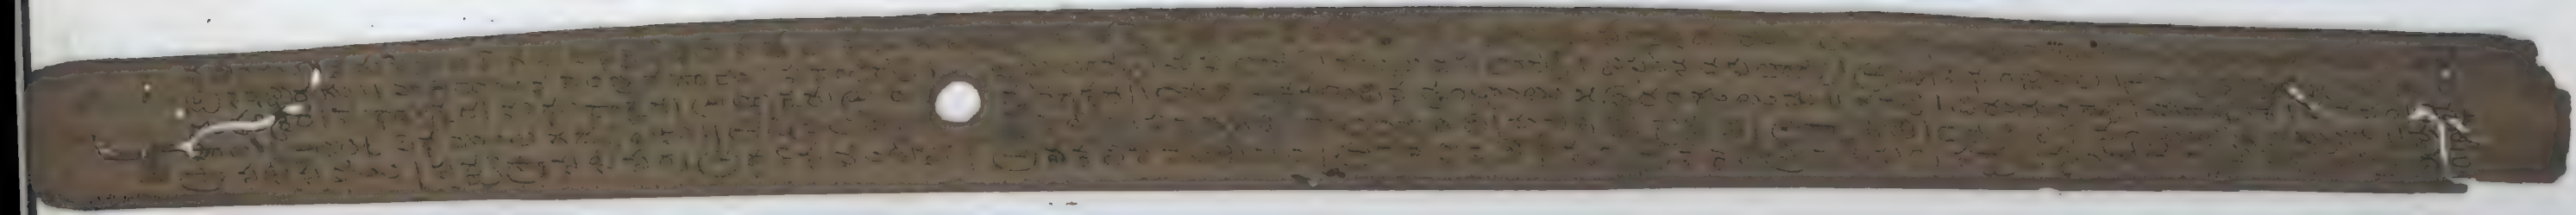

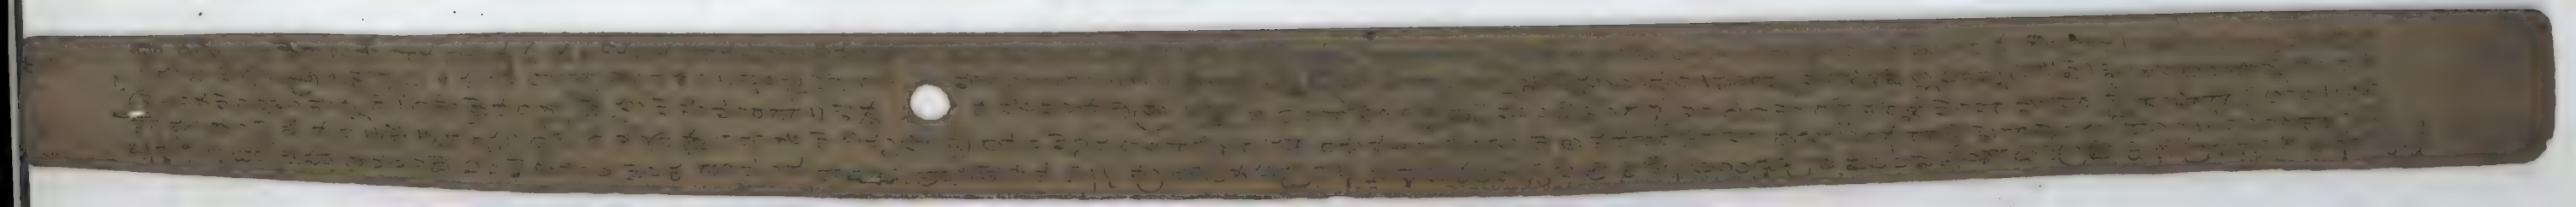

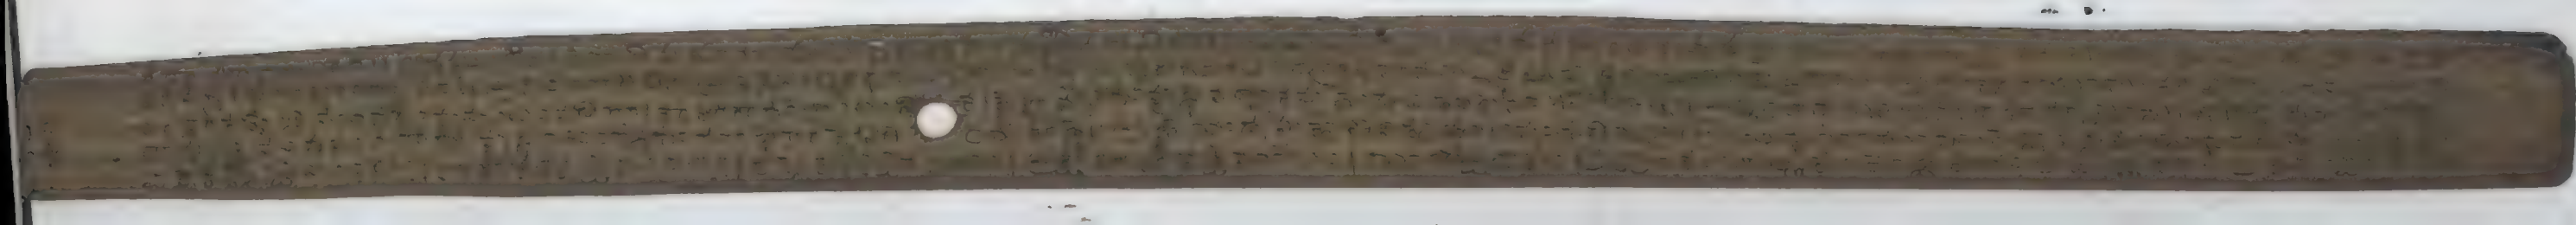

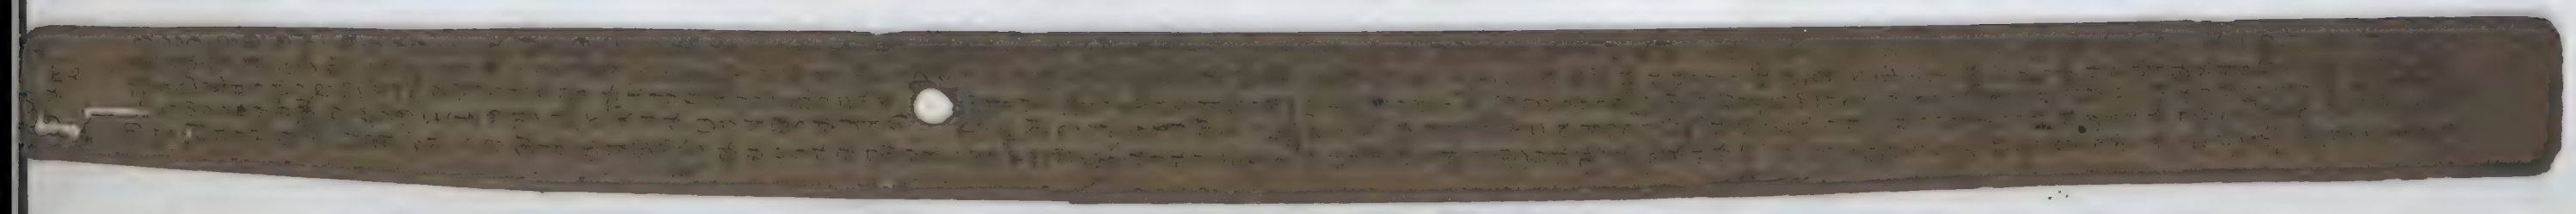

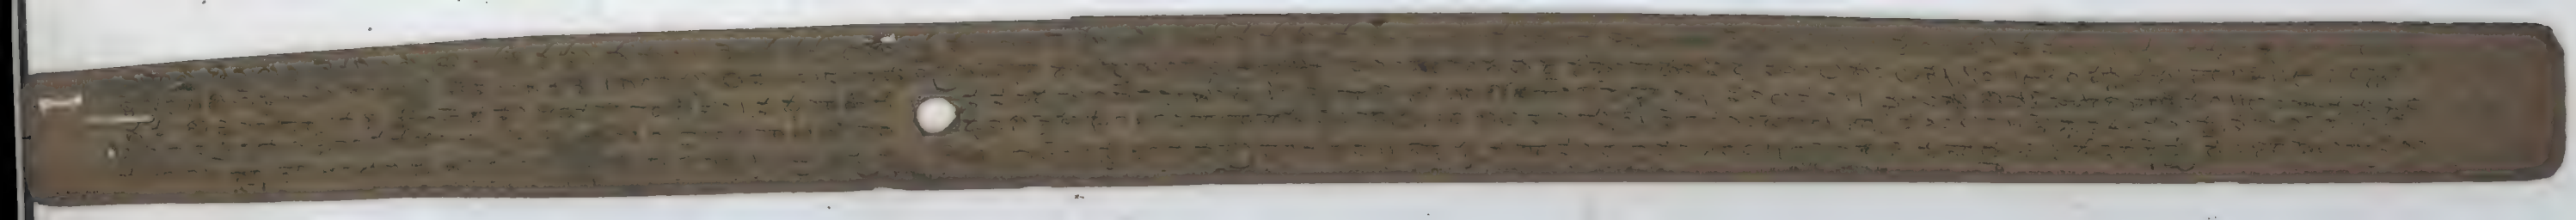

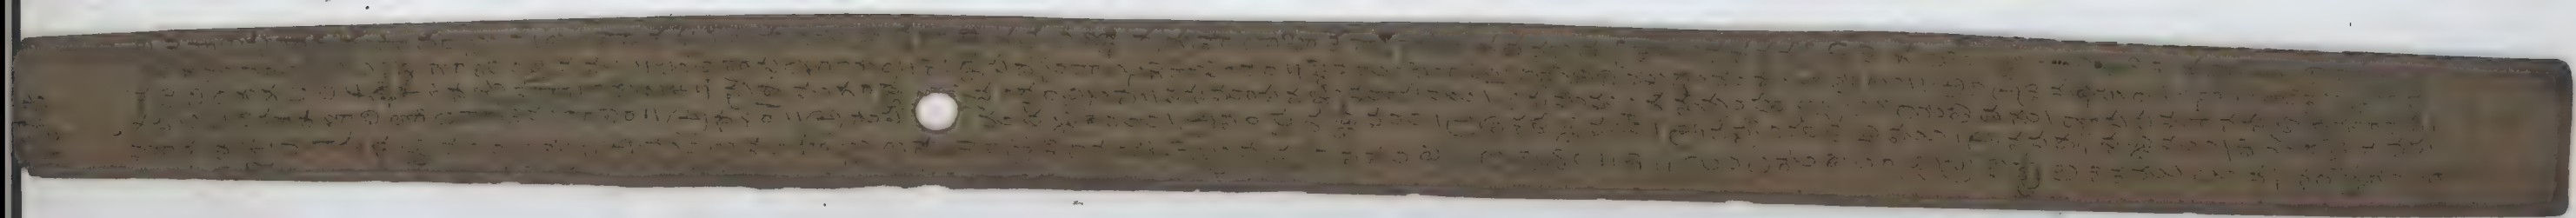

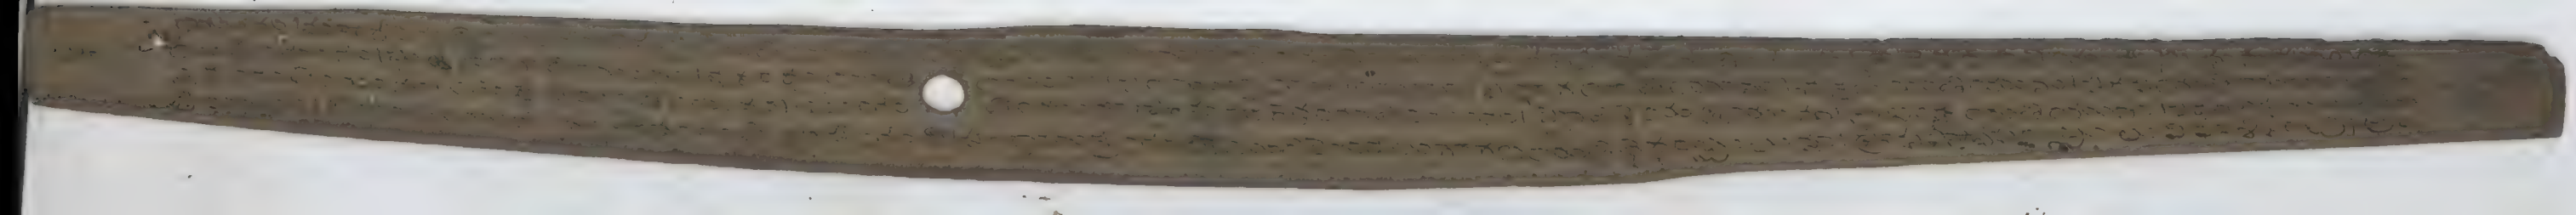

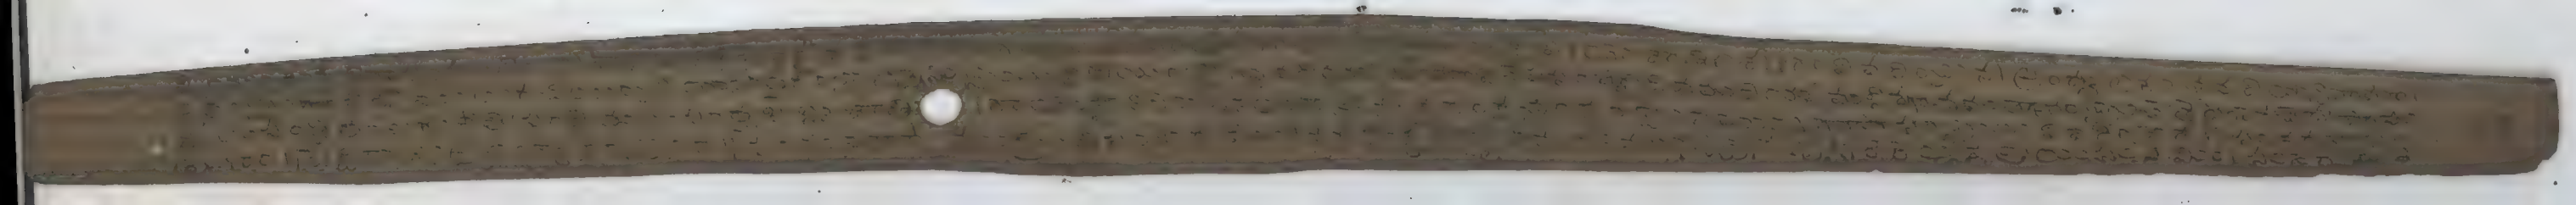

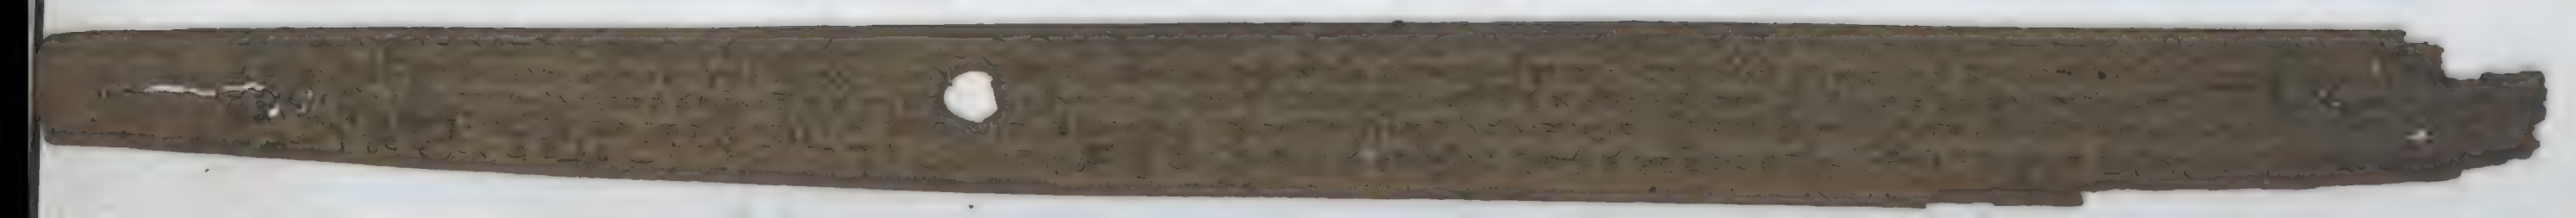

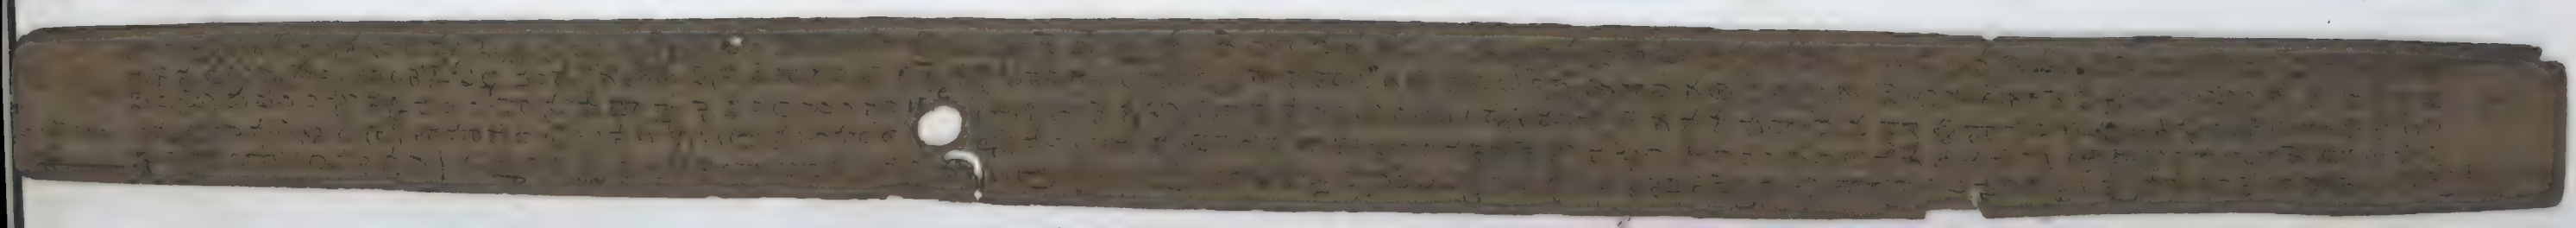

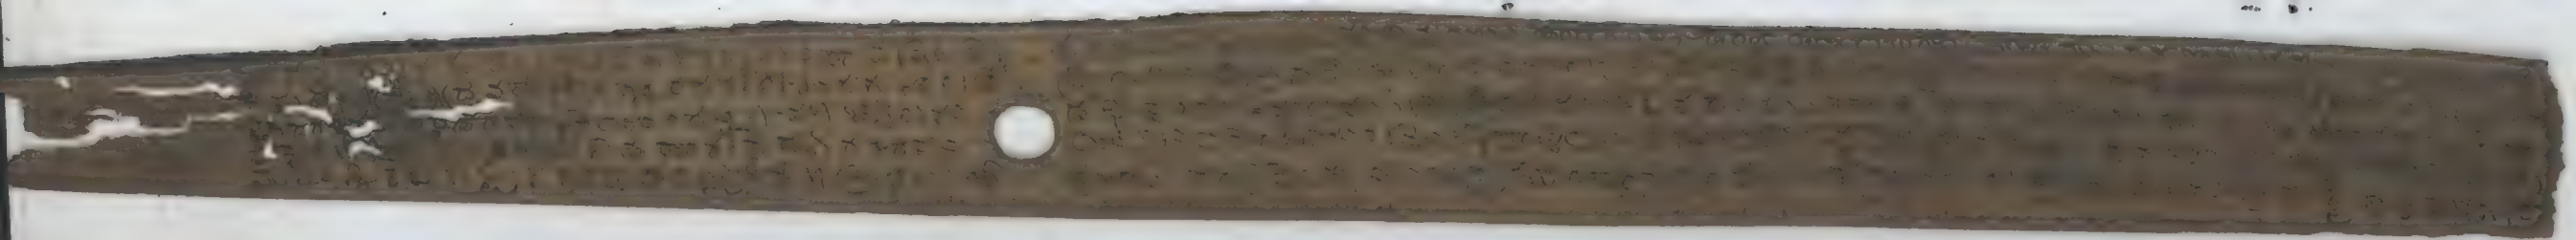

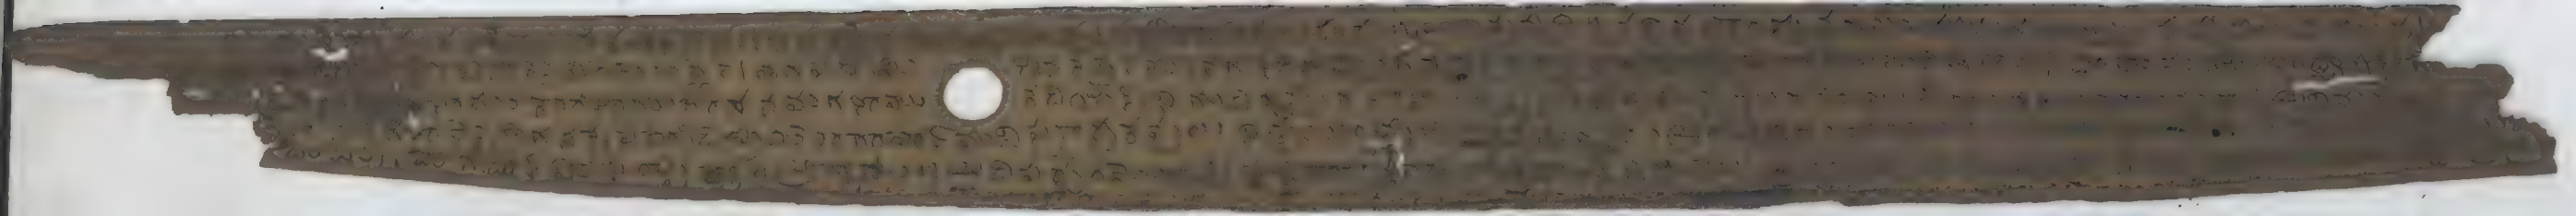

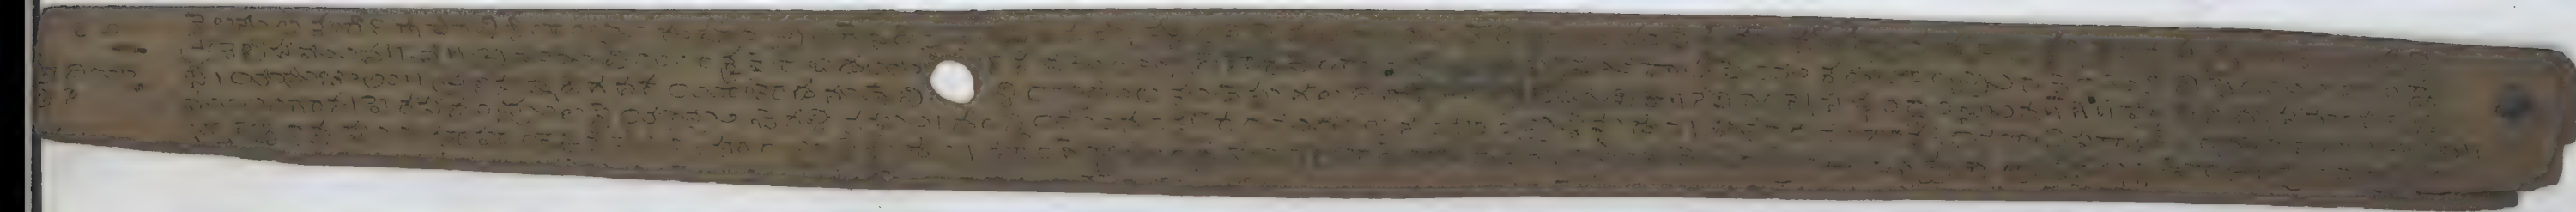

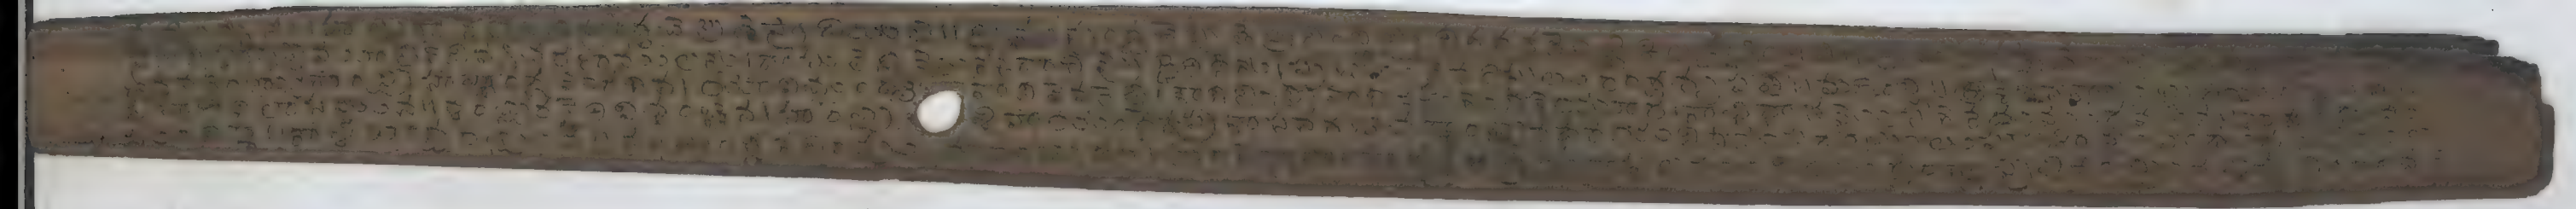

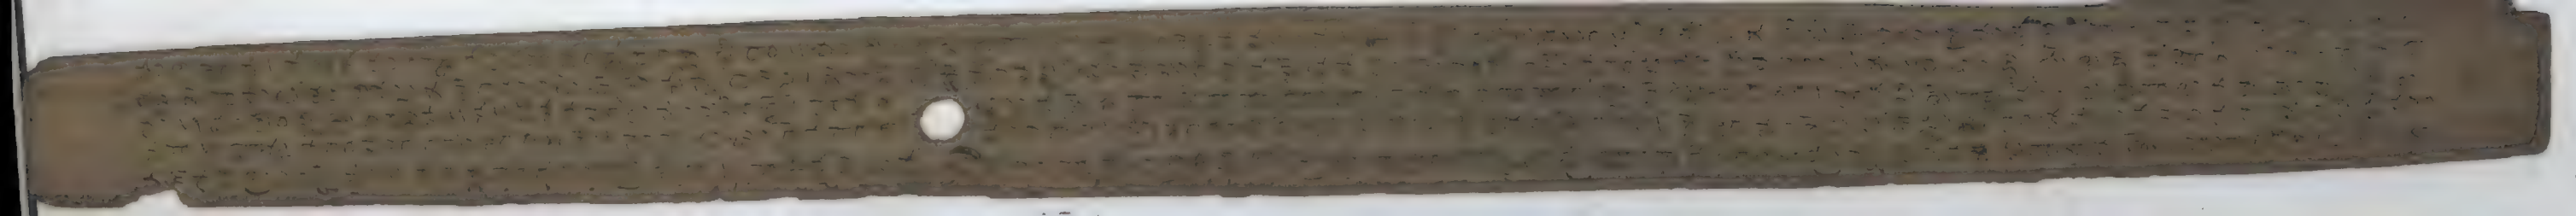

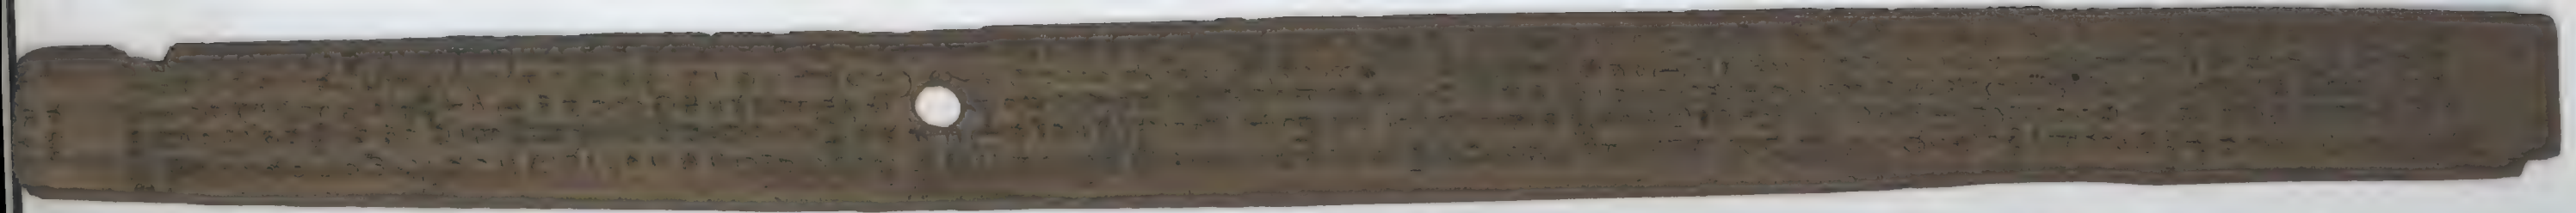

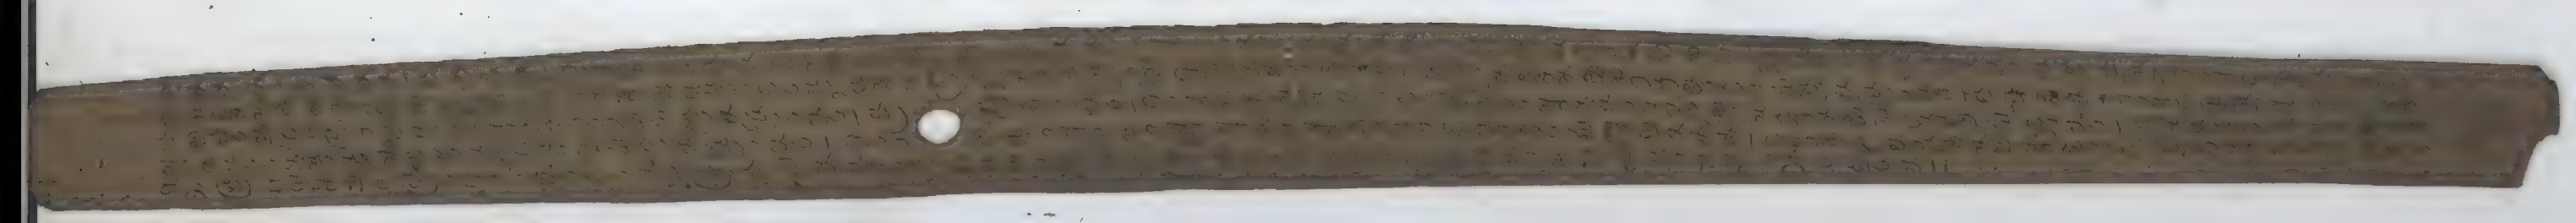

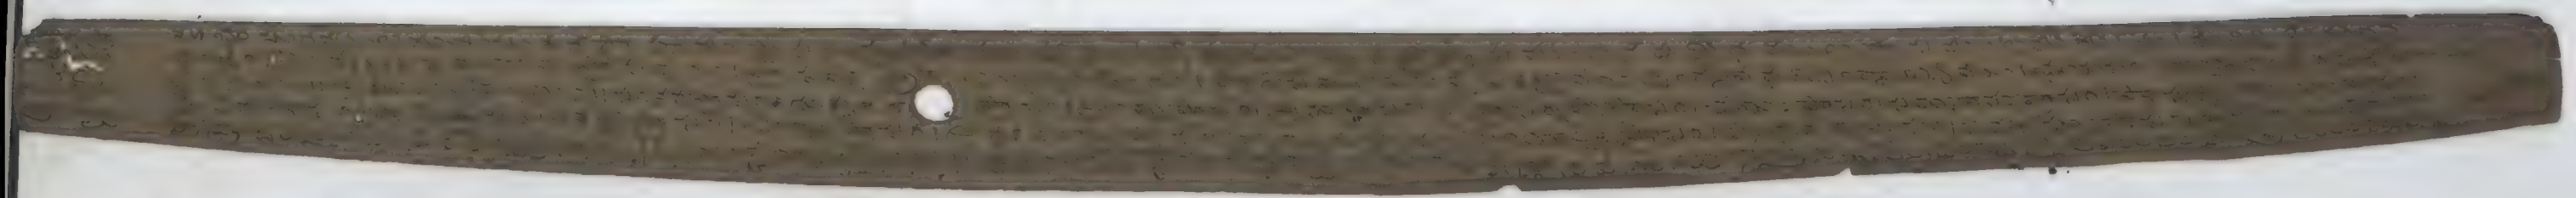

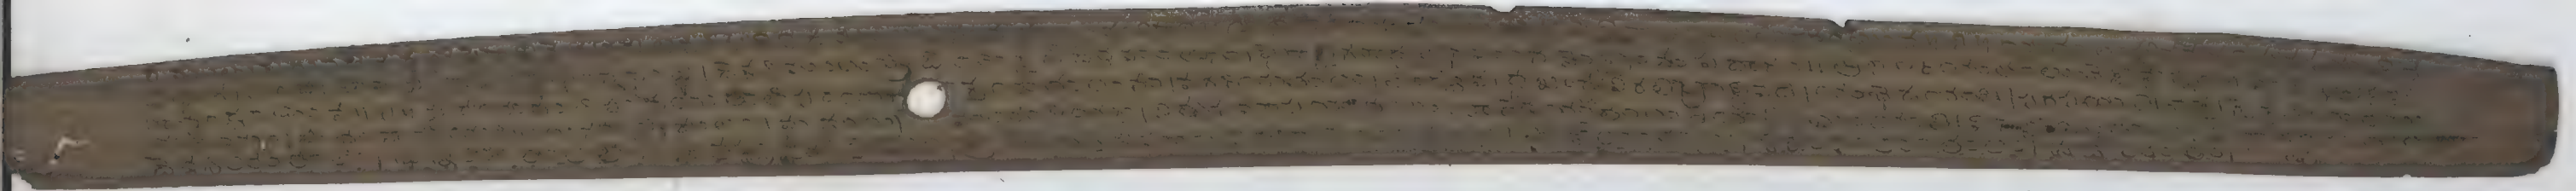

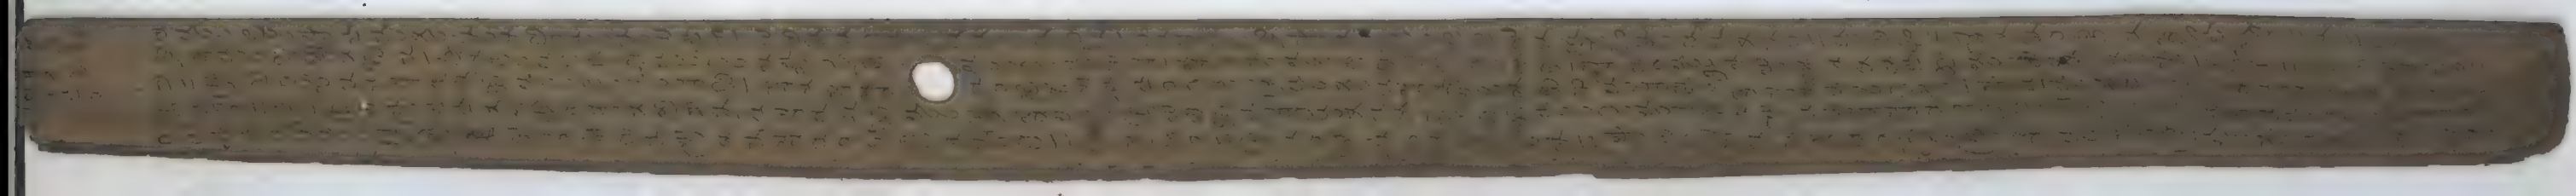

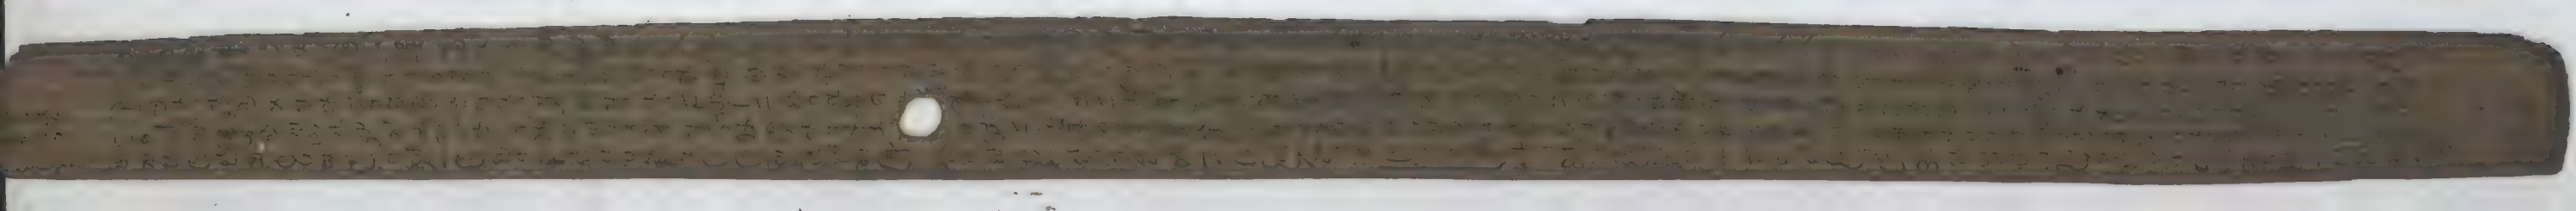

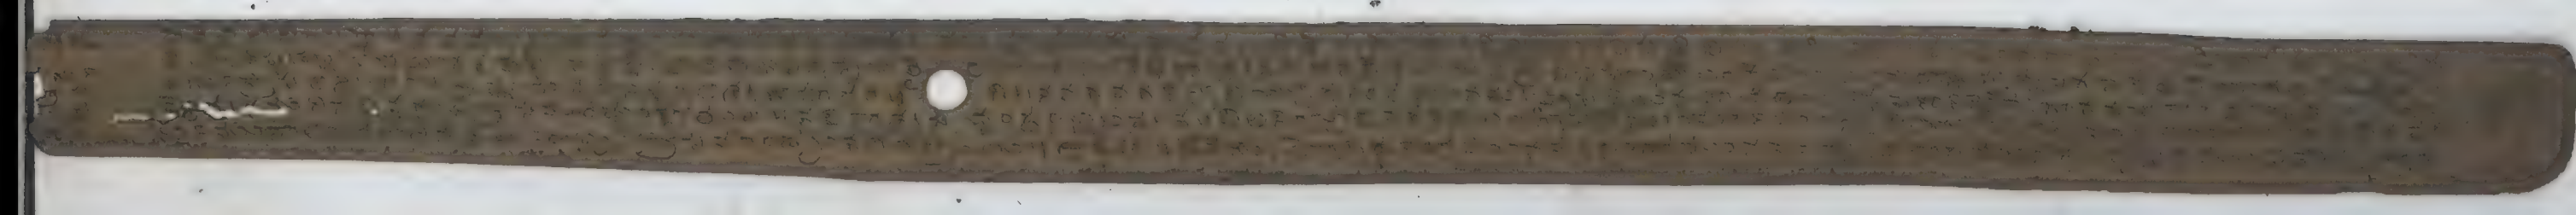

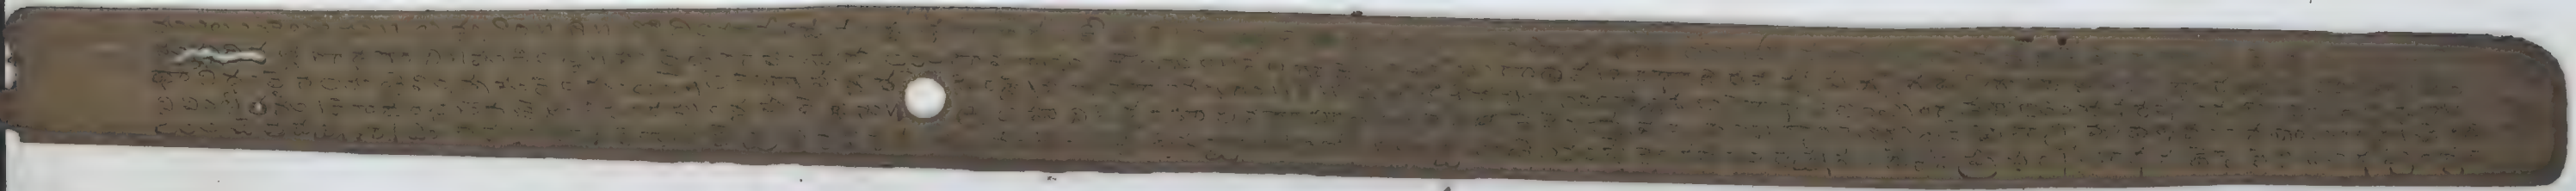

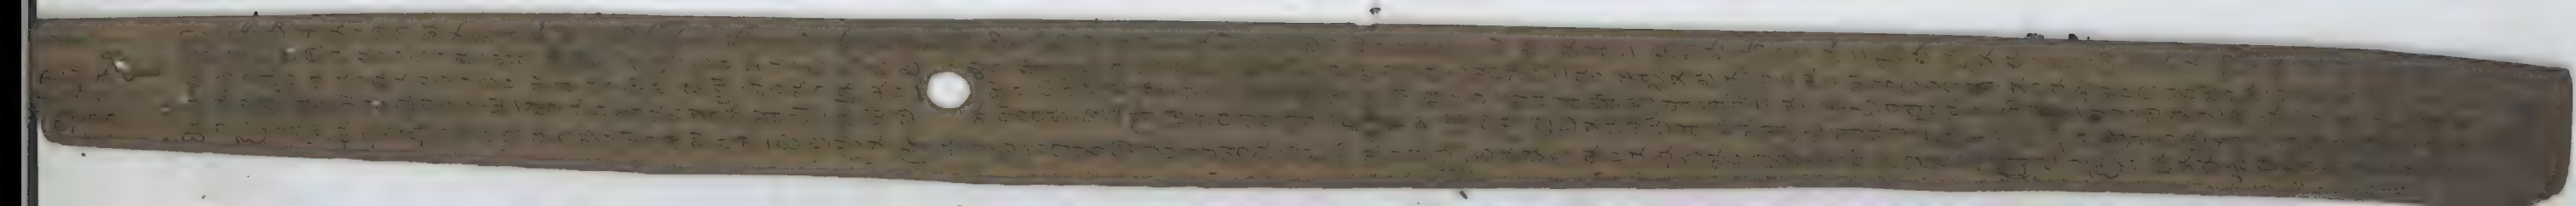

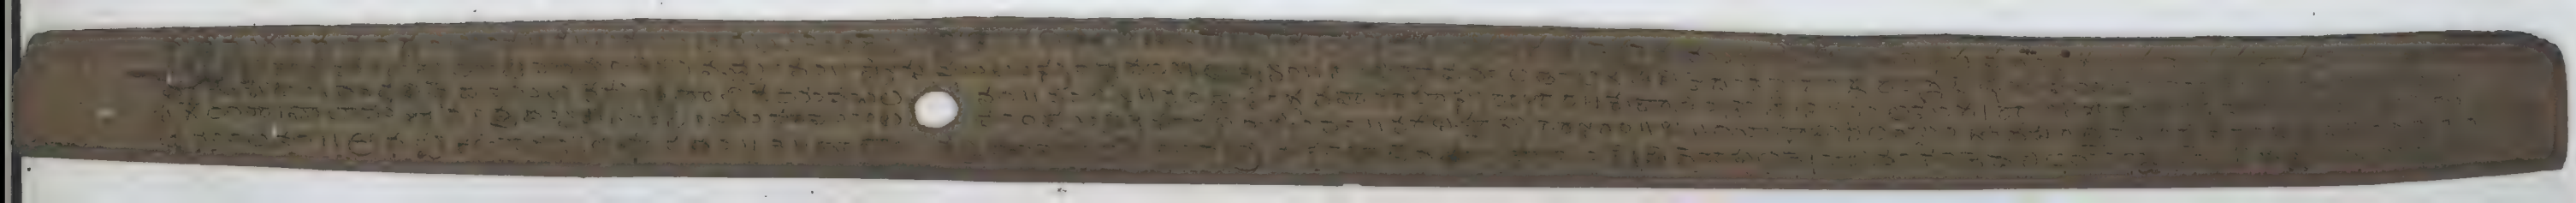

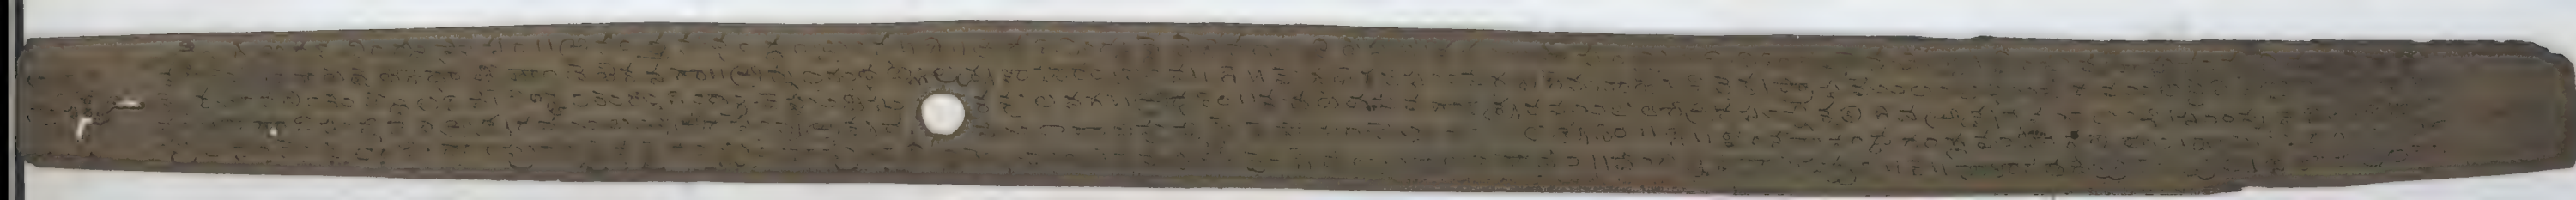

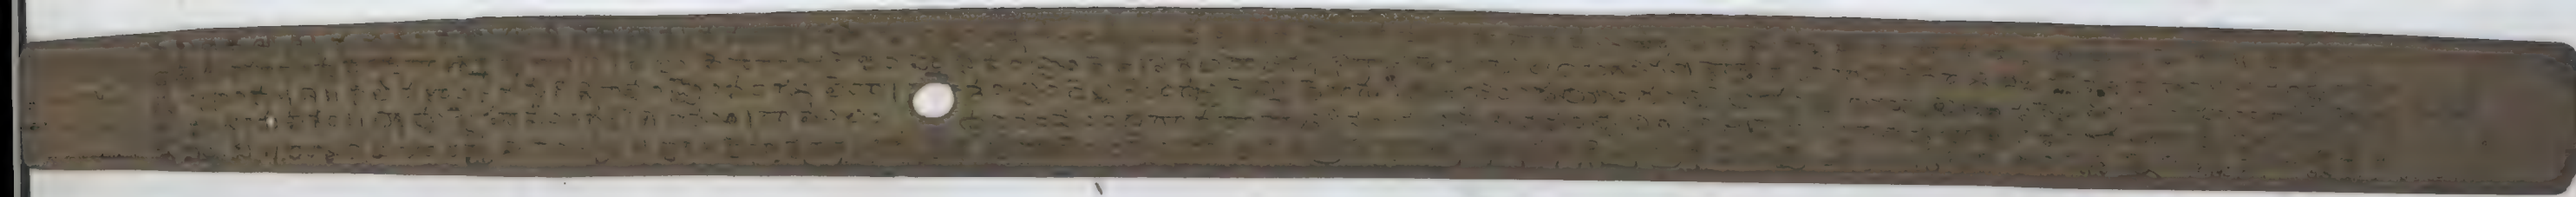

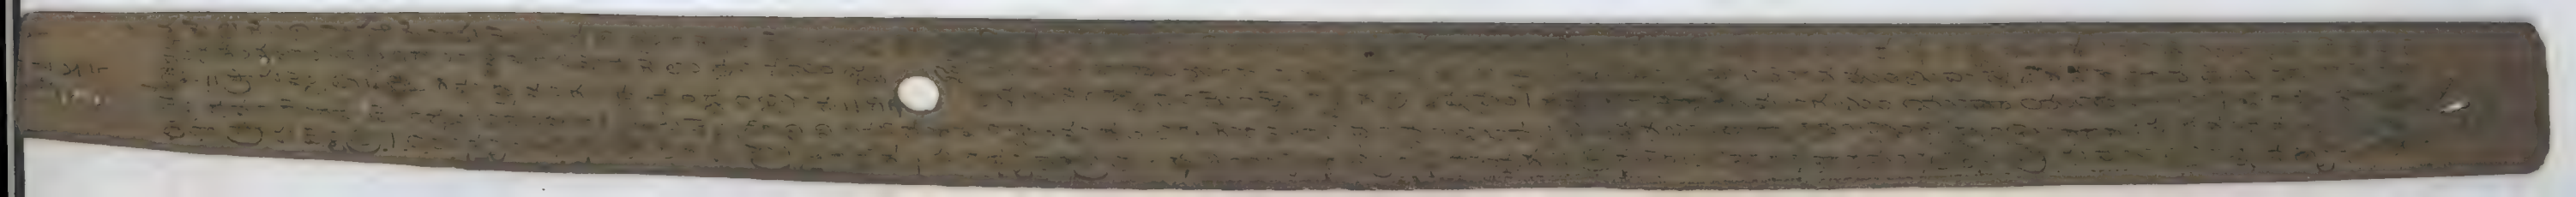

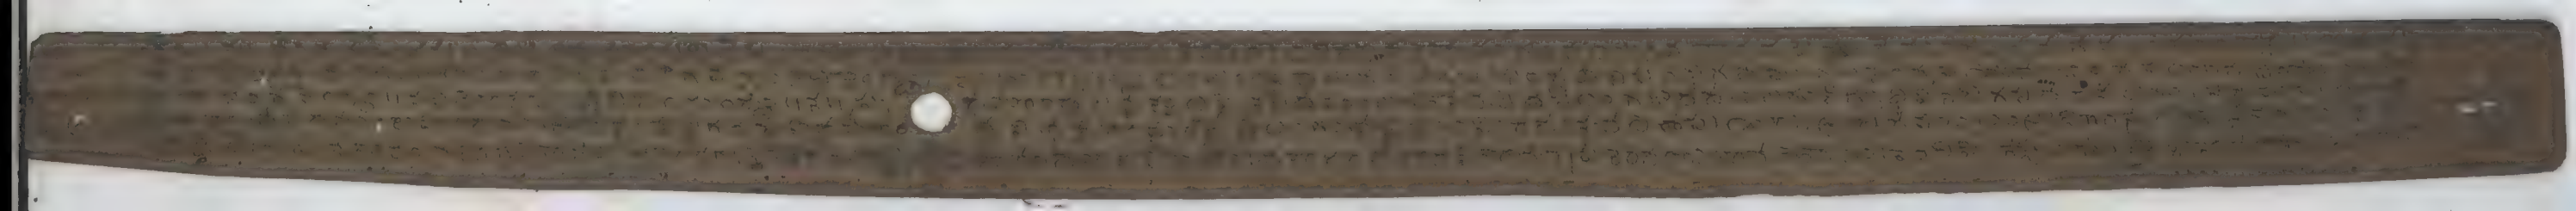

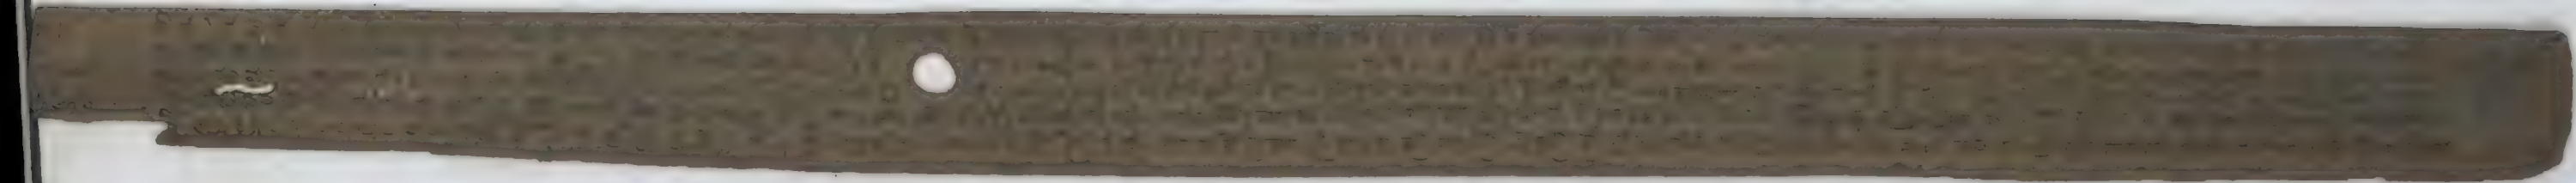

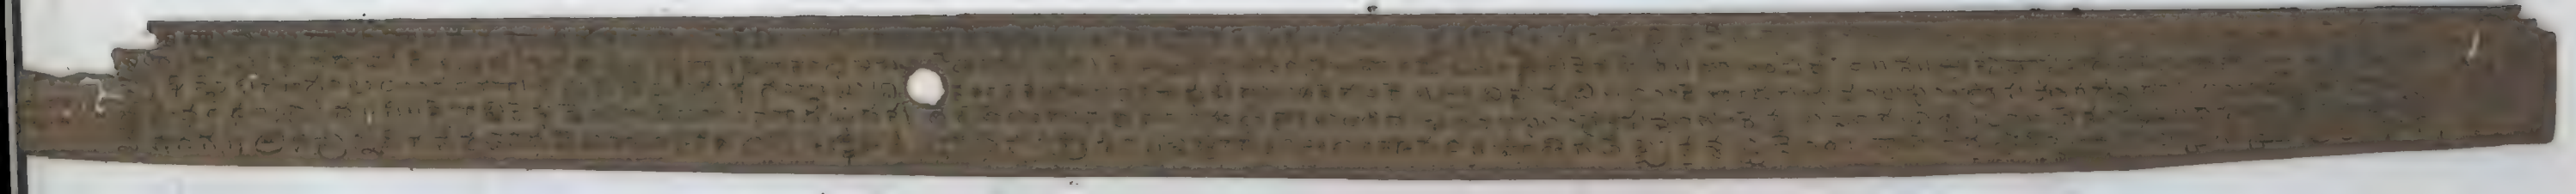

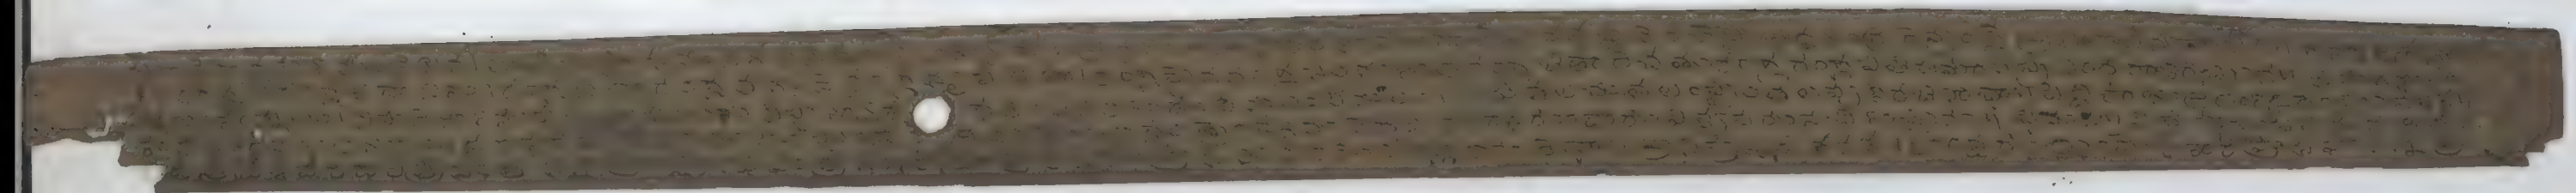

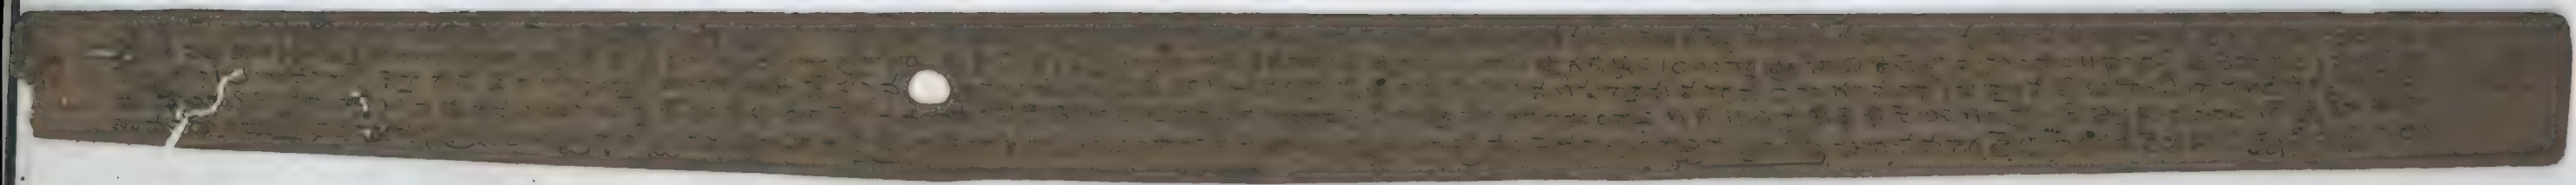

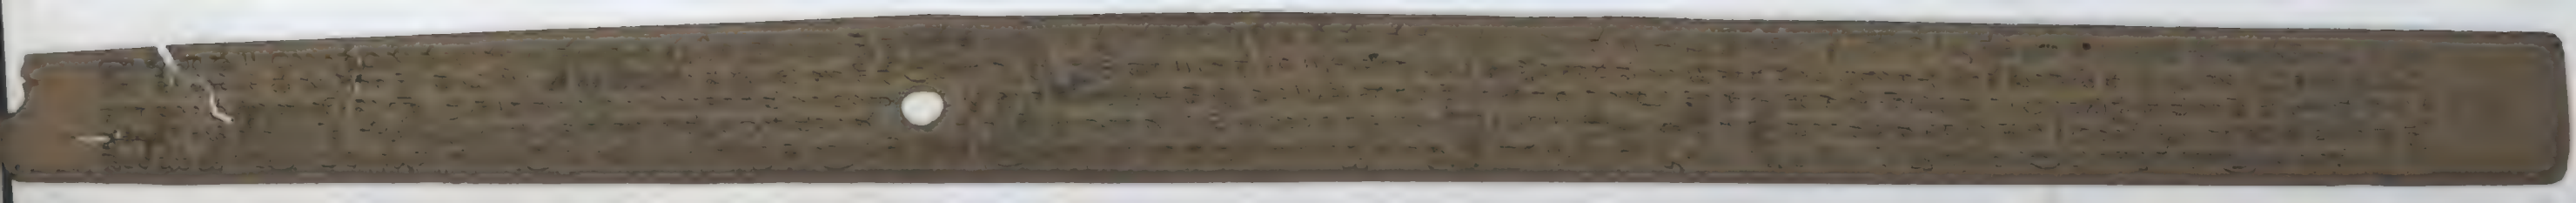

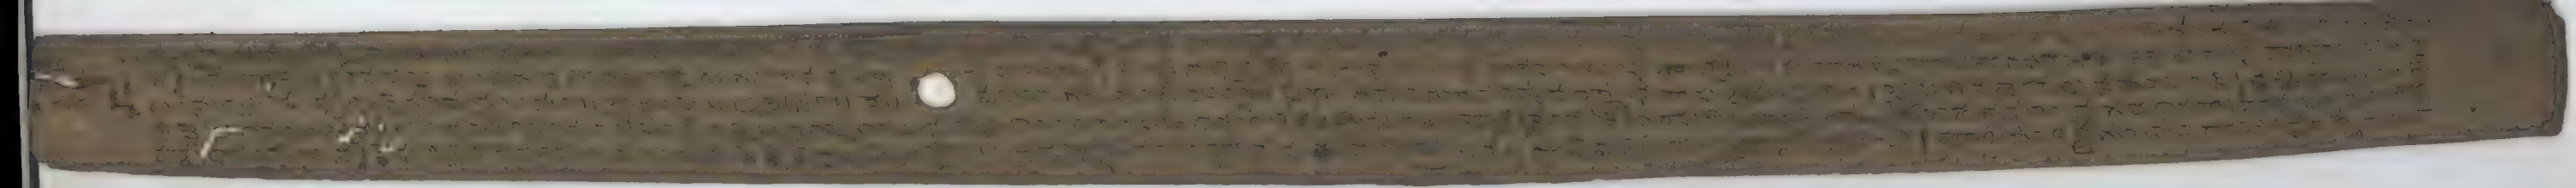

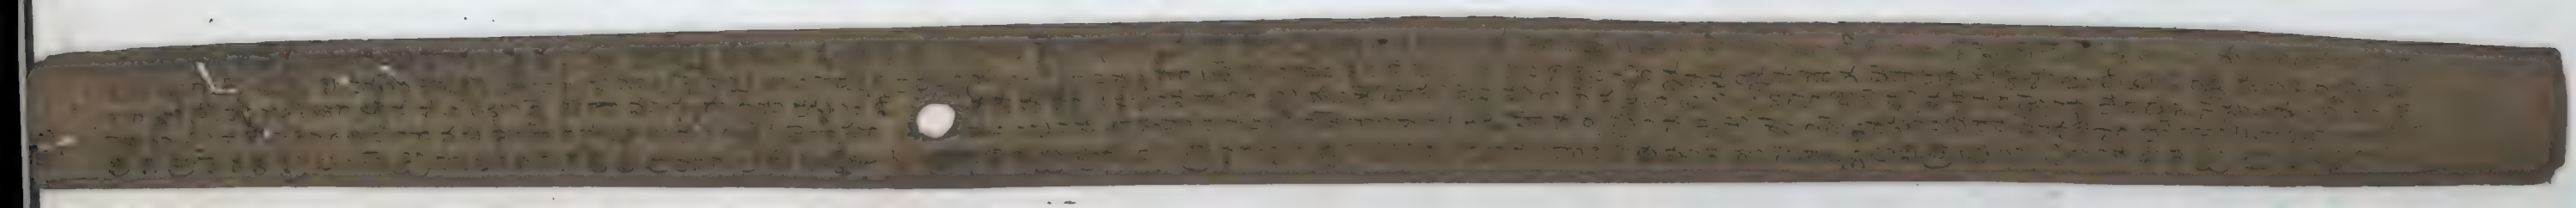

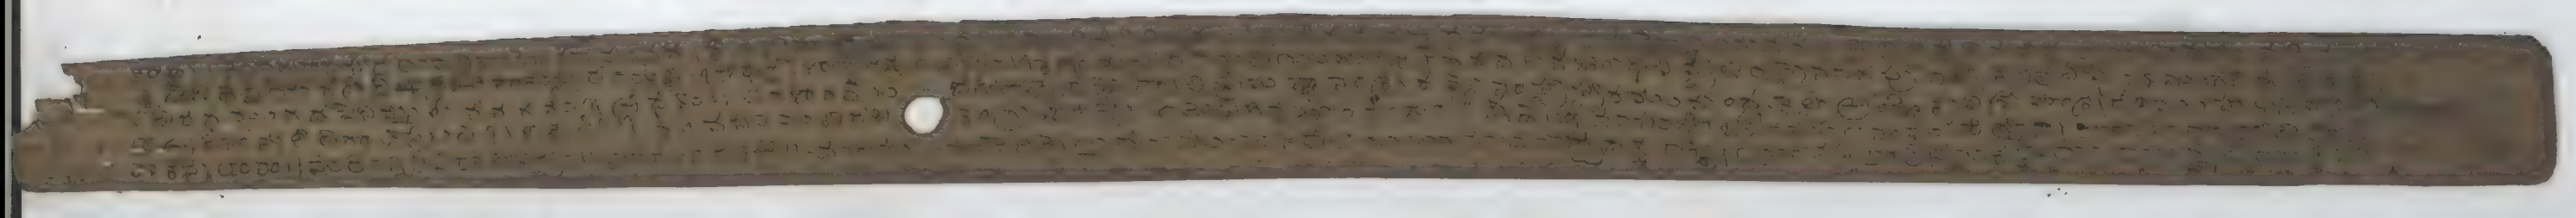

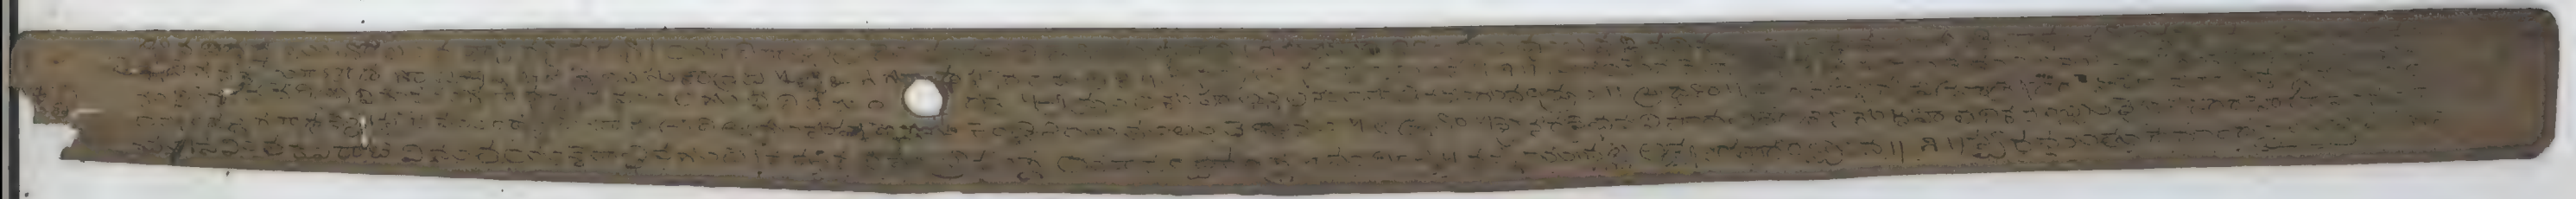

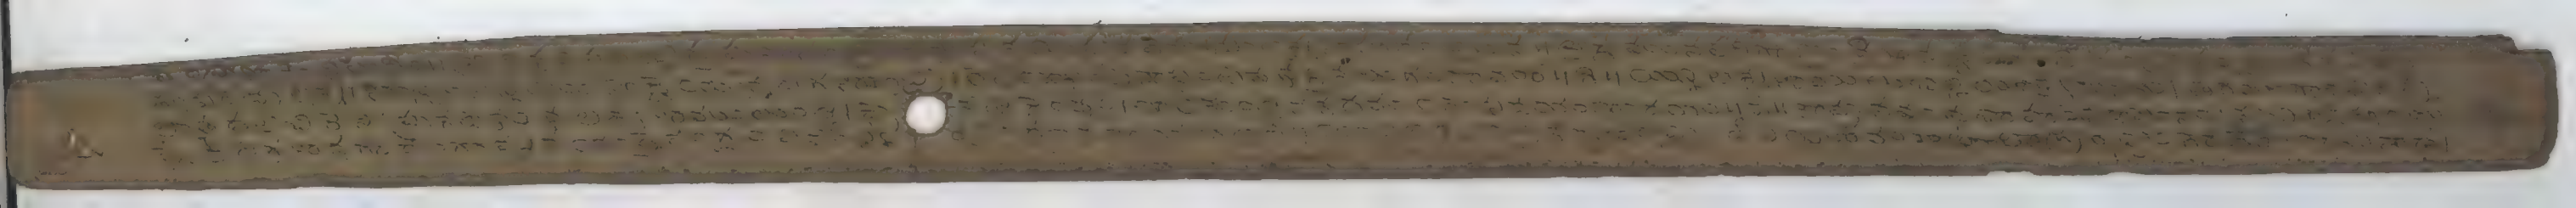

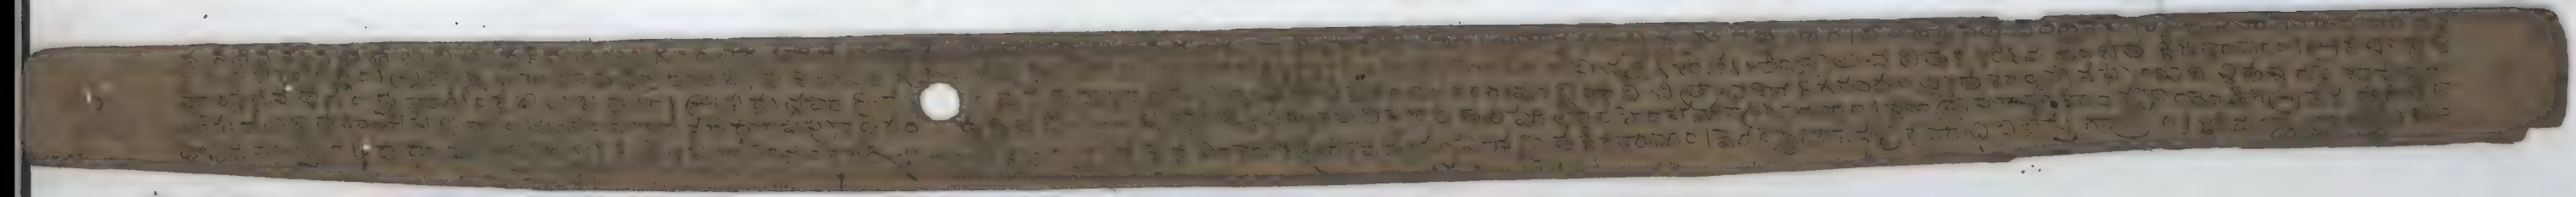

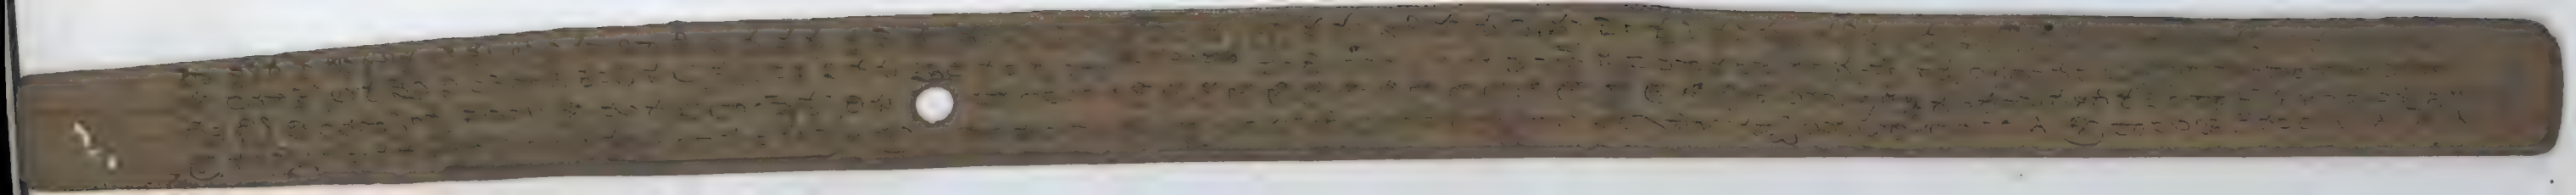

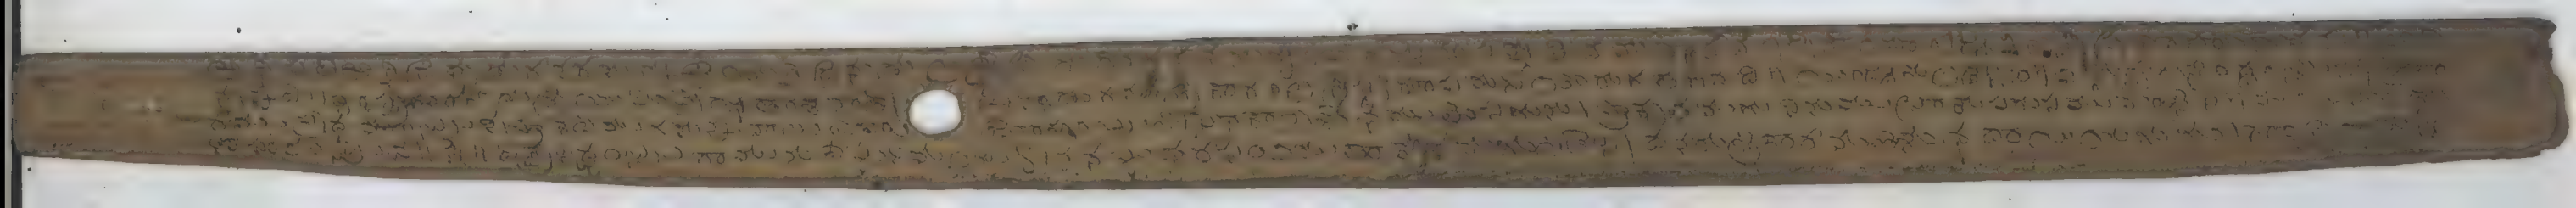

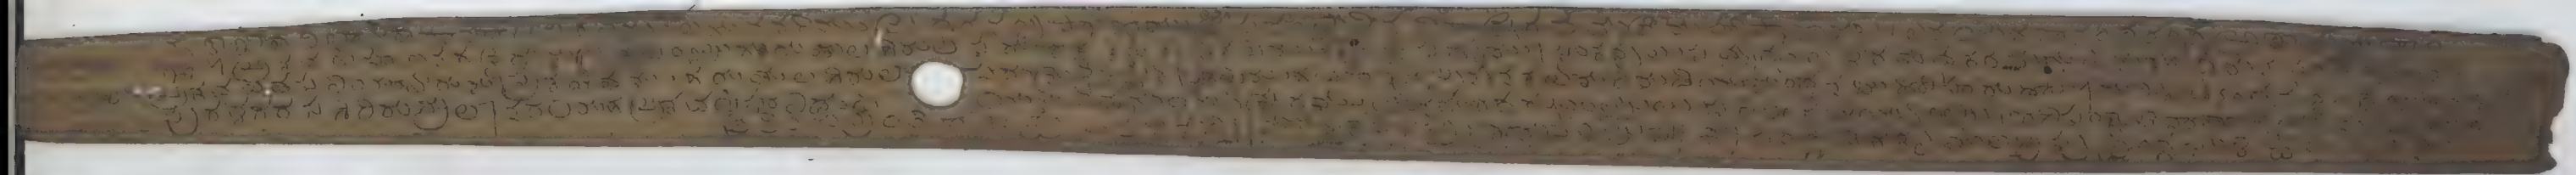

Handwritten text in Telugu script on a palm leaf manuscript. The text is inscribed in a single line across the length of the leaf, with a circular hole visible near the center. The script is a traditional form of Telugu, likely from the 18th or 19th century. The leaf is dark brown and shows signs of age and wear.

Handwritten text in Telugu script on a palm leaf manuscript. The text is written in a cursive style and appears to be a religious or philosophical passage. The leaf is dark brown and shows signs of wear, including a small hole near the center.

Handwritten text in a script, likely Devanagari, inscribed on a palm leaf. The text is arranged in a single line across the length of the leaf. A circular hole is visible near the center, used for threading a cord to bind multiple leaves together. The script is finely etched into the surface of the dried leaf.

Handwritten text in Telugu script on a palm leaf manuscript. The text is arranged in approximately 12 horizontal lines. A circular hole is visible near the center of the leaf, used for binding multiple leaves together. The script is a traditional form of Telugu, likely from the 18th or 19th century. The leaf is dark brown and shows signs of age and wear.
